Fiscal Impacts

Appropriation Not Required, No Amendment in Packet
Significant Appropriation Increase in Second Year

Fiscal Note Status

The most recent Legislative Council Staff Fiscal Note (attached) reflects the fiscal impact of the bill as of 05/04/26.

No Change: Attached LCS Fiscal Note accurately reflects the fiscal impact of the bill.

The Business, Labor and Technology Committee Report (05/05/26) clarifies that a vote of the legislative audit committee triggers an audit. JBC Staff and Legislative Council Staff agree that this change has no fiscal impact.

Amendments in This Packet

None.

Current Appropriations Clause in Bill

The bill neither requires nor contains an appropriation clause for FY 2026-27.

Points to Consider

Future Fiscal Impact

It is estimated that audits to the Office of Information Technology will cost between \$250,000 and \$500,000, depending on the scope of the audit, with the first of these appropriations made in FY 2027-28. This appropriation would be made from the Technology Risk Prevention and Response (TRPR) Fund.
