Summary of Legislation

This bill repeals statutory provisions concerning sexually explicit material harmful to children that were declared unconstitutional by the Colorado Supreme Court in 1985. It also makes conforming amendments.

Assessment of No Fiscal Impact

While this bill repeals various class 2 misdemeanor offenses concerning sexually explicit materials harmful to minors, these provisions have not been enforced since the Colorado Supreme Court ruling in 1985. Therefore, the bill will not affect the revenue, expenditures, or workload for any state or local agency and is assessed as having no fiscal impact.

Effective Date

The bill takes effect August 8, 2018, if the General Assembly adjourns on May 9, 2018, as scheduled, and no referendum petition is filed.
