### Fiscal Summary of Initiative 290

This fiscal summary, prepared by the nonpartisan Director of Research of the Legislative Council, contains a preliminary assessment of the measure's fiscal impact. A full fiscal impact statement for this initiative is or will be available at [leg.colorado.gov/bluebook](http://leg.colorado.gov/bluebook). This fiscal summary identifies the following impact.

#### State Expenditures

The measure replaces references to “the United States” with “Colorado” in certain sections of the Colorado Constitution. To the extent that this requires Colorado departments to replicate work currently performed by federal agencies, costs will increase for various departments. However, the measure does not explicitly reference any existing Colorado departments or charge them with specific responsibilities.

#### Economic Impacts

The measure has no direct or indirect impact on the state's economy.
