On motion of Majority Leader Holbert, and with the unanimous consent of the Senate, the Senate stood in recess to hear the opening day remarks of Senate President Kevin J. Grantham and Minority Leader Lucia Guzman. The text of their remarks follow.

____________

Remarks of President Grantham:

Colleagues, Family, Honored guests….

Today is a day full of pageantry, ceremony, pomp, and circumstance. Today is a day where we accomplish some of the necessary procedures to get our business underway. But most importantly, today is the day where we chart the course for Colorado in this 2nd Regular Session of the 71st General Assembly.
But before we continue charting that course let's remember those who have graced us with their presence and blessed us with their talent to make this such a memorable day. Thank you to the Colorado National Guard Honor Guard, my pastor, David Almanzar, Deputy Victor Holbert, and The Saunders Family for that wonderful performance of our National Anthem. Will you join me in honoring each of them. Thank you all for being here today.

Today each of us also recognizes those near to us who make it possible for us to be here and to serve the people of Colorado. For my part, I would first like to recognize and thank the one who has let me share my life with her for 22 years come this Saturday, and going on 8 years while I have been here in the Senate…and never once changed the locks…yet…my wife, Caroline.

Welcome also to some of our returning friends and colleagues who are sharing this day with us. President Bill Cadman, Majority Leader Mark Scheffel, and Majority Leader Rollie Heath. Welcome Gentlemen! And thank you for your service to this institution and to this great State.

And to each of you who, like me, are experiencing your final opening day in this chamber. We can save all of the gushy comments for Sine Die, but Senator Guzman and Senator Aguilar, it is an honor to have begun my service with each of you and to finish with this year with you both! For the others, Senator Jahn, Senator Kerr, Senator Lundberg, and Senator Lambert, although you each had to endure serving time in that "other" chamber, I am glad you graduated to the upper chamber and I am eternally grateful that I had the opportunity to serve with each of you.

Let us also recognize those with us today and those who could not attend today who make it possible through their sacrifices for us to serve this state, our spouses, family, and significant others! Thank you!

And finally, would you also join me in recognizing our first responders, those who put themselves in harm’s way for us, those who have given their lives in service, their families who grieve, and especially Deputy Zack Parrish and his family. Would you all join me and rise for a moment of silence as the Senate chimes ring in honor of his service, his life, and his memory.

Thank you all, and God Bless Deputy Parrish’s wife, Gracie, and their two beautiful daughters.

Fellow Senators,

Most citizens of our nation view a darkened horizon ahead. Where divisiveness and partisanship have become the norm, and even your political party can be a label of shame, many find difficulty in seeing a brighter tomorrow for America and for Colorado.

The heart of our nation, civil discourse, is under continual attack. The feelings of community and neighborliness that once was the backbone of our communities is quickly becoming a distant memory, and our willingness to engage one another has diminished.

Today is a moment of deciding for our State. Shall we fall to the partisanship and constant suspension that is Washington D.C. politics, or shall we rise above and prove to the people of this great State that we are working for them, and not for our parties or our own egos?

Today, we decide what sort of legislative body we will be. Colorado has always been different. It's always been a special place, tucked behind the Rockies, untouched by the California smog or the New York corruption. Let's continue that tradition of being different. Let's work together to solve the issues that matter most to Coloradans, and let's cement a legacy together that will carry into future General Assemblies for generations to come.

Let us be the sun splitting that darkened horizon. Let us lead the way for better days to come. We are not bound to follow the path of Washington D.C., nor are we obligated to do so. We can work together to create a flourishing and prosperous Colorado that we can all be proud of.

In 2016 and 2017, despite having a split General Assembly, the majority of the bills that made it to the floor passed both houses, and with bipartisan support. When everyone said we couldn't accomplish construction defects reform -- we did it! When no one believed that we could pass a bill equalizing charter school funding -- we did it! We've done the tough work before - let us recommit ourselves to doing it again. Let us not fall to the temptation of blaming the other side for incomplete work. Our constituents are like our teachers, and as students, excuses can only go so far.
In speaking with many of you and listening to concerned constituents, there are six issues that stand out to me as being a top priority for 2018. Many of these issues aren't black and white. There isn't a Republican or Democrat way to fill a pothole, but I'd argue there is a Colorado way, and that's if we do it together.

Today, let us commit ourselves to maintaining and building the roads of Colorado. These roads, albeit not flashy, and often taken for granted, are Colorado's veins, allowing the lifeblood of our State, our people, and the economy they support, to travel efficiently and affordably.

Between 1991 and 2015, the number of drivers on our roads increased from 3.3 million to 5.4 million, and projections estimate 7.8 million by 2040. Unfortunately, our investment in this vital infrastructure has fallen from $125.70 per person to just $68.94 per person.

This reduction has left many of our roads and highways in disrepair, or woefully inadequate for their volume, and for years we've failed to produce meaningful solutions. This issue is one that greatly affects our lower and middle class residents, as potholes and other road defects that can damage vehicles creates the greatest issue for those that are already having trouble making ends meet.

And let us not forget those who rely on the roads beyond simple a daily commute. The Colorado Motor Carriers Association estimated that nearly 100,000 jobs stem from the trucking industry in Colorado as of 2016. 79% of Colorado communities rely exclusively on trucking to move their goods, and 89% of total manufacturing tonnage is transported via truck. Colorado's roads are their offices. If the flooring was falling apart in your office, wouldn't you fix it?

I applaud the Governor for moving in the right direction with his budget proposal, putting an additional $148 million into our roads. While I personally believe that number should be higher, the fact remains that we are moving in the right direction.

Let's invest in something meaningful, our roads, and benefits will stem from every corner of Colorado, in every neighborhood, and possibly in every household.

To this end, today Senators Cooke and Baumgardner will sponsor Senate Bill 1. This legislation will commit a portion of the forecasted revenue surplus year over year to the tune of approximately $300 million and will refer a measure to the voters of Colorado this November asking their permission to issue bonds on this commitment so that we can finally expand the I-25 gap from Monument to Castle Rock, so that we can finally expand I-25 North, and so that we can finally expand the I-70 West Mountain corridor. With this measure we will be able to finally start on the Tier 1 portion of the massive backlog in CDOT's project list.

Today, let us commit to PERA reform that provides our state employees with the benefits they were promised, and deserve, while ensuring that future generations don't have to foot the bill. This is not a new issue, nor should it be a surprise to any member of this chamber that it's a top priority.

Current and future workers in the public sector have their own hopes and dreams for their careers and their retirement. Retirement security is a big part of those plans.

Protecting only today's retirees is insufficient; we must have our public pension system on sound financial footing so that today's and future employees can also be paid when they retire.

We also must come to terms with the fact that the workforce is changing, and that the solutions of the past may not be what is preferred by some of today's workers.

All public sector employees should have the same opportunities and choice in retirement planning that the State of Colorado employees enjoy; denying that choice is fundamentally not fair.

The magnitude of the problem is larger than many believe - very possibly PERA is underfunded in excess of $55 Billion. This is large enough to affect the credit rating of the State and public institutions - and raise bonding costs for all important public construction projects. This unfunded liability is a debt in excess of $10,000 per man, woman, and child in Colorado. The fact that we don't exactly know how much trouble we're in also shows the need for more transparency in PERA's finances. It will only serve to bolster confidence and give better understanding of the challenges we now face.
Some say that we can put off reform for another year. Doing so will merely increase the
debt we are facing by millions of more dollars - and put more financial strain on the
pension system.

Several proposals call for additional involvement by taxpayers - beyond the significant
payments being made today for debt service. It is only fair then to ask for in return
structural changes to PERA that start to deal with long term risk. We have to stop digging
the hole at the same time that we are trying to fill it.

If Option A is to do nothing, Option B is to apply a bandaid, and Option C is to do the
hard work, I say we pick Option C.

I won’t be here ten, twenty, or thirty years from now, and neither will any of you. I surely
don’t want to hear the Senators that fill our seats saying what a shame it is that the 71st
General Assembly couldn’t solve this issue back in 2018. I don’t want future generations
trying to tackle a $100 billion dollar unfunded liability when we could have solved it now.

The choice rests with each of us. If we all, together, commit to solving the PERA question
this year, then it isn’t a matter of what we’re going to get done this session, it’s simply a
matter of how we’re going to get it done. And through the leadership of Senator Tate and
others we have an opportunity to accomplish this! An opportunity that we cannot simply
let pass by.

Today, let us commit to finding solutions to bring broadband to our rural communities
across Colorado. We have an opportunity to advance the education, economic growth, and
healthcare systems of Colorado by ensuring that every corner of our State is effectively
connected to the internet.

Whether it’s the 5th grader in Dove Creek trying to get his homework done or the business
owner in Creede wanting to sell his goods online, or a hospital in Hugo researching
life-saving solutions for their patient, there are few opportunities that can bring so much
benefit to so many Coloradans.

We have a duty to ensure that internet service providers can provide fast internet
connections to every household in Colorado. Where our State has neglected to invest
previously, we must prioritize, and where our State Government has gotten in the way, we
need to reign it in. In fact, as I stand here right now there are potential decisions being
made right across the street that could use existing grant dollars to overbuild existing
infrastructure. Any legislation that we propose must protect existing providers from
government subsidized competition. Any funds that we create here should be used to
improve truly unserved areas of the state.

The internet has brought more people together, allowed more economic mobility, and
advanced research and technology unlike anything mankind has ever seen before. A true
child of the free market, it belongs to no one man or any government, it belongs to the
people. It has been around for decades now, and it’s time to make sure every Coloradan
has access to it.

Senators Coram and Sonnenberg will be leading the effort this year to finally bring a
solution to funding and access to rural broadband.

Today, let us commit to reforming our Energy Office and implementing energy policies
that embraces all forms of energy for our residents.

Personally, I don't care if it’s oil, natural gas, wind, solar, coal, nuclear, hydro, or if they
find some way to harness the power of the hot air rising from the Capitol Dome, I am for a
diverse energy portfolio in the State of Colorado, and we should all be for that.

As new energy forms emerge, we must also not forget the traditional forms of energy, like
oil and gas, that employ approximately 100,000 of our residents and bring around $30
billion in economic activity each and every year. Government shouldn't be in the business
of picking winners and losers. Instead, let's open the markets and encourage energy
development in all sectors that keeps and brings jobs to Colorado while lowering heating
bills to consumers in each and every one of our districts.

I'd like to thank Senator Scott for taking the lead on this issue with a bill that will
modernize, repurpose, and redefine the mission of the energy office, focusing on an
all-of-the-above energy policy for Colorado.

Last year, Republicans and Democrats in this chamber pushed a bipartisan effort to fund
our hospitals, education, and transportation. As part of that legislation was a request for a
2% reduction in spending for every department except for education and transportation.

Today, let us commit to finding solutions to bring broadband to our rural communities
across Colorado. We have an opportunity to advance the education, economic growth, and
healthcare systems of Colorado by ensuring that every corner of our State is effectively
connected to the internet.

Last year, Republicans and Democrats in this chamber pushed a bipartisan effort to fund
our hospitals, education, and transportation. As part of that legislation was a request for a
2% reduction in spending for every department except for education and transportation.
As we all know, this request was not honored. That is why Senator Sonnenberg will be proposing a reduction in Colorado's income tax rate, proportionate with that 2%. If this government can't live up to its guarantees, than we are better giving the money back to Colorado taxpayers.

A health crisis that has been brewing for years in the United States has unfortunately not ignored our own State. Morphine, hydrocodone, oxycodone, Percocet, Vicodin, cocaine. I'm speaking of opioid abuse. It has claimed the lives of far too many individuals who simply sought pain relief from injuries and medical procedures, and to those it hasn't killed, it has left homeless, unemployed, divorced, and alone. It has personally affected far too many of our families and communities, tearing them apart at the seams, and 2018 will be the year we address it head on.

That's why I am proud to see a package of legislation coming forward this session to help tackle this crisis, and I would like to recognize the Opioid Abuse Study Committee for their great work in the interim on this important issue, in particular, Senators Jahn, Lambert, Moreno, Priola, and Tate. Let us lead the way and tackle what could be the greatest health crisis our nation has faced thus far in the 21st century.

Finally, let us commit to creating a welcoming and respectful workplace environment here in the Capitol building. Many pundits, commentators, lobbyists, and legislators have made their opinions known, and I don't think anybody here is of the belief that the status quo is working, or that action shouldn't be taken. That's why I'm proud to work alongside the leadership in both houses to take steps to ensure that our Capitol remains a safe, welcoming and respectful work environment for all doing business here.

Today, let us commit ourselves to trying our best. That's all we can do. Let us respect one another, not by the R or D next to our names, but by the fact that we're all Coloradans, we're all Americans, and we're all humans. I have no doubt that every single individual serving in this body is passionate about making Colorado a better place to live, a better place to work, a better place to raise a family, a better place to settle down. That is where we can find our common ground.

I look forward to the journey we will share over these 120 days. And when we look back on "Today", we can say "Today, we committed ourselves to a brighter future and a better Colorado. Together".

Thank you all, God bless each of you through this session and God Bless the great State of Colorado.

Remarks of Minority Leader Guzman:

Mr. President
Mr. President Pro Tem
Mr. Majority Leader
Mr. Assistant Minority Leader
Colleagues
Family and friends

I have been honored to serve as the Democratic Leader of the Senate for these years, and my first desire today is to honor and thank those Senators whose last session of service begins today:

Senator Cheri Jahn
Senator Andy Kerr
Senator Irene Aguilar
Senator and President Grantham
Senator Lundberg

The graduating class of 2018 has made significant contributions to the State of Colorado and served their constituents with honor and respect.

Please join me in applauding their service.

We know that those of us entering our last legislative session are not yet finished with our work. Each of us joins all of you in making this session of the 71st general assembly one of historic progress for the people of Colorado.

Today, I'm honored to welcome and recognize some special guests.
Every year, each of our 35 Senate Districts selects one student to serve as a member of the Colorado Youth Advisory Council (COYAC). These students play a vital role in advancing the values of civic engagement in our next generation of leaders.

I'm honored to introduce the exceptional young woman chosen to represent my own Senate District in Northwest Denver County: Winta Goyne.

Winta's family came to our country as refugees from Eritrea. A journey that began in a refugee camp at the age of 2 brought her to this moment and her new home in Denver. Now, she's an outstanding 10th grade student at North High School. Both of her parents are hardworking, proud residents who hope to become full citizens of the United States.

I'd also like to welcome our friends from the Bureau of Land Management and the Great Escape Mustang Sanctuary.

From the BLM are Jayson Barangan and John Beck. From the Great Escape Mustang Sanctuary are Michelle Sander, Executive Director and Stephanie Lindsay, Lead Trainer as well as Michelle's two children, Carson and Preston, and three members of the GEMS Board.

Through the efforts of dedicated professionals and volunteers alike, they've made great progress in balancing the wild horse population and the management of our cherished public lands. This cooperative spirit in service of preserving Colorado's unique natural beauty and ecosystems is a wonderful example of what makes our home state so special.

President Theodore Roosevelt once said that "what makes a hero is the romantic notion that they stand above the tawdry give and take of everyday politics, where division gives way to unity, and where the nation regains its lost innocence, and the people share a sense of purpose."

I believe that elected officials must strive to live up to these ideals each and every day. Last year's legislative session has been called one of the best in decades thanks to our collective will to reach across the aisle. When we allow divisions to give way to unity, we pass major bills that improve the lives of the people we're bound to serve.

This spirit of collaboration and unity shows us a better way forward. A way to cross the bridges that divide rural and urban, rich and poor. A way to truly commit to our shared purpose of guaranteeing that a good life is available to all Coloradans. And we must commit to that vision, now more than ever.

Over the past several decades, Colorado families have been hit hard by a brutal economic reality: everything keeps getting more expensive, but people barely make enough money to keep up.

Rent, housing, childcare, healthcare. The cost of living marches to new heights every year, but paychecks stay the same.

Hundreds of thousands of Coloradans work full-time jobs that pay less than what it takes to keep a family of four out of poverty.

Despite having one of the strongest economies in the country, Colorado spends roughly $2,000 less per K-12 public school student than the national average--lagging behind 37 other states.

The obscene cost of healthcare continues to drive families into debilitating debt when a loved one gets sick or injured--even if they have insurance.

These are just a small sample of the challenges we must face together. The question remains whether or not we can summon the collective courage to put partisanship aside and advance an agenda that improves the lives of the working and middle class.

In years past, we've seen far too many bipartisan bills die along party-line votes in Republican-controlled Senate Committees.

A bipartisan affordable housing bill offering relief from obscenely high housing costs in urban and rural Colorado alike--killed.

A badly-needed transportation bill, which saw collaboration from both parties - died in committee.
Effort after effort to finally expand high-speed broadband Internet to our rural and mountain communities--blocked.

Today, I invite us to look past conventional partisan labels, Democrat, Republican, and Independent, and work to advance a policy agenda that truly serves the working class:

Let's work together to make healthcare available for all.

• Let's create a public option that gives every resident of our state the choice to get affordable care through Health First Colorado.
• Let's legally brand pharmaceutical price gouging as what it is--a deceptive trade practice--and create real consequences for companies that maximize their profits at the expense of access to life saving drugs.
• Let's continue our bipartisan work to confront the opioid crisis by expanding access treatment and addiction counseling, stopping the over-prescription of dangerously addictive pain medications, and fight to keep the cost of behavioral health services as low as possible.

Let's work together to join nearly every other nation on earth in providing paid leave for the people of Colorado. Let's stop forcing parents to choose between being present for some of the most precious moments in their children's lives and putting food on the table. Let's stop forcing workers from going to work with the flu because they have no other option.

As state employees, elected officials like us have the opportunity to earn paid time off. How can we continue to deny the people of Colorado the same opportunity?

Let's work together to ensure the long-term health of PERA, our state retirement program that currently serves 500,000 Coloradans. Let's make sure that we create a long-term, automatically adjusting solution that keeps pace with cost of living and provides peace of mind for our retirees.

Let's make sure every Coloradoan has access to high-speed broadband internet--an absolute necessity for modern life and business.

• Far too many rural and mountain communities across Colorado remain isolated from the growing opportunities offered by broadband services.
• Many students in schools across Colorado are falling behind because of the lack of access to reliable Internet.
• Doctors and nurses and physician assistants cannot serve people who live far from their offices through telemedicine without high-speed internet.
• Ranchers, farmers, and exciting startup programs throughout rural Colorado remain at a disadvantage.
• This year, there is a bipartisan bill to usher in a major expansion of broadband Internet access. Our colleagues are ready, the people are ready. Internet service providers must get with the program this year. Let's make it happen.

On these and so many other issues, we have an opportunity to create a Colorado where the building blocks of a good life are available to everyone, not just a privileged few.

A better world is possible--for all.

We've seen what happens when we set Coloradans up to succeed. We see it in the entrepreneurial spirit that drives our states' businesses. In Colorado's craft beer industry. In specialized outdoor companies like Osprey in Cortez, or Melanzana in Leadville.

We see in women like April Archer, a true entrepreneur who's with us here today. April owns Sarabella Fishing, a company launched in 2014 out of frustration with the lack of fishing equipment tailored to women. Today, April's company produces fishing rods with a variety of weights and grips so that women across the country can enjoy one of her favorite pastimes with their families just as she does with hers.

We envision a world where these success stories are not the exception, but the rule.

Finally, I cannot in good conscience let today pass without speaking to this unique moment in political history. In order to be genuine advocates for the working class, we
must be honest about the root causes of one of the most urgent problems plaguing our society: the ever-widening gulf between the ultra-wealthy and the rest of us.

The truth is that the economic struggles of the middle and working class are not the inevitable outcome of economic forces beyond our control. They are a direct result of a broken system where money buys access and influence for powerful interests at the expense of everybody else.

A political system corrupted by money is at the core of almost every major issue we face.

Elected officials who fail to acknowledge this reality are part of the problem. If we want to solve it, we can start by giving a stronger voice back to the people we serve.

While we can't control what happens at the federal level, we can continue to protect state-level politics here in Colorado from the same fate.

Anti-corruption reform will be at the heart of our agenda in 2018 because we must do everything in our power to build a political system that truly works for the people.

This legislative session, we are introducing a bill that will cap the flow of unlimited money into county and school board elections. And we will fight to require transparency from the moneyed interests pouring millions of dollars into our elections.

To borrow one more quote from Theodore Roosevelt: "If we condone political theft, our civilization itself cannot endure."

We will never stop fighting to protect our political system from corruption. A government that truly represents the people--the very foundation of a free society--cannot exist any other way.

Let me tell you about the vision of a political leader--who is a hero of mine--and day by day becoming the hero of his constituent. He is following through on the challenge of rebuilding a dying community, one of many across Colorado whose community is changed because of the end of long-time business investments. Through his hope, hard work, building community and relationships across the isle, the good senator from Montrose is guiding one of his communities towards a business shift.

He has dared to move the promise of hemp production and has plans for developing the business, which include bringing jobs, training, and a new life to an area long lost--hemp, a new agricultural product in places where old ways have gone by. The vision of a political leader, the hope of a community the promise of jobs for the district, for that, I have taken the personal move towards establishing the hemp award. And this award goes to the great senator from Senate District 6. A true hero who has dared greatly, taken risks, and made sacrifices.

When we were kids, we had no toys to speak of. But we did have a tree to climb. The tree was a chinaberry tree. It had small, but hard green berries. We each choose a limb of the tree that we called our own. We took our pocket knife and carved our name in the limb to secure our very own property right.

We would take some old thin limbs from the tree and some old inner tube rubber and make ourselves some slingshots. While we were above the yard, we would shoot at my daddy's chickens. Some didn't survive. And we had to let our dad believe that, for some odd reason, some of his chickens had heart problems and died on the spot from a heart attack. We loved climbing that tree. My brother climbed almost to the top. As high as he could go without losing his balance. I chose the limb closer to the trunk of the tree. It was a strong limb, and I could sit comfortably for a long time. My brother tried his best to coax me up to his highest limb. He would say, "I can see in Charles Black's back yard. I can see the train coming", and he would say, "come on up and you can see".

His limb was high enough to see above the leaves, and he no doubt had a clear view of things I could not see. But to this day, I don't know if he was really seeing what he said he saw or if he was making it up just to get me to climb where I did not want to climb. We would even climb the tree at night, and he said, "I can see the stars, come on up". Or "I can see the Milky Way from here". I always loved the stars, and I wanted so much to believe him. I wanted to experience what I could not see. To believe in the unknown.

One day, when no one else was around. I climbed to my limb, and on up, up as far as I could go. I secured myself on the spindly limb, looked around, above the tree leaves. And I did not see the train coming down the track, nor could I see in the backyard of Charles Black's yard. But I could see far more than when I sat on my own limb. I could see farther than ever before and did not fall off.
As electeds, we are dared to heed the call to risk the unknown for the promise of
greatness. Not for the greatness of oneself. But for the greatness of a people. The
greatness of our society.

Those of us who have one last session have one last chance to accomplish something else
for colorado.

To those staying and for those preparing to leave. Whether or not we accomplish all of our
goals. We must continue to set the stage for daring to be the best that we can be. There
will be the urge to consider the unknown. Always calling us to go places we’ve not been
before. My advice--climb up there. So that you can know that you did the best you could
to fulfill the promises made to those who elected you--to build an even better Colorado.

Senate reconvened.

On motion of Majority Leader Holbert, and with the unanimous consent of those elected
to the Senate, the words of President Kevin J. Grantham and Minority Leader Lucia
Guzman were ordered spread upon the pages of the journal.

(c) THE COURT SHALL ENSURE THAT THE ALLEGED VICTIM'S OR WITNESS'S CONTACT INFORMATION IS NOT PROVIDED TO THE ACCOUNT HOLDER IN PROCEEDINGS HELD PURSUANT TO THIS SECTION.

(d) THE ORDER MUST BE SENT OR DELIVERED IN PERSON OR ELECTRONICALLY BY THE PROTECTED PARTY TO THE WIRELESS TELEPHONE SERVICE PROVIDER'S REGISTERED AGENT.

(e) A WIRELESS TELEPHONE SERVICE PROVIDER SHALL TERMINATE THE ACCOUNT HOLDER'S USE OF A TELEPHONE NUMBER THAT THE COURT HAS ORDERED TO BE TRANSFERRED TO THE ALLEGED VICTIM OR WITNESS PURSUANT TO THIS SECTION UNLESS THE WIRELESS TELEPHONE SERVICE PROVIDER NOTIFIES THE ALLEGED VICTIM OR WITNESS AND THE COURT WITHIN FIVE BUSINESS DAYS AFTER THE ISSUANCE OF SUCH ORDER EITHER THAT AN ACCOUNT HOLDER NAMED IN THE ORDER HAS TERMINATED THE ACCOUNT OR THAT THE REQUESTED TRANSFER CANNOT BE EFFECTUATED DUE TO DIFFERENCES IN NETWORK TECHNOLOGY THAT PREVENT FUNCTIONALITY OF A DEVICE ON THE NETWORK OR DUE TO GEOGRAPHIC LIMITATIONS ON NETWORK OR SERVICE AVAILABILITY.

(3) A TRANSFER ORDERED PURSUANT TO THIS SECTION DOES NOT PRECLUDE A WIRELESS TELEPHONE SERVICE PROVIDER FROM APPLYING ANY ROUTINE AND CUSTOMARY REQUIREMENTS FOR ACCOUNT ESTABLISHMENT TO THE ALLEGED VICTIM OR WITNESS AS PART OF THE TRANSFER OF FINANCIAL RESPONSIBILITY FOR A WIRELESS TELEPHONE NUMBER OR NUMBERS AND ANY DEVICES ATTACHED TO THE NUMBER OR NUMBERS, INCLUDING, WITHOUT LIMITATION, IDENTIFICATION, FINANCIAL INFORMATION, AND CUSTOMER PREFERENCES.

(4) A WIRELESS TELEPHONE SERVICE PROVIDER IS IMMUNE FROM CIVIL LIABILITY FOR COMPLYING WITH AN ORDER TO TRANSFER A TELEPHONE NUMBER PURSUANT TO THIS SECTION.

(5) THE ISSUANCE OF A PROTECTION ORDER PURSUANT TO THIS SECTION DOES NOT PRECLUDE A COURT FROM ISSUING A PROTECTIVE ORDER IN A CIVIL PROCEEDING.

(6) FOR PURPOSES OF THIS SECTION:

(a) "ACCOUNT HOLDER" MEANS A DEFENDANT WHO:

(I) IS CHARGED WITH AN OFFENSE, THE UNDERLYING BASIS OF WHICH INCLUDES AN ACT OF DOMESTIC VIOLENCE, AS DEFINED IN SECTION 18-6-800.3 (1), OR A CRIME LISTED IN SECTION 24-4.1-302 (1), EXCEPT FOR THOSE CRIMES LISTED IN SUBSECTIONS (1)(cc.5) AND (1)(cc.6) OF THAT SECTION; AND

(II) MAINTAINS AN ACCOUNT WITH A WIRELESS TELEPHONE SERVICE PROVIDER.
(b) "FINANCIAL RESPONSIBILITY" MEANS AN OBLIGATION TO PAY SERVICE FEES AND OTHER COSTS AND CHARGES ASSOCIATED WITH ANY TELEPHONE NUMBER.

(c) "WIRELESS TELEPHONE SERVICE PROVIDER" MEANS A PERSON OR ENTITY THAT PROVIDES OR RESELLS COMMERCIAL MOBILE SERVICE, AS DEFINED IN SECTION 47 U.S.C. SEC. 332 (d)(1).

SECTION 3. In Colorado Revised Statutes, 13-14-104.5, amend (7)(a) as follows:

13-14-104.5. Procedure for temporary civil protection order.
(7) (a) A temporary civil protection order may be issued if the issuing judge or magistrate finds that an imminent danger exists to the person or persons seeking protection under the civil protection order. In determining whether an imminent danger exists to the life or health of one or more persons, the court shall consider all relevant evidence concerning the safety and protection of the persons seeking the protection order. The court shall not deny a petitioner the relief requested because of the length of time between an act of abuse or threat of harm and the filing of the petition for a protection order. THE COURT SHALL NOT DENY A PETITIONER THE RELIEF REQUESTED BECAUSE A PROTECTION ORDER HAS BEEN ISSUED PURSUANT TO SECTION 18-1-1001 OR 18-1-1001.5.

SECTION 4. In Colorado Revised Statutes, 13-14-106, amend (1)(a) as follows:

13-14-106. Procedure for permanent civil protection orders.
(1) (a) On the return date of the citation, or on the day to which the hearing has been continued, the judge or magistrate shall examine the record and the evidence. If upon such examination the judge or magistrate finds by a preponderance of the evidence that the respondent has committed acts constituting grounds for issuance of a civil protection order and that unless restrained will continue to commit such acts or acts designed to intimidate or retaliate against the protected person, the judge or magistrate shall order the temporary civil protection order to be made permanent or enter a permanent civil protection order with provisions different from the temporary civil protection order. A finding of imminent danger to the protected person is not a necessary prerequisite to the issuance of a permanent civil protection order. THE COURT SHALL NOT DENY A PETITIONER THE RELIEF REQUESTED BECAUSE A PROTECTION ORDER HAS BEEN ISSUED PURSUANT TO SECTION 18-1-1001 OR 18-1-1001.5. The judge or magistrate shall inform the respondent that a violation of the civil protection order constitutes a criminal offense pursuant to section 18-6-803.5 C.R.S. or constitutes contempt of court and subjects the respondent to such punishment as may be provided by law. If the respondent fails to appear before the court for the show cause hearing at the time and on the date identified in the citation issued by the court and the court finds that the respondent was properly served with the temporary protection order and such citation, it is not necessary to re-serve the respondent to make the protection order permanent. However, if the court modifies the protection order on the motion of the protected party, the modified protection order must be served upon the respondent.

SECTION 5. Act subject to petition - effective date - applicability. (1) This act takes effect November 1, 2018; except that, if a referendum petition is filed pursuant to section 1 (3) of article V of the state constitution against this act or an item, section, or part of this act within the ninety-day period after final adjournment of the general assembly, then the act, item, section, or part will not take effect unless approved by the people at the general election to be held in November 2018 and, in such case, will take effect on the date of the official declaration of the vote thereon by the governor.

"SECTION 1. Legislative declaration. (1) The general assembly finds and declares that:
(a) Human trafficking is a serious problem in Colorado and across the nation;
(b) Among the diverse populations affected by human trafficking, children and youth, especially homeless and runaway youth, are particularly at risk of being trafficked for sex and involuntary labor;
(c) Children and youth who are forced into involuntary servitude and commercial sexual activity are more properly identified as victims and not as criminals; and
(d) Human trafficking in all forms creates a cycle of violence and impacts victims, families, and communities.

(2) The general assembly further finds and declares that:
(a) As a result of the diverse systems that touch these children's and youth's lives, professionals in the child welfare, law enforcement, treatment, nonprofit, and faith-based communities must collaborate to develop a multidisciplinary approach to protect children and youth who are victims of human trafficking. This multidisciplinary approach needs to emphasize prevention, protection, prosecution, and partnerships.
(b) Protecting children and youth who are victims of human trafficking from further trauma by recognizing them as victims rather than criminals is beneficial for the children and youth involved and therefore in the public interest.

(3) It is therefore the intent of the general assembly to:
(a) Offer pathways that direct victimized children and youth away from juvenile delinquency by making available to those children and youth appropriate and comprehensive rehabilitative services;
(b) Offer protection and provide consistency in the treatment, care, and support of children and youth who are victims of human trafficking so they may continue to heal from the traumatic environment of being trafficked in a restorative justice manner; and
(c) Help create a safe haven for children and youth who are victims of human trafficking to come forward without fear and identify their traffickers and perpetrators.

(4) Now, therefore, the general assembly joins the federal government and other states around the nation in passing legislation to further combat human trafficking and protect children and youth who are victims of human trafficking.

Judiciary

After consideration on the merits, the Committee recommends that **SB18-059** be amended as follows, and as so amended, be referred to the Committee on Appropriations with favorable recommendation.

Amend printed bill, strike everything below the enacting clause and substitute:

**SECTION 1. Legislative declaration.** (1) The general assembly hereby finds and declares that:
   (a) Colorado’s law enforcement, public safety, and criminal justice personnel operate at an information disadvantage that diminishes their safety and increases the likelihood that community members will be engaged improperly;
   (b) Law enforcement personnel interact daily with a wide variety of people, from law-abiding citizens to frequent offenders, all without reliable information to determine who presents a risk and who does not;
   (c) Law enforcement’s information disadvantage can erode public trust when incomplete information leads to improper policing actions. For example, a lack of information can result in an unnecessarily large volume of contacts during an investigation. Also, a lack of information can lead to misinformation that spawns inaccurate BOLO “Be on the Lookout” notices, formerly known as "All Point Bulletins" or APBs.
   (d) This information disadvantage presents issues for law enforcement personnel who are entrusted to uphold public safety while protecting the individual liberties of all people; and
   (e) A major contributing factor to this lack of information is that each agency often has its own independent records-management system.
   (2) Therefore, the general assembly declares that it is necessary to create a statewide information-sharing system for law enforcement, public safety, and criminal justice agencies.

**SECTION 2.** In Colorado Revised Statutes, add 24-33.5-1617 as follows:

24-33.5-1617. Law enforcement, public safety, and criminal justice information-sharing grant program - rules - fund created - repeal. (1) The law enforcement, public safety, and criminal justice information-sharing grant program, referred to within this section as the "grant program", is created within the division. During the 2018-19 fiscal year, the grant program shall award grants, at the discretion of the division, from the fund created in subsection (11) of this section to any state governmental entity, state quasi-governmental entity, or separate legal entity formed by an intergovernmental agreement pursuant to section 29-1-203, 20-1-110, or 20-1-111. (2) (a) Each grantee shall use money received through the grant program for one or more of the following:
   (I) Enhancing, maintaining, operating, or improving any existing statewide law enforcement, public safety, or criminal justice information-sharing system;
   (II) Assisting law enforcement, public safety, and criminal justice agencies in accessing access to the information-sharing system; or
   (III) Increasing communication, interoperability, or data sharing among law enforcement, public safety, and criminal justice agencies.
   (b) In addition to any one of the purposes described in...
SUBSECTION (2)(a) OF THIS SECTION, A GRANTEE MAY USE MONEY RECEIVED THROUGH THE GRANT PROGRAM TO PROVIDE GRANTS TO LAW ENFORCEMENT, PUBLIC SAFETY, AND CRIMINAL JUSTICE AGENCIES THAT WANT TO PARTICIPATE IN THE INFORMATION-SHARING SYSTEM.

(3) NOT LATER THAN NINE MONTHS AFTER THE EFFECTIVE DATE OF THIS SECTION, THE DIVISION SHALL ADMINISTER THE GRANT PROGRAM PURSUANT TO RULES PROMULGATED PURSUANT TO SUBSECTION (4) OF THIS SECTION, AND, SUBJECT TO AVAILABLE APPROPRIATIONS, THE DIVISION SHALL AWARD GRANTS AS PROVIDED IN SUBSECTION (9) OF THIS SECTION.

(5) ANY PERSON WHO IS EMPLOYED BY THE DEPARTMENT AND WHO IS AFFILIATED IN ANY WAY WITH A GRANT APPLICANT IS PROHIBITED FROM PARTICIPATING IN THE ADMINISTRATION OF THE GRANT PROGRAM, INCLUDING BUT NOT LIMITED TO THE EVALUATION OF GRANT APPLICATIONS AND THE AWARDING OF GRANTS.

(6) (a) FOR THE PURPOSES OF SUBSECTION (2)(a) OF THIS SECTION, ANY GRANT APPLICANT INTENDING TO CONTRACT WITH AN INDEPENDENT CONTRACTOR OR VENDOR AS PART OF A GRANT APPLICATION FOR A GRANT OF FIFTY THOUSAND DOLLARS OR MORE MUST FIRST FACILITATE AN OPEN-BID PROCESS THAT INCLUDES:

(I) A PUBLIC NOTICE OR ANNOUNCEMENT FOR SOLICITATION OF PROPOSALS;

(II) THE CRITERIA FOR THE SELECTION OF ANY SUCH CONTRACTOR OR VENDOR; AND

(iii) ADEQUATE TIME FOR ALL INTERESTED PARTIES TO SUBMIT PROPOSALS.

(b) (I) THE DEPARTMENT SHALL ANNOUNCE ON ITS PUBLIC WEBSITE THE AWARDING OF ANY GRANT WITHIN ONE BUSINESS DAY AFTER SUCH AWARD. ANY PARTY MAY CONTEST ANY SUCH AWARD WITHIN FIFTEEN DAYS AFTER THE AWARD ANNOUNCEMENT OR WITHIN FIFTEEN DAYS AFTER THE GRANTEE’S SELECTION OF A CONTRACTOR OR VENDOR, WHICHERSOEVER OCCURS LATER, ON THE GROUNDS THAT THE GRANT APPLICANT’S SELECTION OF A CONTRACTOR OR VENDOR IS ARBITRARY OR CAPRICIOUS BASED UPON THE GRANT APPLICANT’S CRITERIA FOR SELECTING A CONTRACTOR OR VENDOR, AS SUCH CRITERIA APPEARS IN THE GRANT APPLICANT’S GRANT APPLICATION.

(II) THE DEPARTMENT SHALL REVIEW ANY GRANT AWARD THAT IS CONTESTED, AND THE DEPARTMENT SHALL REVOKE THE GRANT IF THE DEPARTMENT FINDS THAT THE GRANT APPLICANT’S SELECTION OF A CONTRACTOR OR VENDOR IS ARBITRARY OR CAPRICIOUS BASED UPON THE GRANT APPLICANT’S CRITERIA FOR SELECTING A CONTRACTOR OR VENDOR, AS SUCH CRITERIA APPEARS IN THE GRANT APPLICANT’S GRANT APPLICATION.

(7) NOTHING IN THIS SECTION INTERFERES WITH OR IMPAIRS ANY CONTRACTUAL OBLIGATIONS TO DEVELOP OR MAINTAIN A STATEWIDE INFORMATION-SHARING SYSTEM, WHICH CONTRACTUAL OBLIGATIONS ARE EXISTING ON THE EFFECTIVE DATE OF THIS SECTION.

(8) TO RECEIVE A GRANT, AN APPLICANT MUST SUBMIT AN APPLICATION TO THE DIVISION IN ACCORDANCE WITH THE RULES PROMULGATED PURSUANT TO SUBSECTION (4) OF THIS SECTION. THE DIVISION SHALL REVIEW ANY APPLICATIONS RECEIVED PURSUANT TO THIS SUBSECTION.

(9) IN DETERMINING TO WHICH APPLICANTS TO AWARD GRANTS, THE DIVISION SHALL CONSIDER:

(a) EACH APPLICANT’S CAPACITY TO SERVE LAW ENFORCEMENT, PUBLIC SAFETY, AND CRIMINAL JUSTICE AGENCIES STATEWIDE; AND

(b) EACH APPLICANT’S ABILITY TO OPERATE AND MAINTAIN A LAW ENFORCEMENT, PUBLIC SAFETY, AND CRIMINAL JUSTICE INFORMATION-SHARING SYSTEM. FOR THE PURPOSE OF THIS SUBSECTION (9)(b), EACH APPLICANT FOR A GRANT SHALL SUBMIT PROOF THAT THE APPLICANT CAN PROVIDE A COHESIVE, COMPREHENSIVE, AND
SUSTAINABLE SYSTEM TO SUPPORT THE CURRENT LAW ENFORCEMENT INFRASTRUCTURE.

(10) EACH GRANTEE SHALL AGREE TO:

(a) SUBMIT TO AN AUDIT BY THE STATE AUDITOR OF ANY USE OF GRANT MONEY RECEIVED FROM THE GRANT PROGRAM; SUCH AN AUDIT IS REQUESTED BY THE GENERAL ASSEMBLY FOR THE PURPOSE OF ENSURING TRANSPARENCY AND ACCOUNTABILITY; AND

(b) REPORT ANNUALLY TO THE DIVISION TO FACILITATE THE DEPARTMENT'S ANNUAL REPORT TO THE COMMITTEES OF REFERENCE, PURSUANT TO SECTION 2-3-703, AND THE DEPARTMENT'S COMMUNICATIONS WITH THE JOINT BUDGET COMMITTEE CONCERNING GRANT MONEY.

(11) (a) THE LAW ENFORCEMENT, PUBLIC SAFETY, AND CRIMINAL JUSTICE INFORMATION-SHARING GRANT PROGRAM FUND, REFERRED TO IN THIS SECTION AS THE "FUND", IS CREATED IN THE STATE TREASURY. THE FUND CONSISTS OF MONEY APPROPRIATED TO THE FUND PURSUANT TO SUBSECTION (11)(e) OF THIS SECTION AND ANY OTHER MONEY THAT THE GENERAL ASSEMBLY MAY APPROPRIATE OR TRANSFER TO THE FUND.

(b) THE STATE TREASURER SHALL CREDIT ALL INTEREST AND INCOME DERIVED FROM THE DEPOSIT AND INVESTMENT OF MONEY IN THE FUND TO THE FUND.

(c) ANY UNEXPENDED AND UNENCUMBERED MONEY REMAINING IN THE FUND AT THE END OF A FISCAL YEAR REMAINS IN THE FUND AND IS NOT CREDITED TO THE GENERAL FUND.

(d) THE STATE TREASURER SHALL TRANSFER ALL UNEXPENDED AND UNENCUMBERED MONEY IN THE FUND ON JULY 1, 2021, TO THE GENERAL FUND.

(e) FOR THE 2018-19 FISCAL YEAR, THE GENERAL ASSEMBLY SHALL APPROPRIATE ONE MILLION NINE HUNDRED THOUSAND DOLLARS TO THE FUND FROM THE MARIJUANA TAX CASH FUND CREATED IN SECTION 39-28.8-501. THE DIVISION MAY EXPEND MONEY FROM THE FUND FOR THE PURPOSE DESCRIBED IN SUBSECTION (1) OF THIS SECTION.

(12) EACH RECIPIENT OF A GRANT FROM THE GRANT PROGRAM IS PROHIBITED FROM SELLING ANY DATA TO ANY PRIVATE PARTY.

(13) NOTHING IN THIS SECTION ALTERS ANY PROVISION OF ARTICLE 72 OF THIS TITLE.

(14) THIS SECTION IS REPEALED, EFFECTIVE JULY 1, 2021.

SECTION 3. In Colorado Revised Statutes, 39-28.8-501, amend (2)(b)(IV)(M) and (2)(b)(IV)(N); and add (2)(b)(IV)(O) as follows:

39-28.8-501. Marijuana tax cash fund - creation - distribution - legislative declaration - repeal. (2) (b) (IV) Subject to the limitation in subsection (5) of this section, the general assembly may annually appropriate any money in the fund for any fiscal year following the fiscal year in which it was received by the state for the following purposes:

(Amended in general orders as printed in Senate journal, March 14, pages 439-441, and March 15, page 450.)

Amendment No. 7(L.041), by Senator Zenzinger,

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Short title. The short title of this act is the "Fix Colorado Roads Act".

SECTION 2. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) Colorado's population is expected to increase to over six million nine hundred thousand by 2030;

(b) Population growth has significantly increased traffic and congestion and will continue to do so in the future, causing longer travel times, increasing air pollution, decreasing Coloradans' access to recreational opportunities, and accelerating the deterioration of Colorado's transportation infrastructure;

(c) The growth of the economy of the state has prompted new and ever-increasing uses of public highways, roads, and other transportation infrastructure, and the existing transportation infrastructure of the state cannot accommodate such greatly increased uses;

(d) In order to preserve and improve Colorado's economic prosperity and quality of life, it is necessary to develop and maintain a modern, efficient, and cost-effective multimodal transportation system that can move people, goods, and information without undue delays or environmental consequences;

(e) One of the major concerns of the citizens of the state is the ability of the state and local governments to address the long-term transportation infrastructure needs of the state that are critical to the continued growth of the state's economy and the maintenance of citizens' quality of life;

(f) The state has significantly decreased its contribution of general state revenues available in recent years to fund critical priority transportation infrastructure needs, and current transportation funding mechanisms do not provide adequate revenue to keep pace with the
increasing demands on transportation infrastructure statewide;

(g) State and regionally economically significant transportation corridors, and their related congestion relief projects, remain unfunded or underfunded while construction costs escalate and congestion worsens;

(h) In 1999, the general assembly and the voters of the state approved Referendum A, which authorized the state to issue transportation revenue anticipation notes to accelerate the funding and completion of twenty-eight strategic transportation projects in significant corridors, including the T-REX project, the highly successful expansion and congestion mitigation project for the Interstate 25 corridor in the Denver metropolitan area;

(i) The success of the 1999 transportation revenue anticipation notes program shows that leveraging existing revenue is a prudent and cost-effective means to accelerate and deliver large-scale and economically significant transportation projects throughout the state;

(j) In 2017, the general assembly enacted Senate Bill 17-267, which:

(I) Requires the state to enter into lease-purchase agreements for state facilities in the amount of three hundred eighty million dollars during the 2018-19 fiscal year and five hundred million dollars during each of the 2019-20, 2020-21, and 2021-22 state fiscal years in order to accelerate the funding of high-priority transportation projects throughout the state; and

(II) Significantly increases the amount of money that the state may retain and spend under its fiscal year spending limit;

(k) While the lease-purchase agreements required by Senate Bill 17-267 will provide some increased funding for transportation, such agreements leverage state capital assets, rather than state revenue, and, to the extent currently authorized, provide less total funding than transportation revenue anticipation notes can;

(l) If the state enters into all of the lease-purchase agreements required by Senate Bill 17-267, the state will be required to spend approximately one hundred fifty million dollars per year, including one hundred million dollars per year from the state general fund and fifty million dollars per year from money under the control of the transportation commission, to repay the lease-purchase agreements;

(m) It is necessary, in order to avoid delaying critical transportation projects that are expected to be funded in part with proceeds of lease-purchase agreements to be issued during the 2018-19 state fiscal year, for the state to enter into lease-purchase agreements as required by Senate Bill 17-267 during the 2018-19 state fiscal year;

(n) It is also necessary, appropriate, and in the best interest of the state to:

(I) Repeal the requirement that the state enter into additional lease-purchase agreements during the 2019-20, 2020-21, and 2021-22 state fiscal years;

(II) If required statewide voter approval can be obtained either at the November 2018 general election for a citizen-initiated ballot measure that authorizes the state to issue transportation revenue anticipation notes as specified in this act, use transportation revenue anticipation notes instead of lease-purchase agreements to finance federal aid transportation projects because doing so will generate a larger amount of up-front revenue for the projects and will enable the state to design and construct the projects more efficiently; and

(III) Use the money that will no longer be needed to repay lease-purchase agreements, as well as a portion of the additional general fund money that the state may retain and spend under its fiscal year spending limit due to the enactment of Senate Bill 17-267, to repay the transportation revenue anticipation notes and provide additional funding for transportation infrastructure projects and maintenance; and

(o) The issuance of new transportation revenue anticipation notes in lieu of the execution of lease-purchase agreements will accelerate the funding and efficient completion of a greater number of specific and designated projects throughout the state that the Colorado department of transportation and the transportation planning regions of the state have determined to be of highest priority and economically significant to the state and the regions in which they will be built.

(2) The general assembly further finds and declares that:

(a) This act does not increase taxes or fees or refer a ballot issue
to the voters of the state seeking their approval to raise taxes or fees;
(b) Private citizens have proposed ballot measures by initiative, one or more of which may be placed on the ballot for the November 2018 general election, which, if approved by the voters of the state, will authorize the state to issue transportation revenue anticipation notes to provide additional funding for transportation infrastructure projects; and
(c) If such a citizen-initiated ballot measure is not placed on the ballot for the November 2018 general election or if the voters reject every such ballot measure that is placed on that ballot, it is necessary and appropriate for the state to refer a ballot issue that authorizes the state to issue transportation revenue anticipation notes to the voters of the state at the November 2019 statewide election as specified in this act.

SECTION 3. In Colorado Revised Statutes, 24-75-219, add (1)(g) and (5) as follows:

24-75-219. Transfers - transportation - capital construction - definitions - repeal. (1) As used in this section, unless the context otherwise requires:

(g) "STATE HIGHWAY FUND" MEANS THE STATE HIGHWAY FUND CREATED IN SECTION 43-1-219.

(5) (a) On June 30, 2019, the state treasurer shall transfer five hundred million dollars from the general fund to the state highway fund for expenditure in accordance with section 43-1-220.5.

(b)(I) Except as otherwise provided in subsection (5)(b)(II) of this section, on June 30, 2020, and on each succeeding June 30 through June 30, 2039, the state treasurer shall transfer two hundred fifty million dollars from the general fund to the state highway fund for expenditure in accordance with section 43-1-220.5.

(II) (A) This subsection (5)(b) is repealed, effective January 1, 2020, if either a ballot issue that authorizes the state to issue transportation revenue anticipation notes is not submitted to the registered electors of the state for their approval or rejection at the November 2019 statewide election pursuant to section 43-4-705 (13)(b) or such a ballot issue is submitted and a majority of the electors voting on the ballot issue vote "No/Against".

(B) This subsection (5)(b)(II) is repealed, effective January 1, 2020, if a ballot issue that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2019 statewide election pursuant to section 43-4-705 (13)(b) and a majority of the electors voting on the ballot issue vote "Yes/Favoring".

SECTION 4. In Colorado Revised Statutes, 24-82-1303, amend (2)(a), (2)(b), and (2)(d)(II); and repeal (1) as follows:

24-82-1303. Lease-purchase agreements for capital construction and transportation projects. (1) On or before December 31, 2017, the state architect, the director of the office of state planning and budgeting or his or her designee, and the state institutions of higher education shall identify and prepare a collaborative list of eligible state facilities that can be collateralized as part of the lease-purchase agreements for capital construction and transportation projects authorized in this part. The total current replacement value of the identified buildings must equal at least two billion dollars.

(2) (a) Notwithstanding the provisions of sections 24-82-102 (1)(b) and 24-82-801, and pursuant to section 24-36-121, no sooner than July 1, 2018, the state, acting by and through the state treasurer, shall execute lease-purchase agreements, each for no more than twenty years of annual payments, for the projects described in subsection (4) of this section. The state shall execute the lease-purchase agreements only in accordance with the following schedule during the 2018-19 state fiscal year in an amount up to five hundred million dollars.

(I) During the 2018-19 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars.

(II) During the 2019-20 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars.

(III) During the 2020-21 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars; and
(IV) During the 2021-22 fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars:

(b) The anticipated annual state-funded payments for the principal and interest components of the amount payable under all lease-purchase agreements entered into pursuant to subsection (2)(a) of this section shall not exceed one hundred thirty-seven million five hundred thousand dollars.

(d) Any lease-purchase agreement executed as required by subsection (2)(a) of this section shall provide that all of the obligations of the state under the agreement are subject to the action of the general assembly in annually making money available for all payments thereunder. Payments under any lease-purchase agreement must be made, subject to annual allocation pursuant to section 43-1-113 by the transportation commission created in section 43-1-106 (1) or subject to annual appropriation by the general assembly, as applicable, from the following sources of money:

(a) Next, fifty percent of the general fund money annually, or any lesser amount that is sufficient to make each full payment due, shall be paid from any legally available money under the control of the transportation commission solely for the purpose of allowing the construction, supervision, and maintenance of state highways to be funded with the proceeds of lease-purchase agreements as specified in subsection (4)(b) of this section and section 43-4-206 (1)(b)(V); and

SECTION 5. In Colorado Revised Statutes, add 43-1-220.5 as follows:

43-1-220.5. State highway fund - use of money transferred from general fund - repayment of transportation revenue anticipation notes - repeal. (1) Except as otherwise provided in subsections (2) and (3) of this section, the department of transportation shall expend money transferred from the general fund to the state highway fund pursuant to section 24-75-219 (5) only for qualified federal aid transportation projects that are included in the strategic transportation project investment program of the department of transportation and that are designated for tier I funding as ten-year development program projects on the department's development program project list, with at least twenty-five percent of the general fund money being used for projects that are located in counties with populations of fifty thousand or less as of July 2015 as reported by the state demography office of the department of local affairs; except that such general fund money may also be expended for maintenance of expanded state highway system. No more than ninety percent of the general fund money shall be expended for highway purposes or highway-related capital improvements, and at least ten percent of the general fund money shall be expended for transit purposes or for transit-related capital improvements.

(2) (a) If a ballot issue initiated by private citizens that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2018 general election and a majority of the electors voting on the ballot issue vote "Yes/For", the department shall expend money transferred from the general fund to the state highway fund pursuant to section 24-75-219 (5) first, to the extent needed, for maintenance of the transportation infrastructure projects financed by the notes and thereafter exclusively for maintenance of the state highway system.

(b) (I) This subsection (2) is repealed, effective January 1, 2019, if either:

(A) A ballot issue initiated by private citizens that authorizes the state to issue transportation revenue anticipation notes to finance the construction of transportation infrastructure projects is not submitted to the registered electors of the state for their approval or rejection at the November 2018 general election; or

(B) Such a ballot issue is submitted and a majority of the electors voting on the ballot issue vote "No/Against".

(II) This subsection (2)(b) is repealed, effective January 1, 2019, if a ballot issue initiated by private citizens that...
AUTHORIZES THE STATE TO ISSUE TRANSPORTATION REVENUE ANTICIPATION NOTES IS SUBMITTED TO THE REGISTERED ELECTORS OF THE STATE FOR THEIR APPROVAL OR REJECTION AT THE NOVEMBER 2018 GENERAL ELECTION AND A MAJORITY OF THE ELECTORS VOTING ON THE BALLOT ISSUE VOTE "Yes/For".

(3)(a) If a ballot issue that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2019 statewide election pursuant to section 43-4-705 (13)(b) and a majority of the electors voting on the ballot issue vote "Yes/For", the department shall expend money transferred from the general fund to the state highway fund pursuant to section 24-75-219 (5) first, to the extent needed, to make the full amount of payments due on the notes and thereafter exclusively for maintenance of the state highway system.

(b)(I) This subsection (3) is repealed:
(A) Effective January 1, 2019, if a ballot issue initiated by private citizens that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2018 general election and a majority of the electors voting on the ballot issue vote "Yes/For";
(B) Effective January 1, 2020, if a ballot issue that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2019 statewide election pursuant to section 43-4-705 (13)(b) and a majority of the electors voting on the ballot issue vote "No/Against".

(II) This subsection (3)(b) is repealed, effective January 1, 2020, if a ballot issue that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2019 statewide election pursuant to section 43-4-705 (13)(b) and a majority of the electors voting on the ballot issue vote "Yes/For".

(2) The general assembly intends that this part 14 authorize authorizes the department of transportation to enter into design-build contracts and to use an adjusted score design-build selection and procurement process for particular transportation projects regardless of the minimum or maximum cost of such projects, based on the individual needs and merits of such projects, and subject to approval by the transportation commission. The general assembly also intends that the department's use of an adjusted score design-build contract process shall does not prohibit use of the low bid process currently used by the department pursuant to part 1 of article 92 of title 24 and part 14 of article 30 of title 24. C.R.S. The general assembly further intends that when determining whether to use the low bid process or the design-build process to contract for a project, the department strongly consider the extent to which use of the design-build process is likely, by excluding contractors that lack the capability or size to do both the design and construction work for the project, to reduce competition in bidding for the contract, increase the total costs to the state of designing and building the project, or both.

SECTION 7. In Colorado Revised Statutes, 43-4-206, amend (1) introductory portion, (2)(b) introductory portion, (2)(b)(III), and (2)(b)(IV) as follows:

The department shall present the report at the joint meeting required under section 43-1-113 (9)(a), and the report shall describe for each fiscal year, if applicable:

(III) The projected amounts of revenue and net proceeds that the department expects to receive under this subsection (2), and subsection (1)(b)(V) of this section section 24-75-219 (5), and section 24-82-1303 (4)(b) during the fiscal year;

(IV) The amount of revenue and net proceeds that the department has already received under this subsection (2), and subsection (1)(b)(V) of this section section 24-75-219 (5), and section 24-82-1303 (4)(b) during the fiscal year; and

SECTION 8. In Colorado Revised Statutes, 43-4-702, repeal (7); and add (9) as follows:

43-4-702. Definitions. As used in this part 7, unless the context otherwise requires:

(7) "Revenue anticipation notes" or "notes" means revenue anticipation notes authorized by and issued in accordance with this part 7.

SECTION 10. In Colorado Revised Statutes, amend 43-4-714 as follows:

43-4-714. Priority of strategic transportation project investment program - additional contract award process requirements - use of note proceeds - repeal. (1) If the executive director issues any revenue anticipation notes in accordance with the provisions of this part 7, the proceeds from the sale of such notes that are not otherwise pledged for the payment of such notes shall be used for the qualified federal aid transportation projects included in the strategic transportation project investment program of the department of transportation.

(2) (a) IN ADDITION TO THE REQUIREMENT SPECIFIED IN SUBSECTION (1) OF THIS SECTION, NET PROCEEDS FROM THE SALE OF ANY TRANSPORTATION REVENUE ANTICIPATION NOTES THAT THE EXECUTIVE DIRECTOR ISSUES PURSUANT TO SECTION 43-4-705 (13)(b) THAT ARE NOT OTHERWISE PLEDGED FOR THE PAYMENT OF THE NOTES SHALL BE CREDITED TO THE STATE HIGHWAY FUND AND EXPENDED BY THE DEPARTMENT ONLY FOR QUALIFIED FEDERAL AID TRANSPORTATION PROJECTS THAT ARE INCLUDED IN THE STRATEGIC TRANSPORTATION PROJECT INVESTMENT PROGRAM OF THE DEPARTMENT OF TRANSPORTATION AND THAT ARE DESIGNATED FOR TIER 1 FUNDING AS TEN-YEAR DEVELOPMENT PROGRAM PROJECTS ON THE DEPARTMENT'S DEVELOPMENT PROGRAM PROJECT LIST, WITH AT LEAST TWENTY-FIVE PERCENT OF THE NET PROCEEDS OF TRANSPORTATION REVENUE ANTICIPATION NOTES BEING USED FOR PROJECTS THAT ARE LOCATED IN COUNTIES WITH POPULATIONS OF FIFTY THOUSAND OR LESS AS OF JULY 2015 AS REPORTED BY THE STATE DEMOGRAPHY OFFICE OF THE DEPARTMENT OF LOCAL AFFAIRS. NO MORE THAN NINETY PERCENT OF THE NET PROCEEDS OF TRANSPORTATION REVENUE ANTICIPATION NOTES SHALL BE EXPENDED FOR HIGHWAY PURPOSES OR HIGHWAY-RELATED CAPITAL IMPROVEMENTS, AND AT LEAST TEN PERCENT OF THE NET PROCEEDS SHALL BE EXPENDED FOR TRANSIT PURPOSES OR FOR TRANSIT-RELATED CAPITAL IMPROVEMENTS, INCLUDING SOUND WALLS ALONG INTERSTATE HIGHWAYS.

(b) (I) THIS SUBSECTION (2) IS REPEALED:

(A) Effective January 1, 2019, if a ballot issue initiated by private citizens that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection

AMENDMENTS TO THE REPORT OF THE COMMITTEE OF THE WHOLE

SB18-001 by Senator(s) Baumgardner and Cooke, Coram, Crowder, Gardner, Grantham, Hill, Holbert, Lambert, Lundberg, Marble, Neville T., Scott, Sonnenberg, Tate; also Representative(s) Buck, Leonard--Concerning transportation infrastructure funding, and, in connection therewith, requiring the transportation commission to submit a ballot question to the voters of the state at the November 2018 general election, which, if approved, would authorize the state, with no increase in any taxes, to issue additional transportation revenue anticipation notes for the purpose of addressing critical priority transportation needs in the state by funding transportation projects; would exclude note proceeds and investment earnings on note proceeds from state fiscal year spending limits; would repeal an existing requirement that the state treasurer execute lease-purchase agreements for the purpose of funding transportation projects; and would require ten percent of state sales and use tax net revenue to be credited to the state highway fund for the purpose of repaying any notes issued and funding transportation projects.

Senator Neville moved to amend the Report of the Committee of the Whole to show that the following Zenzinger floor amendment, (L.041) to SB 18-001, did not pass.

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Short title. The short title of this act is the "Fix Colorado Roads Act".

SECTION 2. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) Colorado's population is expected to increase to over six million nine hundred thousand by 2030;

(b) Population growth has significantly increased traffic and congestion and will continue to do so in the future, causing longer travel times, increasing air pollution, decreasing Coloradans' access to recreational opportunities, and accelerating the deterioration of Colorado's transportation infrastructure;

(c) The growth of the economy of the state has prompted new and ever-increasing uses of public highways, roads, and other transportation infrastructure, and the existing transportation infrastructure of the state cannot accommodate such greatly increased uses;

(d) In order to preserve and improve Colorado's economic prosperity and quality of life, it is necessary to develop and maintain a modern, efficient, and cost-effective multimodal transportation system that can move people, goods, and information without undue delays or environmental consequences;

(e) One of the major concerns of the citizens of the state is the ability of the state and local governments to address the long-term transportation infrastructure needs of the state that are critical to the continued growth of the state's economy and the maintenance of citizens' quality of life;

(f) The state has significantly decreased its contribution of general state revenues available in recent years to fund critical priority transportation infrastructure needs, and current transportation funding mechanisms do not provide adequate revenue to keep pace with the increasing demands on transportation infrastructure statewide;

(g) State and regional economically significant transportation corridors, and their related congestion relief projects, remain unfunded or underfunded while construction costs escalate and congestion worsens;

(h) In 1999, the general assembly and the voters of the state approved Referendum A, which authorized the state to issue transportation revenue anticipation notes to accelerate the funding and completion of twenty-eight strategic transportation projects in significant corridors, including the T-REX project, the highly successful expansion and congestion mitigation project for the Interstate 25 corridor in the Denver metropolitan area;

(i) The success of the 1999 transportation revenue anticipation notes program shows that leveraging existing revenue is a prudent and cost-effective means to accelerate and deliver large-scale and economically significant transportation projects throughout the state;

(j) In 2017, the general assembly enacted Senate Bill 17-267, which:

(l) Requires the state to enter into lease-purchase agreements for state facilities in the amount of three hundred eighty million dollars during the 2018-19 fiscal year and five hundred million dollars during each of the 2019-20, 2020-21, and 2021-22 state fiscal years in order to..."
accelerate the funding of high-priority transportation projects throughout
the state; and

(II) Significantly increases the amount of money that the state
may retain and spend under its fiscal year spending limit;

(k) While the lease-purchase agreements required by Senate Bill
17-267 will provide some increased funding for transportation, such
agreements leverage state capital assets, rather than state revenue, and,
to the extent currently authorized, provide less total funding than
transportation revenue anticipation notes can;

(l) If the state enters into all of the lease-purchase agreements
required by Senate Bill 17-267, the state will be required to spend
approximately one hundred fifty million dollars per year, including one
hundred million dollars per year from the state general fund and fifty
million dollars per year from money under the control of the
transportation commission, to repay the lease-purchase agreements;

(m) It is necessary, in order to avoid delaying critical
transportation projects that are expected to be funded in part with
proceeds of lease-purchase agreements to be issued during the 2018-19
state fiscal year, for the state to enter into lease-purchase agreements as
required by Senate Bill 17-267 during the 2018-19 state fiscal year;

(n) It is also necessary, appropriate, and in the best interest of the
state to:

(I) Repeal the requirement that the state enter into additional
lease-purchase agreements during the 2019-20, 2020-21, and 2021-22
state fiscal years;

(II) If required statewide voter approval can be obtained either at
the November 2018 general election for a citizen-initiated ballot measure
that authorizes the state to issue transportation revenue notes or at the
November 2019 statewide election for a ballot issue submitted by the
state that authorizes the state to issue transportation revenue anticipation
notes as specified in this act, use transportation revenue anticipation
notes instead of lease-purchase agreements to finance federal aid
transportation projects because doing so will generate a larger amount of
up-front revenue for the projects and will enable the state to design and
construct the projects more efficiently; and

(III) Use the money that will no longer be needed to repay
lease-purchase agreements, as well as a portion of the additional general
fund money that the state may retain and spend under its fiscal year
spending limit due to the enactment of Senate Bill 17-267, to repay the
transportation revenue anticipation notes and provide additional funding
for transportation infrastructure projects and maintenance; and

(o) The issuance of new transportation revenue anticipation notes
in lieu of the execution of lease-purchase agreements will accelerate the
funding and efficient completion of a greater number of specific and
designated projects throughout the state that the Colorado department of
transportation and the transportation planning regions of the state have
determined to be of highest priority and economically significant to the
state and the regions in which they will be built.

(2) The general assembly further finds and declares that:

(a) This act does not increase taxes or fees or refer a ballot issue
to the voters of the state seeking their approval to raise taxes or fees;

(b) Private citizens have proposed ballot measures by initiative, one or more of which may be placed on the ballot for the November 2018
general election, which, if approved by the voters of the state, will
authorize the state to issue transportation revenue anticipation notes to
provide additional funding for transportation infrastructure projects; and

(c) If such a citizen-initiated ballot measure is not placed on the
ballot for the November 2018 general election or if the voters reject
every such ballot measure that is placed on that ballot, it is necessary and
appropriate for the state to refer a ballot issue that authorizes the state to
issue transportation revenue anticipation notes to the voters of the state
at the November 2019 statewide election as specified in this act.

SECTION 3. In Colorado Revised Statutes, 24-75-219, add

(1)(g) and (5) as follows:

24-75-219. Transfers - transportation - capital construction
- definitions - repeal. (1) As used in this section, unless the context
otherwise requires:

(g) "STATE HIGHWAY FUND" MEANS THE STATE HIGHWAY FUND
CREATED IN SECTION 43-1-219.

(5) (a) ON JUNE 30, 2019, THE STATE TREASURER SHALL
TRANSFER FIVE HUNDRED MILLION DOLLARS FROM THE GENERAL FUND TO
THE STATE HIGHWAY FUND FOR EXPENDITURE IN ACCORDANCE WITH
SECTION 43-1-220.5.

(b)(I) Except as otherwise provided in subsection (5)(b)(II) of this section, on June 30, 2020, and on each succeeding June 30 through June 30, 2039, the state treasurer shall transfer two hundred fifty million dollars from the general fund to the State Highway Fund for expenditure in accordance with section 43-1-220.5.

(II) (A) This subsection (5)(b) is repealed, effective January 1, 2020, if either a ballot issue that authorizes the state to issue transportation revenue anticipation notes is not submitted to the registered electors of the state for their approval or rejection at the November 2019 statewide election pursuant to section 43-4-705 (13)(b) or such a ballot issue is submitted and a majority of the electors voting on the ballot issue vote "No/Against".

(B) This subsection (5)(b)(II) is repealed, effective January 1, 2020, if a ballot issue that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2019 statewide election pursuant to section 43-4-705 (13)(b) and a majority of the electors voting on the ballot issue vote "Yes/For".

SECTION 4. In Colorado Revised Statutes, 24-82-1303, amend (2)(a), (2)(b), and (2)(d)(II); and repeal (1) as follows:

24-82-1303. Lease-purchase agreements for capital construction and transportation projects. (1) On or before December 31, 2017, the state architect, the director of the office of state planning and budgeting or his or her designee, and the state institutions of higher education shall identify and prepare a collaborative list of eligible state facilities that can be collateralized as part of the lease-purchase agreements for capital construction and transportation projects authorized in this part 13. The total current replacement value of the identified buildings must equal at least two billion dollars.

(2)(a) Notwithstanding the provisions of sections 24-82-102 (1)(b) and 24-82-801, and pursuant to section 24-36-121, no sooner than July 1, 2018, the state, acting by and through the state treasurer, shall execute lease-purchase agreements, each for no more than twenty years of annual payments, for the projects described in subsection (4) of this section. The state shall execute the lease-purchase agreements only in accordance with the following schedule: During the 2018-19 state fiscal year in an amount up to five hundred million dollars.

(I) During the 2018-19 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars;

(II) During the 2019-20 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars;

(III) During the 2020-21 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars; and

(IV) During the 2021-22 fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars.

(b) The anticipated annual state-funded payments for the principal and interest components of the amount payable under all lease-purchase agreements entered into pursuant to subsection (2)(a) of this section shall not exceed one hundred fifty million dollars.

(d) Any lease-purchase agreement executed as required by subsection (2)(a) of this section shall provide that all of the obligations of the state under the agreement are subject to the action of the general assembly in annually making money available for all payments thereunder. Payments under any lease-purchase agreement must be made, subject to annual allocation pursuant to section 43-1-113 by the transportation commission created in section 43-1-106 (1) or subject to annual appropriation by the general assembly, as applicable, from the following sources of money:

(1) Next, fifty million one hundred thousand dollars annually, or any lesser amount that is sufficient to make each full payment due, shall be paid from any legally available money under the control of the transportation commission solely for the purpose of allowing the construction, supervision, and maintenance of state
highways to be funded with the proceeds of lease-purchase agreements as specified in subsection (4)(b) of this section and section 43-4-206 (1)(b)(V); and

SECTION 5. In Colorado Revised Statutes, add 43-1-220.5 as follows:

43-1-220.5. State highway fund - use of money transferred from general fund - repayment of transportation revenue anticipation notes - repeal. (1) Except as otherwise provided in subsections (2) and (3) of this section, the department of transportation shall expend money transferred from the general fund to the state highway fund pursuant to section 24-75-219 (5) only for qualified federal aid transportation projects that are included in the strategic transportation project investment program of the department of transportation and that are designated for tier 1 funding as ten-year development program projects on the department's development program project list, with at least twenty-five percent of the general fund money being used for projects that are located in counties with populations of fifty thousand or less as of July 2015 as reported by the state demography office of the department of local affairs; except that such general fund money may also be expended for maintenance of the state highway system. No more than ninety percent of the general fund money shall be expended for highway purposes or highway-related capital improvements, and at least ten percent of the general fund money shall be expended for transportation and transit purposes or for transit-related capital expenditures.

(2) (a) If a ballot issue initiated by private citizens that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2018 general election, and a majority of the electors voting on the ballot issue vote "Yes/For", the department shall expend money transferred from the general fund to the state highway fund pursuant to section 24-75-219 (5) first, to the extent needed, for maintenance of the transportation infrastructure projects financed by the notes and thereafter exclusively for maintenance of the state highway system.

(b) (i) This subsection (2) is repealed, effective January 1, 2019, if either:

(A) A ballot issue initiated by private citizens that authorizes the state to issue transportation revenue anticipation notes to finance the construction of transportation infrastructure projects is not submitted to the registered electors of the state for their approval or rejection at the November 2018 general election; or

(B) Such a ballot issue is submitted and a majority of the electors voting on the ballot issue vote "No/Against".

(ii) This subsection (2)(b) is repealed, effective January 1, 2019, if a ballot issue initiated by private citizens that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2018 general election and a majority of the electors voting on the ballot issue vote "Yes/For".

(3) (a) If a ballot issue that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2019 statewide election pursuant to section 43-4-705 (13)(b) and a majority of the electors voting on the ballot issue vote "Yes/For", the department shall expend money transferred from the general fund to the state highway fund pursuant to section 24-75-219 (5) first, to the extent needed, to make the full amount of payments due on the notes and thereafter exclusively for maintenance of the state highway system.

(b) (i) This subsection (3) is repealed:  

(A) Effective January 1, 2019, if a ballot issue initiated by private citizens that authorizes the state to issue transportation revenue anticipation notes is submitted to the registered electors of the state for their approval or rejection at the November 2018 general election and a majority of the
ELECTORS VOTING ON THE BALLOT ISSUE VOTE "YES/FOR":

(B) EFFECTIVE JANUARY 1, 2020, IF A BALLOT ISSUE THAT AUTHORIZES THE STATE TO ISSUE TRANSPORTATION REVENUE ANTICIPATION NOTES IS SUBMITTED TO THE REGISTERED ELECTORS OF THE STATE FOR THEIR APPROVAL OR REJECTION AT THE NOVEMBER 2019 STATEWIDE ELECTION PURSUANT TO SECTION 43-4-705 (13)(b) AND A MAJORITY OF THE ELECTORS VOTING ON THE BALLOT ISSUE VOTE "NO/AGAINST".

(II) THIS SUBSECTION (3)(b) IS REPEALED, EFFECTIVE JANUARY 1, 2020, IF A BALLOT ISSUE THAT AUTHORIZES THE STATE TO ISSUE TRANSPORTATION REVENUE ANTICIPATION NOTES IS SUBMITTED TO THE REGISTERED ELECTORS OF THE STATE FOR THEIR APPROVAL OR REJECTION AT THE NOVEMBER 2019 STATEWIDE ELECTION PURSUANT TO SECTION 43-4-705 (13)(b) AND A MAJORITY OF THE ELECTORS VOTING ON THE BALLOT ISSUE VOTE "YES/FOR".

SECTION 6. In Colorado Revised Statutes, 43-1-1401, amend (2) as follows:

43-1-1401. Legislative declaration. (2) The general assembly intends that this part 14 authorize the department of transportation to enter into design-build contracts and to use an adjusted score design-build selection and procurement process for particular transportation projects regardless of the minimum or maximum cost of such projects, based on the individual needs and merits of such projects, and subject to approval by the transportation commission. The general assembly also intends that the department's use of an adjusted score design-build contract process does not prohibit the use of the low bid process currently used by the department pursuant to part 1 of article 92 of title 24 and part 14 of article 30 of title 24. C.R.S. The general assembly further intends that when determining whether to use the low bid process or the design-build process to contract for a project, the department strongly consider the extent to which use of the design-build process is likely, by excluding contractors that lack the capability or size to do both the design and construction work for the project, to reduce competition in bidding for the contract, increase the total costs to the state of designing and building the project, or both.

SECTION 7. In Colorado Revised Statutes, 43-4-206, amend (1) introductory portion, (2)(b) introductory portion, (2)(b)(III), and (2)(b)(IV) as follows:

43-4-206. State allocation. (1) Except as otherwise provided in subsections (1)(a)(V), (1)(b)(V), (2), and (3) of this section, after paying the costs of the Colorado state patrol and any other costs of the transportation projects pursuant to section 43-1-220.5, any state general fund money that is credited to the state highway fund and expended for the following purposes:

(2) (b) Beginning in 1998, the department of transportation shall report annually to the transportation committee of the senate and the transportation and energy committee of the house of representatives concerning the revenue expended by the department pursuant to subsection (2)(a) of this section and, beginning in 2018, any state general fund money that is credited to the state highway fund pursuant to section 24-75-219 (5) and expended by the department pursuant to section 43-1-220.5, and any net proceeds of lease-purchase agreements executed as required by section 24-82-1303 (2)(a) that are credited to the state highway fund pursuant to section 24-82-1303 (4)(b) and expended by the department pursuant to subsection (1)(b)(V) of this section. The department shall present the report at the joint meeting required under section 43-1-113 (9)(a), and the report shall describe for each fiscal year, if applicable:

(III) The projected amounts of revenue and net proceeds that the department expects to receive under this subsection (2), and subsection (1)(b)(V) of this section section 24-75-219 (5), and section 24-82-1303 (4)(b) during the fiscal year;

(IV) The amount of revenue and net proceeds that the department has already received under this subsection (2), and subsection (1)(b)(V) of this section section 24-75-219 (5), and section 24-82-1303 (4)(b) during the fiscal year; and

SECTION 8. In Colorado Revised Statutes, 43-4-702, repeal (7); and add (9) as follows:

43-4-702. Definitions. As used in this part 7, unless the context otherwise requires:

...
Senate Journal-71st Day-March 21, 2018 Page 503

7. “Revenue anticipation notes” or "notes" means revenue anticipation notes authorized by and issued in accordance with this part 7.

9. "Transportation revenue anticipation notes", "revenue anticipation notes", or "notes" means revenue anticipation notes authorized by and issued in accordance with this part 7.

SECTION 9. In Colorado Revised Statutes, 43-4-705, amend (13) as follows:

43-4-705. Revenue anticipation notes - repeal.

(13) (a) Notwithstanding any other provision of this part 7 to the contrary, the executive director shall have the authority to issue revenue anticipation notes pursuant to this part 7 only if voters statewide approve the ballot question submitted at the November 1999 statewide election pursuant to section 43-4-703 (1) and only then to the extent allowed under the maximum amounts of debt and repayment cost so approved.

(b) (I) Subject to voter approval of the ballot issue submitted at the November 2019 general election pursuant to subsection (13)(b)(III) of this section and the repayment funding commitment requirement specified in subsection (13)(b)(II) of this section, the executive director shall issue additional transportation revenue anticipation notes in a maximum amount of three billion five hundred million dollars and with a maximum repayment cost of five billion dollars. The maximum repayment term for any notes issued pursuant to this subsection (13)(b) is twenty years, and the certificate, trust indenture, or other instrument authorizing their issuance shall provide that the state may pay the notes in full before the end of the specified payment term without penalty.

(II) Notwithstanding section 43-1-113 (19) and subsection (12)(a) of this section, before issuing any revenue anticipation notes as authorized by subsection (13)(b)(I) of this section, the transportation commission shall adopt a resolution pledging to annually allocate from legally available money under its control any amount needed for payment of the notes until the notes are fully repaid.

(III) The secretary of state shall submit to the registered electors of the state for their approval or rejection at the November 2019 statewide election the following ballot issue: "Shall state of Colorado debt be increased up to $3,500,000,000, with a maximum repayment cost of $5,500,000,000, through the issuance of transportation revenue anticipation notes for the purpose of addressing critical priority transportation needs in the state by financing transportation projects, shall the notes and investment earnings on note proceeds be excluded from state fiscal year spending limits, and shall the amount of lease-purchase agreements required by current law to be issued for the purpose of financing transportation projects be reduced?"

(IV) Within forty-five days of the effective date of this subsection (13)(b)(IV), the department shall provide to the director of research of the legislative council the most recent available list of qualified federal aid transportation projects, including multimodal capital projects, that are designated for tier I funding as ten-year development program projects on the department's 2019 development program project list and that the department will fund with proceeds of any transportation revenue anticipation notes issued as authorized by this subsection (13)(b). Senator Cooke moved to amend the Report of the Committee of the Whole to show that the following Cooke floor amendment, (L.045) to SB 18-001, did pass.

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Short title. The short title of this act is the "Fix Colorado Roads Act".

SECTION 2. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) Colorado's population is expected to increase to over six million nine hundred thousand by 2030;

(b) Population growth has significantly increased traffic and congestion and will continue to do so in the future, causing longer travel times, increasing air pollution, decreasing Coloradans' access to recreational opportunities, and accelerating the deterioration of Colorado's transportation infrastructure;

(c) The growth of the economy of the state has prompted new and ever-increasing uses of public highways, roads, and other transportation infrastructure, and the existing transportation infrastructure of the state cannot accommodate such greatly increased uses;

(d) In order to preserve and improve Colorado's economic prosperity and quality of life, it is necessary to develop and maintain a modern, efficient, and cost-effective multimodal transportation system that can move people, goods, and information without undue delays or environmental consequences;

(e) One of the major concerns of the citizens of the state is the ability of the state and local governments to address the long-term transportation infrastructure needs of the state that are critical to the continued growth of the state's economy and the maintenance of citizens' quality of life;

(f) The state has significantly decreased its contribution of general state revenues available in recent years to fund critical priority
transportation infrastructure needs, and current transportation funding
tools do not provide adequate revenue to keep pace with the
increasing demands on transportation infrastructure statewide;

(g) State and regional economically significant transportation
corridors, and their related congestion relief projects, remain unfunded
or underfunded while construction costs escalate and congestion
worsens;

(h) In 1999, the general assembly and the voters of the state
approved Referendum A, which authorized the state to issue
transportation revenue anticipation notes to accelerate the funding and
completion of twenty-eight strategic transportation projects in significant
corridors, including the T-REX project, the highly successful expansion
and congestion mitigation project for the Interstate 25 corridor in the
Denver metropolitan area;

(i) The success of the 1999 transportation revenue anticipation
notes program shows that leveraging existing revenue is a prudent and
cost-effective means to accelerate and deliver large-scale and
economically significant transportation projects throughout the state;

(j) In 2017, the general assembly enacted Senate Bill 17-267, which:

(I) Requires the state to enter into lease-purchase agreements for
state facilities in the amount of three hundred eighty million dollars
during the 2018-19 fiscal year and five hundred million dollars during
each of the 2019-20, 2020-21, and 2021-22 state fiscal years in order to
accelerate the funding of high-priority transportation projects throughout
the state; and

(II) Significantly increases the amount of money that the state
may retain and spend under its fiscal year spending limit;

(k) While the lease-purchase agreements required by Senate Bill
17-267 will provide some increased funding for transportation, such
agreements leverage state capital assets, rather than state revenue, and,
to the extent currently authorized, provide less total funding than
transportation revenue anticipation notes can;

(l) If the state enters into all of the lease-purchase agreements
required by Senate Bill 17-267, the state will be required to spend
approximately one hundred fifty million dollars per year, including one
hundred million dollars per year from the state general fund and fifty
million dollars per year from money under the control of the
transportation commission, to repay the lease-purchase agreements;

(m) It is necessary, in order to avoid delaying critical
transportation projects that are expected to be funded in part with
proceeds of lease-purchase agreements to be issued during the 2018-19
state fiscal year, for the state to enter into lease-purchase agreements as
required by Senate Bill 17-267 during the 2018-19 state fiscal year;

(n) It is also necessary, appropriate, and in the best interest of the
state to:

(I) Repeal the requirement that the state enter into additional
lease-purchase agreements during the 2019-20, 2020-21, and 2021-22
state fiscal years;

(II) If required statewide voter approval can be obtained at the
November 2018 general election for the ballot issue submitted by the
state that authorizes the state to issue transportation revenue anticipation
notes instead of lease-purchase agreements to finance federal aid
transportation projects because doing so will generate a larger amount of
up-front revenue for the projects and will enable the state to design and
construct the projects more efficiently; and

(III) Use the money that will no longer be needed to repay
lease-purchase agreements, as well as a portion of the additional general
fund money that the state may retain and spend under its fiscal year
spending limit due to the enactment of Senate Bill 17-267, to repay the
transportation revenue anticipation notes and provide additional funding
for transportation infrastructure projects and maintenance; and

(o) The issuance of new transportation revenue anticipation notes
in lieu of the execution of lease-purchase agreements will accelerate the
funding and efficient completion of a greater number of specific and
designated projects throughout the state that the Colorado department of
transportation and the transportation planning regions of the state have
determined to be of highest priority and economically significant to the
state and the regions in which they will be built.

SECTION 3. In Colorado Revised Statutes, 24-75-219, add
(1)(g) and (5) as follows:
24-75-219. Transfers - transportation - capital construction - definitions - repeal. (1) As used in this section, unless the context otherwise requires:

(5) (a) On June 30, 2019, the State Treasurer shall transfer five hundred million dollars from the General Fund to the State Highway Fund for expenditure in accordance with section 43-1-220.5.

(b) On each succeeding June 30 through June 30, 2039, the State Treasurer shall transfer two hundred fifty million dollars from the General Fund to the State Highway Fund for expenditure in accordance with section 43-1-220.5.

The total current replacement value of the identified buildings must equal at least two billion dollars.

(2) (a) Notwithstanding the provisions of sections 24-82-102 (1)(b) and 24-82-801, and pursuant to section 24-36-121, no sooner than July 1, 2018, the state, acting by and through the state treasurer, shall execute lease-purchase agreements, each for no more than twenty years of annual payments, for the projects described in subsection (4) of this section. The state shall execute the lease-purchase agreements only in accordance with the following schedule:

(I) During the 2018-19 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars;

(II) During the 2019-20 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars;

(IV) During the 2021-22 fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars.

(b) The anticipated annual state-funded payments for the principal and interest components of the amount payable under all lease-purchase agreements entered into pursuant to subsection (2)(a) of this section shall not exceed one hundred fifty million dollars.

(d) Any lease-purchase agreement executed as required by subsection (2)(a) of this section shall provide that all of the obligations of the state under the agreement are subject to the action of the general assembly in annually making money available for all payments thereunder. Payments under any lease-purchase agreement must be made, subject to annual appropriation by the general assembly, as applicable, from the following sources of money:

(II) Next, fifty million dollars annually, or any lesser amount that is sufficient to make each full payment due, shall be paid from any legally available money under the control of the transportation commission solely for the purpose of allowing the construction, supervision, and maintenance of state highways to be funded with the proceeds of lease-purchase agreements as specified in subsection (4)(b) of this section and section 43-4-206 (1)(b)(V); and

SECTION 5. In Colorado Revised Statutes, add 43-1-220.5 as follows:

(b) In the event that the reserves required pursuant to section 24-51-315 (1)(b) for the health care trust fund created by section 24-51-1201 (1) exceeds the market value of assets attributable to the employer in the health care trust fund, the employer shall make an additional payment as of the effective date of termination of affiliation in an amount equal to the difference between the amount of reserves required and the amount of reserves on deposit.

(c) If the actuary determines, in accordance with accepted actuarial principles, that the termination of affiliation of the employer shall have an adverse financial impact on the funding of the health care trust fund created by section 24-51-1201 (1), the employer shall make any additional payment necessary to ensure that the impact on the funding of the health care trust fund remains unchanged upon the employer's termination of affiliation.

(2) In the event that the amount of the reserves on deposit in the local government division trust fund as calculated by the actuary for the employer requesting termination of affiliation exceeds the amount of reserves required pursuant to the provisions of section 24-51-315 section 24-51-315 (1), such excess amount and the amount required for the transfer of member contributions as provided in section 24-51-317 shall be transferred by a direct trustee-to-trustee transfer to the alternate pension plan or system required by section 24-51-319 as of the effective date of termination of affiliation.

(3) If any payment required pursuant to the provisions of subsection (1) or (2) of this section is not made, interest shall be assessed on the amount due at the rate specified for employers in section 24-51-101 (28). Interest shall be calculated from the effective date of termination of affiliation until such amount is paid in full.

SECTION 5. In Colorado Revised Statutes, amend 24-51-317 as follows:

24-51-317. Termination of affiliation - member contributions. (+) Members who have less than five years of service credit and are employees of an employer which has terminated its affiliation with the association shall become inactive members as of the effective date of termination of affiliation. Such members may elect to have their member contributions credited to the alternative pension plan or system required by section 24-51-319. In the absence of such an election, member contributions will remain with the association.

(2) Members who have five or more years of service credit and are employees of an employer which has terminated its affiliation with the association may elect that their accounts remain with the association by giving written notice to the association prior to the effective date of termination of affiliation. Members who make such an election shall become inactive members entitled to vested benefits as of the effective date of termination of affiliation. Members who do not make such an election shall have their member contributions credited to the alternative pension plan or system required by section 24-51-319.

SECTION 6. In Colorado Revised Statutes, amend 24-51-319 as follows:

24-51-319. Retirement plan - creation and use. An employer which terminates its affiliation with the association shall utilize an existing, or shall establish an alternative, pension plan or system established pursuant to the provisions of article 54 of this title Title 24. Failure to utilize or establish an alternative pension plan or system does not excuse the employer from the adherence to the remainder of the termination of affiliation provisions of this part 3.
SECTION 7. In Colorado Revised Statutes, 24-51-401, amend (1.7)(a) and repeal (1.7)(f) as follows:

(II) For the 2010-11 and 2011-12 state fiscal years, the employer...
and member contribution rates for employers and members in the school, local government, and Denver public schools divisions of the association shall be calculated pursuant to paragraph (a) of this subsection (1.7).

SECTION 8. In Colorado Revised Statutes, add 24-51-413 as follows:

24-51-413. Contribution and annual increase amount changes - definitions. (1) As used in this section, unless the context otherwise requires:

(a) "Blended total contribution amount" means the weighted average of the total amounts paid by the employer and the member to the association for each of the five divisions pursuant to sections 24-51-401 (1.7) and 24-51-401, but shall not include the portion of the employer contribution remitted to the health care trust fund pursuant to section 24-51-208 (1)(f) and (1)(f.5) and the portion of the employer contribution remitted to the annual increase reserve.

(b) "Blended total required contribution" means the weighted average of the total of the association's reported actuarially determined contribution rates and member contribution rates of the five division trust funds.

(c) "Weighted average" means the proportion of unfunded actuarial accrued liability attributable to each division reported as of the most recent valuation date.

(2) Beginning January 1, 2020, and every year thereafter, employer contribution rates, member contribution rates, and annual increase amounts shall remain unchanged until such time that changes are required pursuant to this section.

(3) For the 2020 calendar year, if the blended total contribution amount is less than one hundred percent of the blended total required contribution, and for each calendar year thereafter, if the blended total contribution amount is less than ninety-eight percent of the blended total required contribution, then the following adjustment shall occur:

(a) The annual increase percentage determined pursuant to sections 24-51-1002 and 24-51-1009 (4)(a) shall be reduced by up to one-quarter of one percent, but at no time will the annual increase percentage be reduced to equal less than one-half of one percent, except as provided in sections 24-51-1002 (1.5) and 24-51-1009 (1.5);

(b) The employer contribution rate will be increased by up to one-half of one percent, but at no time will the employer contribution rate be increased to exceed the employer contribution rates under section 24-51-401 (1.7)(a)(III), plus two percent; and

(c) The member contribution rate will be increased by up to one-half of one percent, but at no time will the member contribution rate be increased to exceed the member contribution rates under section 24-51-401 (1.7)(a)(III), plus two percent.

(4) The adjustment in subsection (3) of this section shall be determined by the association, shall be equally apportioned among the annual increases, the employer contributions, and the member contributions, and shall be the maximum yearly adjustment allowed unless an adjustment less than the maximum adjustment is sufficient to bring the blended total contribution amount to one hundred and three percent of the blended total required contribution. In no event shall a yearly adjustment cause the blended total contribution amount to exceed one hundred and three percent of the blended total required contribution. The adjustment shall be made once in any calendar year and shall not exceed the maximum yearly amounts indicated in subsections (3)(a), (3)(b), and (3)(c) of this section.

(5) In the event any one of the three component parts of the adjustment as outlined in subsection (3) of this section has reached its total maximum, then no further adjustment shall be made under subsections (3) and (4) of this section. In this case, adjustments to the other two components will not be further altered to complete the full adjustment, but rather be adjusted in equivalent measure to the limited component to ensure that the adjustment is equally apportioned, even if the fully required adjustment to bring the blended total.
CONTRIBUTION AMOUNT TO ONE HUNDRED AND THREE PERCENT OF THE BLENDED TOTAL REQUIRED CONTRIBUTION IS NOT ACHIEVED.

(6) IF THE BLENDED TOTAL CONTRIBUTION AMOUNT IS GREATER THAN OR EQUAL TO ONE HUNDRED AND TEN PERCENT OF THE BLENDED TOTAL REQUIRED CONTRIBUTION, THEN THE FOLLOWING ADJUSTMENT SHALL OCCUR:

(a) SUBJECT TO SECTIONS 24-51-1002 (1.5) AND 24-51-1009 (1.5), THE ANNUAL INCREASE PERCENTAGE DETERMINED PURSUANT TO SECTIONS 24-51-1002 AND 24-51-1009 (4)(a), SHALL BE INCREASED BY UP TO ONE-HALF OF ONE PERCENT, BUT AT NO TIME WILL THE ANNUAL INCREASE PERCENTAGE BE GREATER THAN TWO PERCENT, EXCEPT AS PROVIDED IN SECTION 24-51-1009.5;

(b) THE EMPLOYER CONTRIBUTION RATE WILL BE REDUCED BY UP TO ONE-HALF OF ONE PERCENT, BUT AT NO TIME WILL THE EMPLOYER CONTRIBUTION RATE BE LESS THAN THE EMPLOYER CONTRIBUTION RATES UNDER SECTION 24-51-401 (1.7)(a)(l); AND

(c) THE MEMBER CONTRIBUTION RATE WILL BE REDUCED BY UP TO ONE-HALF OF ONE PERCENT, BUT AT NO TIME WILL THE MEMBER CONTRIBUTION RATE BE LESS THAN THE MEMBER CONTRIBUTION RATES UNDER SECTION 24-51-401 (1.7)(a)(l).

(7) THE ADJUSTMENT IN SUBSECTION (6) OF THIS SECTION SHALL BE DETERMINED BY THE ASSOCIATION, SHALL BE EQUALLY APPORTIONED AMONG THE ANNUAL INCREASES, THE EMPLOYER CONTRIBUTIONS, AND THE MEMBER CONTRIBUTIONS, AND SHALL BE THE MAXIMUM YEARLY ADJUSTMENT ALLOWED UNLESS AN AMOUNT LOWER THAN THE MAXIMUM ADJUSTMENT IS NECESSARY TO KEEP THE BLENDED TOTAL CONTRIBUTION AMOUNT EQUAL TO ONE HUNDRED AND THREE PERCENT OF THE BLENDED TOTAL REQUIRED CONTRIBUTION. IN NO EVENT SHALL A YEARLY ADJUSTMENT CAUSE THE BLENDED TOTAL CONTRIBUTION AMOUNT TO FALL BELOW ONE HUNDRED AND THREE PERCENT OF THE BLENDED TOTAL REQUIRED CONTRIBUTION. THE ADJUSTMENT SHALL BE MADE ONCE IN ANY CALENDAR YEAR AND SHALL NOT EXCEED THE MAXIMUM YEARLY AMOUNTS SPECIFIED IN SUBSECTIONS (6)(a), (6)(b), AND (6)(c) OF THIS SECTION.

(8) THE ADJUSTMENTS PURSUANT TO THIS SECTION SHALL BE DETERMINED BASED ON THE BLENDED TOTAL CONTRIBUTION AMOUNT AND BLENDED TOTAL REQUIRED CONTRIBUTION AS REPORTED IN THE ANNUAL ACTUARIAL VALUATION REPORT REQUIRED UNDER SECTION 24-51-204 (7), AND SHALL BE EFFECTIVE JULY 1 OF THE NEXT CALENDAR YEAR FOR CONTRIBUTIONS AND JULY 1 OF THE NEXT CALENDAR YEAR FOR ANNUAL INCREASES.

SECTION 9. In Colorado Revised Statutes, 24-51-504, amend (2) as follows:

24-51-504. Purchase of service credit relating to a paid sabbatical leave. (2) Such member contributions made pursuant to the provisions of subsection (1) of this section may be made concurrently with member contributions on the partial salary paid for such sabbatical leave or after the sabbatical leave has ended at the current applicable rate of member contributions PURSUANT TO SECTION 24-51-401 (1.7), plus interest from the date the sabbatical leave began until such purchase is complete.

CONSIDERATION OF RESOLUTIONS

SR18-005  by Senator(s) Lundberg, Grantham--Concerning the Colorado Department of Public Health and Environment's proposed rules regulating the assisted living industry in Colorado.

Amendment No. 1 (L.002), by Senators Aguilar and Kefalas.

Amend printed resolution, page 1, strike lines 1 through 8.

Strike pages 2 and 3 and substitute:

"WHEREAS, The number of older adults in Colorado is increasing rapidly, and the population of adults in Colorado over the age of 60 will increase 88% between 2018 and 2050; and

WHEREAS, Some older adults are not able to live independently in their homes and must rely on assisted living residences for care; and

WHEREAS, The Colorado Department of Public Health and Environment (CDPHE) is the regulatory agency charged with the regulation and oversight of assisted living residences in Colorado; and
WHEREAS, The number of assisted living residences that are licensed in the state is increasing exponentially, and is currently at 660, with 60% serving 20 residents or fewer; and

WHEREAS, It is the duty of the state of Colorado to ensure that these facilities are able to safely care for older and vulnerable adults; and

WHEREAS, Assisted living residents in Colorado are older, frailer, and have more complex health care needs than 30 years ago, with 57% of assisted living residents being over the age of 85 and 43% having Alzheimer's disease or some other form of dementia; and

WHEREAS, The federal government provides funding to ensure that Colorado's 228 nursing homes, in which residents require around-the-clock care, are regularly surveyed for safety, and the CDPHE has 46 inspectors to do this job; and

WHEREAS, The CDPHE does not receive state general funds to ensure appropriate oversight of assisted living residences in our state; and

WHEREAS, Safety inspections for assisted living residences are paid for by the facilities themselves through licensure fees, resulting in only 12 state inspectors to ensure that our 660 assisted living residences are safe; and

WHEREAS, The CDPHE and industry stakeholders have, over the last 24 months, developed a proposed set of rules to regulate assisted living residences in Colorado; and

WHEREAS, Stakeholders had opportunities to provide input and modify these rules, which are going before the Colorado Board of Health (Board) for final approval on April 18, 2018; and

WHEREAS, The CDPHE modified rules in response to the concerns of smaller facilities during this process; and

WHEREAS, The majority of these assisted living residences serve the Medicaid population of the state; and

WHEREAS, Assisted living residences will receive a 25% Medicaid rate increase in the 2018-19 state budget, resulting in a $4,700 per year per resident increase; and

WHEREAS, The proposed rules are intended to ensure the health and safety of the older adults reliant on assisted living residences for care, and they regulate administrator competency, staff training, safety measures, and food preparation; now, therefore,

Be It Resolved by the Senate of the Seventy-first General Assembly of the State of Colorado:

That we, the members of the Colorado Senate, request that:

(1) The CDPHE and the Board delay enforcement of the rules for small assisted living residences with fewer than 20 beds for an additional four months;

(2) The CDPHE and the Board continue to work with stakeholders to ensure that the rules are modified as appropriate for small assisted living residences; and

(3) The Joint Budget Committee work with the CDPHE to ensure that adequate funding is provided to protectColoradans who rely on assisted living residences for care

Be It Further Resolved, That a copy of this Resolution be transmitted to Colorado Governor John Hickenlooper; Dr. Larry Wolk, Executive Director of the Colorado Department of Public Health and Environment; the Colorado Board of Health; and Randy Kuykendall, Director of the Health Facilities and Emergency Medical Services Division of the Colorado Department of Public Health and Environment."

(6) "Court-ordered report" means a report of an evaluation, conducted by or under the direction of the department, that is the statutory obligation of the department to prepare when requested to do so by the court.

(10) "Executive director" means the executive director of the department of human services.

(11) "Incompetent to proceed" means that, as a result of a mental disability or developmental disability, the defendant does not have sufficient present ability to consult with his or her lawyer with a reasonable degree of rational understanding in order to assist in the defense, or that, as a result of a mental disability or developmental disability, the defendant does not have a rational and factual understanding of the criminal proceedings.

SECTION 2. In Colorado Revised Statutes, 16-8.5-103, amend (1), (3), and (4) as follows:

16-8.5-103. Determination of competency to proceed.

(1) Whenever the question of a defendant's competency to proceed is raised, by either party or on the court's own motion, the court may make a preliminary finding of competency or incompetency to proceed, which shall be a final determination unless a party to the case objects within fourteen days after the court's preliminary finding.

(3) Within fourteen days after receipt of the court-ordered report, either party may request a hearing or a second evaluation.

(4) If a party requests a second evaluation, any pending requests for a hearing shall be continued until the receipt of the second evaluation report. The report of the expert conducting the second evaluation shall be completed and filed with the court within sixty-three days after the court order allowing the second evaluation, unless the time period is extended by the court for good cause. If the second evaluation is requested by the court, it shall be paid for by the court.
SECTION 3. In Colorado Revised Statutes, 16-8.5-105, amend 
(1) and (5); and add (6) as follows:

16-8.5-105. Competency evaluations and reports.

(1) (a) (I) The court shall order that the competency evaluation be conducted on an outpatient out-of-custody basis or, if the defendant is in custody, at the place where the defendant is in custody. The defendant shall be released on bond if otherwise eligible for bond except as provided in subsection (1)(b) of this section. If the department conducts the evaluation on an in-custody basis, the department shall begin the evaluation no later than seven days after the department’s receipt of a court order directing the evaluation and the receipt of collateral materials. The department shall complete the in-custody evaluation no later than forty-five days after the receipt of such documents, unless the court extends the timeline for good cause shown.

(II) The defendant must have bond set unless he or she is ineligible for bond pursuant to the provisions of section 16-4-101. The court shall determine the type of bond and the conditions of release after consideration of the factors enumerated in article 4 of this title 16, which include consideration of the information received from any pretrial services program pursuant to the provisions of section 16-4-106.

A request for a competency evaluation is not a barrier to release on bond, including a personal recognizance bond, with appropriate and least restrictive conditions. As a condition of any bond, the court shall include a condition requiring the defendant’s cooperation with the competency evaluation on an outpatient and out-of-custody basis.

(III) Nothing in this subsection (1)(a) limits the availability of a court-ordered evaluation for a person with a mental health disorder pursuant to section 27-65-106 or invokes the emergency procedure set forth in section 27-65-105.

(b) Notwithstanding the provisions of paragraph (a) of this subsection (1) of this section, the court may order the defendant placed in the department’s custody of the Colorado mental health institute at Pueblo for the time necessary to conduct the inpatient competency evaluation if:

(I) The court finds the defendant may be a danger to self or others as defined in section 27-65-102, C.R.S.;

(II) The court finds that an inadequate competency evaluation and report has been completed or two or more conflicting competency evaluations and reports have been completed;

(III) The court finds that an observation period is necessary to determine if the defendant is competent to stand trial;

(IV) The court receives a recommendation from the Colorado mental health institute at Pueblo court services evaluator that conducting the evaluation at the Colorado mental health institute at Pueblo is appropriate because the evaluator conducting the evaluation for the Colorado mental health institute at Pueblo determines that the defendant has been uncooperative or the defendant has clinical needs that warrant transfer to the Colorado mental health institute at Pueblo; or

(V) The court receives written approval for the evaluation to be conducted at the Colorado mental health institute at Pueblo from the executive director of the department of human services, or his or her designee.

(I) The department provides a recommendation to the court, after consultation with the defendant, that conducting the competency evaluation on an inpatient basis is clinically appropriate; or

(II) Extraordinary circumstances relating to the case or the defendant make conducting the competency evaluation on an inpatient basis necessary and appropriate.

(b.3) Upon entry of a court order pursuant to subsection (1)(b) of this section, the department has the same authority with respect to custody as provided for in section 16-8-105.5 (4).

(b.5) When the court orders an inpatient evaluation, the court shall advise the defendant that restoration services may commence immediately if the evaluation concludes the...
DEFENDANT IS INCOMPETENT TO PROCEED, UNLESS EITHER PARTY OBJECTS AT THE TIME OF THE ADVISEMENT, OR WITHIN SEVENTY-TWO HOURS AFTER THE RECEIPT OF THE WRITTEN EVALUATION SUBMITTED TO THE COURT. THE COURT SHALL RECORD ANY OBJECTION TO THE ORDER OF COMMITMENT TO THE DEPARTMENT.

(c) The court, when setting bond pursuant to section 16-4.103, if the defendant is eligible for bond, and after receiving any information pursuant to section 16-4.106, shall not consider the need for the defendant to receive an evaluation pursuant to this article.

(d) If a defendant is in the department's custody at the Colorado mental health institute at Pueblo for purposes of the competency evaluation ordered pursuant to this article article 8.5 and the defendant has completed the evaluation and must be returned to competency evaluation and the evaluator has concluded that the defendant is competent to proceed, the department may return the defendant to a county jail or to the community, as determined by the defendant's bond status. If the evaluator has concluded that the defendant is incompetent to proceed and that inpatient restoration services are not clinically appropriate, and outpatient restoration services are available to the defendant in the county jail or in the community, the department may return the defendant to a county jail or to the community. If the department is returning the defendant to the county jail, the county sheriff in the jurisdiction where the defendant must return shall make all reasonable efforts to take custody of the defendant as soon as practicable once the defendant's evaluation is completed.

(e) Nothing in this section shall restrict the right of the defendant to procure an competency evaluation as provided in section 16-8.5-107 section 16-8.5-107.

(5) The report of evaluation shall include but need not be limited to:

(a) The name of each physician, psychologist, or other expert who examined the defendant; and

(b) A description of the nature, content, extent, and results of the competency evaluation and any tests conducted, which must include, but need not be limited to, the information reviewed and relied upon in conducting the competency evaluation and specific tests conducted by the competency evaluator;

(c) A diagnosis and prognosis of the defendant's mental disability or developmental disability; and

(d) An opinion as to whether the defendant suffers from a mental disability or developmental disability; and

(e) An opinion as to whether the defendant is competent to proceed;

(f) If the opinion of the competency evaluator is that the defendant is incompetent to proceed:

(I) An opinion as to whether there is a substantial probability that the defendant, with restoration services, will attain competency within the time allowed pursuant to section 16-8.5-116;

(II) A recommendation as to whether inpatient restoration services are clinically appropriate to restore the defendant to competency. If inpatient restoration services are not clinically appropriate, the department must detail the outpatient and out-of-custody restoration services available to the defendant.

(g) If available, a description of all competency evaluations or restoration services that were previously provided to the defendant; and

(h) The competency evaluator's opinion as to whether the defendant meets the criteria for certification pursuant to article 65 of title 27 or whether the defendant is eligible for services pursuant to article 10 of title 25.5 or article 10.5 of
(6) (a) If the competency evaluation concludes that the defendant is incompetent to proceed, the department may initiate restoration services unless either party objects within seventy-two hours after the receipt of the competency evaluation report or has objected to the trial court for a competency evaluation pursuant to subsection (1)(b.5) of this section. Any objection must be provided to the department on a forthwith basis.

(b) If either party objects, restoration services will not commence and the department may return the defendant to the county jail or to the community, depending upon the defendant's bond status. If the department is returning the defendant to the county jail, the sheriff in the jurisdiction where the defendant is in custody shall notify the department of the defendant's return to custody. At the time the department notifies the sheriff, the department shall also notify the court that the department is returning the defendant to the custody of the jail.

SECTION 4. In Colorado Revised Statutes, 16-8.5-111, amend (2); and add (3) as follows:

16-8.5-111. Procedure after determination of competency or incompetency. (2) If the final determination made pursuant to section 16-8.5-103 is that the defendant is incompetent to proceed, the court has the following options:

(a) (I) If the defendant is on bond or summons, the court shall consider whether order that restoration to competency should occur take place on an outpatient and out-of-custody basis, unless the department recommends inpatient restoration services pursuant to section 16-8.5-105 (5)(II).

(II) If the defendant is in custody, the court may release the defendant on bond upon compliance with the standards and procedures for such release prescribed by statute and by consistent with Article 4 of this title 16 and the Colorado rules of criminal procedure. As a condition of such bond, the court may order that the restoration take place on an outpatient and out-of-custody basis. The court may require the defendant to obtain any outpatient treatment or habilitation services that are available to the defendant, such as inpatient or outpatient treatment at a community mental health center or in any other appropriate outpatient treatment setting, as determined by the court. Nothing in this section authorizes the court to order community mental health centers or other providers to provide treatment for persons not otherwise eligible for these services. At any hearing to determine eligibility for release on bond, the court shall consider any effect the defendant's incompetency may have on the court's ability to ensure the defendant's presence for hearing or trial. There is a presumption that the defendant's incompetency will inhibit the defendant's ability to ensure his or her presence for trial. Pursuant to section 27-60-105, the office of behavioral health is the entity responsible for the oversight of restoration education and coordination of services necessary to competency restoration. The individual agency responsible for providing outpatient restoration services for the defendant shall notify the court within twenty-eight days after beginning or attempting to begin restoration services if the defendant is uncooperative with accepting restoration services. Pursuant to section 27-60-105, the department is the entity responsible for the development of restoration curricula and necessary training to create outpatient restoration services in any setting.

(b) If the court finds that the defendant is not eligible for release from custody, the court may commit the defendant to the custody of the department, in which case the executive director has the same powers with respect to commitment as the executive director has following a commitment under section 16-8.5-105.5 (4). At such time the department recommends to the court that the defendant is restored to competency, the defendant may be returned to custody of the county jail or to previous bond status if the defendant is not released from custody, the court shall order the department to provide restoration services at the place where the defendant is in custody.
CUSTODY, if the Department has recommended outpatient restoration services and if the Department has no available beds for inpatient restoration services. The Department shall begin outpatient restoration services as soon as practicable after the Court’s order. A jail where a Defendant is receiving outpatient restoration services shall provide the restoration agency with face-to-face access in a private setting to facilitate restoration services.

(c) The Court may order inpatient restoration services under one of the following exceptions:

(I) The Court may commit the Defendant to the custody of the Department if the Department has recommended that restoration services be provided on an inpatient basis pursuant to section 16-8.5-105 (5)(f)(II); or

(II) If the Court has ordered outpatient restoration services and the Department reports that it is unable to provide restoration services on an outpatient basis, the Court may commit the Defendant to the custody of the Department for inpatient restoration services until such time as the Department is able to provide outpatient restoration services, at which point the Department may discharge the Defendant and begin or resume providing services on an outpatient basis, subject to the provisions of section 16-8.5-116.

(III) The Court shall commit the Defendant to the custody of the Department for inpatient restoration services if the Defendant has been receiving outpatient and in-custody restoration services and has not been restored to competency in one hundred and fifty days, unless the Court extends the timeline for good cause shown. The timeline must exclude time during which the Defendant refuses to accept services or treatment, provided that such refusal is not the result of a developmental disability or mental disability.

(d) If the Court commits the Defendant to the custody of the Department, the Executive Director has the same powers with respect to a commitment provided for in section 16-8-105.5 (4).

(e) If a Court has ordered inpatient restoration services and the Department does not have an available bed for the Defendant, and the Department so advises the Court, the Department shall provide restoration services on an outpatient basis as soon as practicable until the Department can offer admission to the Defendant.

(f) If a Defendant is receiving inpatient restoration services and the Executive Director concludes that a less restrictive facility would be more clinically appropriate, the Executive Director, with proper notice to the Court, and consistent with the provisions of part 3 of Article 4.1 of title 24, has the authority to move the Defendant to a less restrictive facility if, in the Executive Director’s opinion, the Defendant is not yet restored to competency but he or she could be properly restored to competency in a less restrictive facility.

(g) At such time as the Department recommends to the Court that the Defendant is restored to competency, the Defendant may be returned to the custody of the county jail, if the Defendant is not on bond or summons, or to previous bond status. If the recommendation is to return the Defendant to the custody of the county jail, the Department shall notify the Sheriff in the jurisdiction where the Defendant is to be returned, and the Sheriff shall take custody of the Defendant within seventy-two hours after receiving such notification. At the time the Department notifies the Sheriff, the Department shall also notify the Court that the Department is returning the Defendant to the custody of the jail.

(h) For a Defendant who is receiving outpatient and in-custody restoration services, the Court shall review the case every thirty days to assess the clinical status of the Defendant and his or her progress toward restoration. At that time, the Court shall also review the individual circumstances of the Defendant to determine if he or she should be released on

(2) Within fourteen seven days after receipt of a report from the department or other court-approved provider of restoration services certifying that the defendant is competent to proceed, either party may request a hearing or a second evaluation. The court shall determine whether to allow the second evaluation or proceed to a hearing on competency. If the second evaluation is requested by the court or by an indigent defendant, it shall be completed and filed with the court within sixty-three forty-two days after the court order allowing the second evaluation, unless the time period is extended by the court after a finding of good cause.

SECTION 7. In Colorado Revised Statutes, repeal and reenact, with amendments, 16-8.5-116 as follows:

(2) AT LEAST EVERY THREE MONTHS, THE COURT SHALL REVIEW THE CASE OF A DEFENDANT WHO HAS BEEN DETERMINED TO BE INCOMPETENT TO PROCEED WITH REGARD TO THE PROBABILITY THAT THE DEFENDANT WILL EVENTUALLY BE RESTORED TO COMPETENCY AND WITH REGARD TO THE JUSTIFICATION FOR CERTIFICATION OR CONFINEMENT. THE REVIEW MAY BE HELD IN CONJUNCTION WITH A RESTORATION HEARING HELD PURSUANT TO SECTION 16-8.5-113. PRIOR TO EACH REVIEW, THE INDIVIDUAL OR ENTITY Evaluating the defendant shall provide the court with a current report regarding:

(b) Whether there is a substantial probability that the defendant will be restored to competency within the time periods set forth in this section; and

(3) IF THE DEFENDANT IS CHARGED WITH A MISDEMEANOR, A MISDEMEANOR DRUG OFFENSE, OR A PETTY OFFENSE, EXCEPT FOR THOSE OFFENSES ENUMERATED IN SECTIONS 24-4-1-302 (1), AND HAS BEEN COMMITTED TO THE CUSTODY OF THE DEPARTMENT OR OTHERWISE CONFINED AS A RESULT OF A DETERMINATION OF INCOMPETENCY TO PROCEED, THE FOLLOWING PROVISIONS APPLY:

(a) (I) IF THE DEFENDANT HAS RECEIVED COMPETENCY RESTORATION SERVICES WHILE COMMITTED OR OTHERWISE CONFINED FOR
AN AGGREGATE TIME OF THREE MONTHS, EXCLUDING TIME RESULTING FROM A REFUSAL BY THE DEFENDANT TO ACCEPT SERVICES OR TREATMENT, THE COURT SHALL HOLD A REVIEW HEARING. IF THE COURT DETERMINES, BASED ON AVAILABLE EVIDENCE, THAT THE DEFENDANT REMAINS INCOMPETENT TO PROCEED AND THERE IS NOT A SUBSTANTIAL PROBABILITY THAT THE DEFENDANT WILL BE RESTORED TO COMPETENCY WITHIN THE NEXT THREE MONTHS, THE COURT SHALL DISMISS THE CHARGES AGAINST THE DEFENDANT, SUBJECT TO THE PROVISIONS OF SUBSECTION (6) OF THIS SECTION.

(II) If, however, the court finds that there is a substantial probability that the defendant will be restored to competency within the next three months, restoration services may continue, and the court shall continue to review the case as provided for in subsection (2) of this section.

(b) If the defendant has received competency restoration services while committed or otherwise confined for an aggregate time of six months, excluding time resulting from a refusal by the defendant to accept services or treatment, and the court determines, based on available evidence, that the defendant is not restored to competency, the court shall dismiss the charges against the defendant, subject to the provisions of subsection (6) of this section.

(4) If the defendant is charged with a class 5 or class 6 felony, except for those offenses enumerated in section 24-4.1-302 (1); with a class 3 or class 4 drug felony; or with any misdemeanor offense that is not included in subsection (3)(a) of this section, and has been committed to the custody of the department or otherwise confined as a result of a determination of incompetency to proceed, the following provisions apply:

(a) (I) If the defendant has received competency restoration services while committed or otherwise confined for an aggregate time of one year, excluding time resulting from a refusal by the defendant to accept services or treatment, the court shall hold a review hearing. If the court determines, based on available evidence, that the defendant remains incompetent to proceed and there is not a substantial probability that the defendant will be restored to competency within the next six months, then the court shall dismiss the charges against the defendant, subject to the provisions of subsection (6) of this section.

(II) If, however, the court finds that there is a substantial probability that the defendant will be restored to competency within the next six months, restoration services may continue and the court shall continue to review the case as provided for in subsection (2) of this section.

(b) If the defendant has received competency restoration services while committed or otherwise confined for an aggregate time of eighteen months, excluding time resulting from a refusal by the defendant to accept services or treatment, and the court determines, based on available evidence, that the defendant is not restored to competency, then the court shall dismiss the charges against the defendant, subject to the provisions of subsection (6) of this section.

(5) If the defendant is charged with any other felony offense, except a class 1, class 2, or class 3 felony; a sex offense as defined in section 18-1.3-1003 (5); a crime of violence as defined in section 18-1.3-406 (2); or a class 1 or class 2 drug felony, and has been committed to the custody of the department or otherwise confined as a result of a determination of incompetency to proceed, the following provisions apply:

(a) (I) If the defendant has received competency restoration services while committed or otherwise confined for an aggregate time of three years, excluding time resulting from a refusal by the defendant to accept services or treatment, the court shall hold a review hearing. If the court determines, based on available evidence, that the defendant remains incompetent to proceed and there is not a substantial
PROBABILITY THAT THE DEFENDANT WILL BE RESTORED TO COMPETENCY WITHIN THE NEXT YEAR, THEN THE COURT SHALL DISMISS THE CHARGES AGAINST THE DEFENDANT, SUBJECT TO THE PROVISIONS OF SUBSECTION (6) OF THIS SECTION.

(II) If, however, the court finds that there is a substantial probability that the defendant will be restored to competency within the next year, restoration services may continue and the court shall continue to review the case as provided for in subsection (2) of this section.

(b) If the defendant has received competency restoration services while committed or otherwise confined for an aggregate time of four years, excluding time resulting from a refusal by the defendant to accept services or treatment, and the court determines, based on available evidence, that the defendant is not restored to competency, then the court shall dismiss the charges against the defendant, subject to the provisions of subsection (6) of this section, unless any party objects to dismissal.

(c) If a party objects to dismissal of charges pursuant to subsection (5)(b) of this section, the court shall set the matter for a hearing. Upon completion of the hearing, the court shall dismiss the charges unless the court determines that there is a compelling public interest in continuing the prosecution and there is a substantial probability that the defendant will attain competency in the foreseeable future. If the court declines to dismiss the charges, the court shall address the appropriateness of continued confinement and may alter or reduce bond if appropriate pursuant to article 4 of title 16 or the decision to commit the defendant to the department pursuant to section 16-8.5-111.

(6) Prior to the dismissal of charges pursuant to subsection (3), (4), or (5) of this section, the court shall identify whether the defendant meets the requirements for certification pursuant to article 65 of title 27 or for the provision of services pursuant to article 10.5 of title 27. If the court finds the requirements for either are met, the court may stay the dismissal for twenty-one days and notify the department and county attorney in the relevant jurisdiction of the pending dismissal so as to provide the department and the county attorney with the opportunity to pursue certification proceedings or the provision of services.

(7) Notwithstanding the time periods provided in subsections (3), (4), and (5) of this section, for any offense for which the defendant remains confined as a result of a determination of incompetency to proceed for a period of time in excess of one year, if the court determines, based on available evidence, that there is not a substantial probability that the defendant will be restored to competency within the foreseeable future, the court may order the defendant's release from commitment pursuant to this article 8.5 through one or more of the following means:

(a) Upon motion of the district attorney, the defendant, or, on its own motion, the court may terminate the criminal proceeding, the commitment, or the restoration services order;

(b) The court may commence certification proceedings pursuant to the provisions of article 65 or title 27 if the defendant meets the requirements for certification pursuant to said article 65; or

(c) In the case of a defendant who has been found eligible for services pursuant to article 10.5 of title 27 due to an intellectual and developmental disability, the court or a party may initiate an action to restrict the rights of the defendant pursuant to article 10.5 of title 27.

(8) In each case, the court shall enter a written decision outlining why the court did or did not terminate the criminal proceeding.

(9) If charges against a defendant are dismissed pursuant to this section, such charges are not eligible for sealing pursuant to section 24-73-702.5.
(10) The department shall promulgate such rules as necessary to consistently enforce the provisions of this article 8.5.

"SECTION 1. In Colorado Revised Statutes, add with amended and relocated provisions article 82 to title 35 as follows:

**ARTICLE 82**

**Conservation Easements**

35-82-101. Legislative declaration. (1) The general assembly finds, determines, and declares that:

(a) Colorado’s conservation easement program is an important preservation tool used to balance economic needs with natural resources such as land and water preservation. Colorado’s conservation easement tax credit and the federal tax deduction have allowed many farmers and ranchers the opportunity to donate their development rights to preserve a legacy of open spaces in Colorado for wildlife, agriculture, and ranching.

(b) Citizens throughout Colorado believe good, sound conservation practices are important to Colorado’s quality of life, agriculture, and natural heritage;

(c) Colorado’s conservation easement tax credit program was designed to give landowners an incentive to conserve and preserve their land in a predominantly natural, scenic, or open condition;

(d) Authorizing the department of agriculture to oversee the certification of conservation easement holders and the certification of conservation easement tax credits will keep a firewall between professional evaluation and professional discipline, while ensuring that this program allows landowners to exercise their private property rights and protecting taxpayers from the fraud and abuse that existed in the program prior to 2009;

(e) In recognition of the fraud and abuse that has existed in the program, it is appropriate to allow an easement to be extinguished if the value of the easement is reduced or eliminated by the state in connection with claiming a tax credit for the easement and the credit is disallowed or any amount allowed is not claimed or is repaid by a landowner;

(f) Authorizing the department of agriculture to administer the conservation easement tax credit program will:

(I) Allow the department to certify conservation easement holders to identify fraudulent or unqualified organizations and prevent them from holding conservation easements for which tax credits are claimed in the state;

(II) Allow the conservation easement oversight commission to advise the department of agriculture and the department of revenue regarding conservation easements for which a tax credit is claimed and to review applications for conservation easement holder certification; and

(III) Ensure that the department of agriculture and the department of revenue are sharing relevant information concerning conservation easement appraisals in order to ensure compliance with accepted appraisal practices and other provisions of law."
35-82-102. Definitions. As used in this article 82, unless the context otherwise requires:

(1) "Commission" means the conservation easement oversight commission created in section 35-82-104.

(2) "Commissioner" means the commissioner of agriculture.

(3) "Department" means the department of agriculture.

35-82-103. Duties of commissioner. (1) The commissioner is authorized by this section to employ such deputies, clerks, and assistants as are necessary to discharge the duties imposed by this article 82 and to delegate any duty imposed upon the commissioner by this article 82 to an employee of the department as the commissioner deems appropriate.

(2) It is the duty of the department and the commissioner of agriculture, personally or his or her designee, to aid in the administration and enforcement of this article 82 and to administer, in consultation with the commission, the certification of conservation easement holders and issuance of tax credit certificates as provided in this article 82.

35-82-104. Conservation easement oversight commission - created - repeal. [Similar to 12-61-725] (1) There is hereby created in the department a conservation easement oversight commission. The commission shall exercise its powers and perform its duties and functions under the department as if transferred thereto by a type 2 transfer, as defined in the "Administrative Organization Act of 1968", article 1 of title 24. The commission consists of eight members as follows:

(a) One member representing the great outdoors Colorado program, appointed by and serving as an advisory, nonvoting member at the pleasure of the state board of the great outdoors Colorado trust fund established in article XXVII of the state constitution;

(b) One voting member representing the department of natural resources, appointed by and serving at the pleasure of the executive director of the department of natural resources;

(c) One voting member representing the department of agriculture, appointed by and serving at the pleasure of the commissioner;

(d) Three voting members appointed by the governor as follows:

(I) Two voting members who are representatives of certified conservation easement holders; and

(II) One voting member who is competent and qualified to analyze the conservation purpose of conservation easements; and

(e) Two voting members of the general public, one appointed by the president of the senate to serve at the pleasure of the president and one appointed by the speaker of the house of representatives to serve at the pleasure of the speaker.

(12) (a) The landowner may appeal to the commissioner either the commissioner’s or the commission’s denial of an application, in writing, within thirty days after the issuance of the denial. This written appeal constitutes a request for an administrative hearing.

(b) If the landowner fails to appeal the denial of an application within thirty days after the issuance of the denial, the denial becomes final, and the department shall not issue a tax credit certificate to the landowner.

(c) Administrative hearings must be conducted in accordance with section 24-4-105. (2.5) Notwithstanding any other provision of this section and the requirements of section 12-61-727, C.R.S.; section 35-82-107, for income tax years commencing on or after January 1, 2011, a taxpayer conveying a conservation easement and claiming a credit pursuant to this section shall, in addition to any other requirements of this section and the requirements of section 12-61-727, C.R.S.; section 35-82-107, submit a claim for the credit to the division of real estate in the department of regulatory agencies department of agriculture. The division department of agriculture shall issue a certificate for the claims received in the order submitted. After certificates have been issued for credits that exceed an aggregate of twenty-two million dollars for all taxpayers for the 2011 and 2012 calendar years, thirty-four million dollars for the 2013 calendar year, and forty-five million dollars for each calendar year thereafter, any claims that exceed the amount allowed for a specified calendar year shall be placed on a wait list in the order submitted and a certificate shall be issued for use of the credit in the next year for which the division department of agriculture has not issued credit certificates in excess of the amounts specified in this subsection (2.5); except that no more than fifteen million dollars in claims shall be placed on the wait list in any given calendar year. The division department of agriculture shall not issue credit certificates that exceed twenty-two million dollars in each of the 2011 and 2012 calendar years, thirty-four million dollars for the 2013 calendar year, and forty-five million dollars for each calendar year thereafter. No claim for a credit is allowed for any income tax year commencing on or after January 1, 2011, unless a certificate has been issued by the division department of agriculture. If all other requirements under section 12-61-727, C.R.S.; section 35-82-107 and this section are met, the right to claim the credit is vested in the taxpayer at the time a credit certificate is issued.

(2.7) Notwithstanding any other provision, for income tax years commencing on or after January 1, 2014, no claim for a credit shall be allowed unless a tax credit certificate is issued by the division of real estate department of agriculture in accordance with sections 12-61-726 and 12-61-727, C.R.S.; sections 35-82-106 and 35-82-107 and the taxpayer files the tax credit certificate with the income tax return filed with the department of revenue.

(3) For conservation easements donated prior to January 1, 2014, in order for any taxpayer to qualify for the credit provided for in subsection (2) of this section, the taxpayer shall submit the following in a form approved by the executive director to the department of revenue at the same time as the taxpayer files a return for the taxable year in which the credit is claimed:

(f) If the holder of the conservation easement is an organization to which the certification program in section 12-61-724 section 35-82-105 applies, a sworn affidavit from the holder of the conservation easement in gross that includes the following:

(3.5) (a) For conservation easements donated prior to January 1, 2014:

(I) The executive director shall have the authority, pursuant to subsection (8) of this section, to require additional information from the taxpayer or transferee regarding the appraisal value of the easement, the amount of the credit, and the validity of the credit. In resolving disputes regarding the validity or the amount of a credit allowed pursuant to subsection (2) of this section, including the value of the conservation easement for which the credit is granted, the executive director shall have the authority, for good cause shown and in consultation with the division of real estate department of agriculture and the conservation easement oversight commission created in section 12-61-725 (1), C.R.S.; subsection 35-82-104 (1) to review and accept or reject, in whole or in part, the appraisal value of the easement, the amount of the credit, and the validity of the credit based upon the internal revenue code and federal regulations in effect at the time of the donation. If the executive director reasonably believes that the appraisal represents a gross valuation misstatement, receives notice of such a valuation misstatement from the division of real estate, or receives notice from the division of real estate that an enforcement action has been taken by the board of real estate appraisers against the appraiser, the executive director shall have the authority to require the taxpayer to provide a second appraisal at the...
expense of the taxpayer. The second appraisal shall be conducted by a certified general appraiser in good standing and not affiliated with the first appraiser that meets qualifications established by the division of real estate. In the event the executive director rejects, in whole or in part, the appraisal value of the easement, the amount of the credit, or the validity of the credit, the procedures described in sections 39-21-103, 39-21-104, 39-21-104.5, and 39-21-105 shall apply.

(II) In consultation with the division of real estate of agriculture and the conservation easement oversight commission created in section 12-61-725 (1), C.R.S., the executive director shall develop and implement a separate process for the review by the department of revenue of gross conservation easements. The review process shall be consistent with the statutory obligations of the department of agriculture and the conservation easement Oversight Commission created in section 12-61-725 (1), C.R.S. Notwithstanding part 2 of article 72 of title 24, C.R.S., in order to protect the confidential financial information of a taxpayer, the division of real estate and the conservation easement oversight commission shall deny the right to inspect any information provided by the executive director in accordance with this subparagraph (II) subsection (3.5)(a)(II).

(b) For conservation easements donated on or after January 1, 2014, and subject to the restrictions of section 12-61-727 (4), C.R.S., the executive director shall have the authority, pursuant to subsection (8) of this section, to require additional information from the taxpayer or transferee regarding the amount of the credit and the validity of the credit. In resolving disputes regarding the validity or the amount of a credit allowed pursuant to subsection (2) of this section, the executive director shall have the authority, for good cause shown, to review and accept or reject, in whole or in part, the amount of the credit and the validity of the credit based upon the internal revenue code and federal regulations in effect at the time of the donation, except those requirements for which authority is granted to the division of real estate, the director of the division of real estate of agriculture, the commissioner of agriculture, or the conservation easement oversight commission pursuant to section 12-61-727, C.R.S.

(c) Notwithstanding any other provision of this section, for any conservation easement in gross donated for any tax year commencing on or after January 1, 2000, for which a credit claimed pursuant to this section was subsequently denied in whole or in part because the appraised value of the easement was determined by the state to be too high, the taxpayer may elect in any subsequent tax year to amend the return for such tax year and not claim the credit. Upon amending a return and repaying to the state the amount, if any, allowed by the state and claimed by the taxpayer for such tax year, the taxpayer shall be entitled to repayment from the state of the full amount of any interest or penalties paid by or on behalf of the taxpayer to the state in connection with the denial of the original claim for the credit.

(3.6) For conservation easements donated on or after January 1, 2014, in order for any taxpayer to qualify for the credit provided for in subsection (2) of this section, the taxpayer must submit the following in a form, approved by the executive director, to the department of revenue at the same time as the taxpayer files a return for the taxable year in which the credit is claimed:

(a) (I) A tax credit certificate issued under section 12-61-727, C.R.S., and section 35-82-107; and

(b) Notwithstanding any other provisions of law, the executive director retains the authority to administer all issues related to the claim or use of a tax credit for the donation of a conservation easement that are not granted to the director of the division of real estate of agriculture, the commissioner of agriculture, or the conservation easement oversight commission under section 12-61-727, C.R.S., and section 35-82-107.
(7) For income tax years commencing on or after January 1, 2000, a taxpayer may transfer all or a portion of a tax credit granted pursuant to subsection (2) of this section to another taxpayer for such other taxpayer, as transferee, to apply as a credit against the taxes imposed by this article subject to the following limitations:

(a) A transferee of a tax credit shall purchase the credit prior to the due date imposed by this article, not including any extensions, for filing the transferee's income tax return;

(b) a tax credit shall purchase the credit prior to the due date imposed by this article.

(8) On or before August 1, 2011, the conservation easement oversight commission created in section 12-61-725 (1), C.R.S., shall review conservation easements for which a tax credit is claimed pursuant to sections 39-22-522 (3.5)(a) and 12-61-725 (3), C.R.S., and for which a notice of deficiency, notice of rejection of refund claim, or notice of disallowance issued on or before May 1, 2011, but for which a final determination has not been issued before May 19, 2011, and for which the commission has not already reviewed the credit. For each conservation easement tax credit claim so reviewed, the commission shall issue an initial recommendation to the executive director on whether each credit claimed by a taxpayer who is eligible to waive a hearing and appeal a notice of deficiency, notice of rejection of refund claim, or notice of disallowance may be denied or accepted. No other information shall be required of the commission on or before such date.

SECTION 7. In Colorado Revised Statutes, add 29-20-110 as follows:

29-20-110. Conservation easements - public hearing. (1) On and after the effective date of this section, prior to creating, modifying the terms of, or transferring a conservation easement in gross pursuant to article 30.5 of title 38, the governing body of a local government within which the property is located shall hold a public hearing regarding the creation, modification, or transfer of the easement as provided in this section. If the property is located entirely within the unincorporated portion of one or more counties, the board of county commissioners of the county with the greatest portion of the property shall hold the hearing. If the property is located in whole or in part within one or more municipalities, the governing body of the municipality with the greatest portion of the property shall hold the hearing.

(2) At least fourteen days' notice of the time and place of a hearing required by this section shall be given by at least one publication in a newspaper of general circulation within the local government. The notice shall disclose the location, acreage, name of the grantor, name of the holder, and conservation purposes of the conservation easement and specify the amount of any public money used or tax credits that will be claimed in connection with the easement. The grantor and holder of the conservation easement shall be allowed to present information about the conservation easement and public testimony shall be allowed at the hearing. The purpose of the hearing is to provide public notice regarding the easement, and the governing body of the local government need not take any specific action with respect to the proposed creation, modification, or transfer. If a local government has an existing approval process for conservation easements, the hearing required by this section may be conducted in conjunction with any other hearing required by process as long as the hearing otherwise meets the requirements of this section.

SECTION 8. In Colorado Revised Statutes, amend 38-30.5-107 as follows:

38-30.5-107. Release - termination. (1) Conservation easements in gross may, in whole or in part, be released, terminated, extinguished, or abandoned by merger with the underlying fee interest in the servient land or water rights or in any other manner in which easements may be lawfully terminated, released, extinguished, or abandoned. For easements created on or after January 1, 2019, if a conservation easement is orphaned or neglected, the landowner may petition the district court of the county in which the property is situated to request a transfer of the easement to another holder or for an order that the abandonment or neglect of the conservation
EASEMENT HAS RESULTED IN CIRCUMSTANCES WHICH MAKE THE CONTINUED USE OF THE PROPERTY FOR CONSERVATION PURPOSES IMPOSSIBLE OR IMPRACTICABLE. THE PETITION TO THE DISTRICT COURT SHALL ALSO BE SERVED ON THE ATTORNEY GENERAL AND THE ATTORNEY GENERAL SHALL BE ENTITLED TO BE HEARD.

(2) IN ADDITION TO THE METHODS SET FORTH IN SUBSECTION (1) OF THIS SECTION, A COURT EXERCISING ITS EQUITABLE JURISDICTION MAY TERMINATE A CONSERVATION EASEMENT IN GROSS CREATED FOR THE PURPOSE OF CLAIMING A STATE INCOME TAX CREDIT PURSUANT TO SECTION 39-22-522, IF:

(a) The state has rejected the claim for the credit or the taxpayer has elected not to claim the credit pursuant to section 39-22-522 (5)(c);

(b) The easement has been appraised to have no value or no more than a nominal dollar value; and

(c) The holder of the easement either provided no compensation for the easement or has been reimbursed in whole for any compensation provided.

SECTION 9. In Colorado Revised Statutes, 24-34-104, repeal (14)(a)(II); and add (26)(a)(VIII) and (26)(a)(IX) as follows:

24-34-104. General assembly review of regulatory agencies and functions for repeal, continuation, or reestablishment - legislative declaration - repeal. (14) The following agencies, functions, or both, are scheduled for repeal on July 1, 2018:

(26) (a) The following agencies, functions, or both, are scheduled for repeal on September 1, 2025:

(VIII) The conservation easement oversight commission created in section 35-82-104; and

(IX) The certification of conservation easement holders by the conservation easement oversight commission as provided for in section 35-82-106.

SECTION 12. Act subject to petition - effective date. This act takes effect at 12:01 a.m. on the day following the expiration of the ninety-day period after final adjournment of the general assembly (August 8, 2018, if adjournment sine die is on May 9, 2018); except that, if a referendum petition is filed pursuant to section 1 (3) of article V of the state constitution against this act or an item, section, or part of this act within such period, then the act, item, section, or part will not take effect unless approved by the people at the general election to be held in November 2018 and, in such case, will take effect on the date of the official declaration of the vote thereon by the governor:).

COMMITTEE OF REFERENCE REPORTS

After consideration on the merits, the Committee recommends that SB18-280 be amended as follows, and as so amended, be referred to the Committee of the Whole with favorable recommendation and with a recommendation that it be placed on the Consent Calendar.

Amend printed bill, page 2, line 7, strike "EIGHTEEN MILLION" and substitute "NINETEEN MILLION NINE HUNDRED SIXTY-FIVE THOUSAND SIXTY-EIGHT".

After consideration on the merits, the Committee recommends that HB18-1267 be referred to the Committee of the Whole with favorable recommendation.

After consideration on the merits, the Committee recommends that SB18-276 be amended as follows, and as so amended, be referred to the Committee of the Whole with favorable recommendation and with a recommendation that it be placed on the Consent Calendar.

Amend printed bill, page 2, after line 1 insert:

"SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) The general fund reserve helps ensure that there are sufficient general fund revenues for state agencies to spend the general assembly's appropriations, which are based on revenue estimates that are often incorrect;

(b) Maintaining an ample reserve would also allow the state to continue providing critical services even when there is an economic downturn or a natural disaster;

(c) A recent report prepared by Moody Analytics estimates that the state would need a reserve of approximately fifteen percent to endure even a moderate recession;

(d) In his budget request for the fiscal year 2018-19, Governor John Hickenlooper requested that the general assembly increase the reserve to ten percent of general fund expenditures; and

(e) The state's current general fund reserve, which is only six and one-half percent of general fund expenditures, is simply inadequate.

(2) Now, therefore, it is the intent of the general assembly to increase the general fund reserve three-quarters of a percent as an incremental improvement towards a truly sufficient general fund reserve.
"

Renumber succeeding sections accordingly.

Page 2, line 17, strike "____" and substitute "SEVEN AND TWENTY-FIVE ONE-HUNDREDTHS".

After consideration on the merits, the Committee recommends that HB18-1002 be referred to the Committee of the Whole with favorable recommendation.

Amend reengrossed bill, strike everything below the enacting clause and substitute:

"SECTION 1. In Colorado Revised Statutes, add part 11 to article 61 of title 12 as follows:

PART 11

CONSERVATION EASEMENTS

12-61-1101. Legislative declaration. (1) The General Assembly finds, determines, and declares that:

(a) Colorado’s conservation easement program is an important preservation tool used to balance economic needs with natural resources such as land and water preservation. Colorado’s conservation easement tax credit and the federal tax deduction have allowed many farmers and ranchers the opportunity to donate their development rights to preserve a legacy of open spaces in Colorado for wildlife, agriculture, and ranching.

(b) Citizens throughout Colorado believe good, sound conservation practices are important to Colorado’s quality of life, agriculture, and natural heritage;"
(c) Colorado’s Conservation Easement Tax Credit Program was designed to give landowners an incentive to conserve and preserve their land in a predominantly natural, scenic, or open condition;

(d) Creating a division of conservation within the Department of Regulatory Agencies will keep a firewall between professional evaluation and professional discipline, while creating a division to ensure this program allows landowners to exercise their private property rights while protecting taxpayers from the fraud and abuse that existed in the program prior to 2009;

(e) In recognition of the fraud and abuse that has existed in the program, it is appropriate to allow an easement to be extinguished if the value of the easement is reduced or eliminated by the state in connection with claiming a tax credit for the easement and the credit is disallowed or any amount allowed is not claimed or is repaid by a landowner;

(f) Establishing the division of conservation to administer the conservation easement tax credit program will:

(I) Allow the division to continue to certify conservation easement holders to identify fraudulent or unqualified organizations and prevent them from holding conservation easements for which tax credits are claimed in the state;

(II) Allow the conservation easement oversight commission to advise the division of conservation and the department of revenue regarding conservation easements for which a tax credit is claimed and to review applications for conservation easement holder certification; and

(III) Ensure that the division of conservation and the department of revenue are sharing relevant information concerning conservation easement appraisals in order to ensure compliance with accepted appraisal practices and other provisions of law.

12-61-1102. Division of conservation - director. (1) The executive director of the department of regulatory agencies is authorized by this section to employ, subject to the provisions of the state personnel system laws of the state, a director of the division of conservation, referred to in this part 11 as the "division", who in turn shall employ such deputies, clerks, and assistants as are necessary to discharge the duties imposed by this part 11. The division of conservation, which is a division in the department of regulatory agencies, and the director of the division shall exercise their powers and perform their duties and functions under the department of regulatory agencies as if they were transferred to the department by a type 2 transfer.

(2) It is the duty of the director of the division, personally or his or her designee, to aid in the administration and enforcement of this part 11 and to administer, in consultation with the conservation easement oversight commission, the certification of conservation easement holders and issuance of tax credit certificates as provided in this part 11.

12-61-1103. Conservation easement oversight commission - created - repeal. (1) There is hereby created in the division a conservation easement oversight commission. The commission shall exercise its powers and perform its duties and functions under the division as if transferred thereto by a type 2 transfer, as defined in the "Administrative Organization Act of 1968", article I of title 24. The commission consists of eight members as follows:

(a) One member representing the great outdoors Colorado program, appointed by and serving as an advisory, nonvoting member at the pleasure of the state board of the great outdoors Colorado trust fund established in article XXVII of the state constitution;

(b) One voting member representing the department of natural resources, appointed by and serving at the pleasure of the executive director of the department of natural resources;

(c) One voting member representing the department of
AGRICULTURE, APPOINTED BY AND SERVING AT THE PLEASURE OF THE EXECUTIVE DIRECTOR OF THE DEPARTMENT OF AGRICULTURE;
(d) Three voting members appointed by the governor as follows:
(I) Two voting representatives of certified conservation easement holders; and
(II) A voting individual who is competent and qualified to analyze the conservation purpose of conservation easements; and
(e) Two voting members of the general public, one appointed by the president of the senate to serve at the pleasure of the president and one appointed by the speaker of the house of representatives to serve at the pleasure of the speaker.
(2) In making appointments to the commission, the governor shall consult with the three members of the commission appointed pursuant to subsections (1)(a) through (1)(c) of this section and with appropriate organizations representing the particular interest or area of expertise that the appointees in subsections (1)(d)(I) and (1)(d)(II) of this section represent. Not more than two of the governor's appointees serving at the same time shall be from the same political party. In making the initial appointments, the governor shall appoint one member for a term of two years. All other appointments by the governor are for terms of three years. No member shall serve more than two consecutive terms. In the event of a vacancy by death, resignation, removal, or otherwise, the governor shall appoint a member to fill the unexpired term. The governor may remove any member for misconduct, neglect of duty, or incompetence.
(3)(a) At the request of the division or the department of revenue, the commission shall advise the division and the department of revenue regarding conservation easements for which a state income tax credit is claimed pursuant to section 39-22-522.
(b) The commission shall review conservation easement tax credit certificate applications and requests for optional preliminary advisory opinions in accordance with section 12-61-1106.
(4) The commission shall meet at least quarterly. The division shall convene the meetings of the commission and provide staff support as requested by the commission. A majority of the voting members of the commission constitutes a quorum for the transaction of all business, and actions of the commission require a vote of a majority of the voting members present in favor of the action taken. The commission may delegate to the director of the division the authority to act on behalf of the commission on occasions and in circumstances that the commission deems necessary for the efficient and effective administration and execution of the commission's responsibilities under this part 11.
(5) The commission shall establish a conflict-of-interest policy to ensure that any member of the commission is disqualified from performing an act that conflicts with a private pecuniary interest of the member or from participating in the deliberation or decision-making process for certification for an applicant represented by the member.
(6) The commission shall advise and make recommendations to the director of the division regarding the certification of conservation easement holders in accordance with section 12-61-1104.
(7) Commission members are immune from liability in accordance with the provisions of the "Colorado Governmental Immunity Act", article 10 of title 24.
(8) This section is repealed, effective September 1, 2025. Prior to the repeal, the department of regulatory agencies shall review the commission as provided in section 24-34-104.
12-61-1104. Certification of conservation easement holders - rules - definition - repeal. (1) The division shall, in consultation with the commission created in section 12-61-1103, establish and...

(2) THE DIVISION SHALL ESTABLISH AND ACCEPT APPLICATIONS FOR CERTIFICATION. THE DIVISION SHALL CONDUCT A REVIEW OF EACH APPLICATION AND CONSIDER THE RECOMMENDATIONS OF THE COMMISSION BEFORE MAKING A FINAL DETERMINATION TO GRANT OR DENY CERTIFICATION. FOR PURPOSES OF THIS SUBSECTION (2)(d), "INSIDERS" MEANS BOARD AND STAFF MEMBERS, SUBSTANTIAL CONTRIBUTORS, PARTIES RELATED TO THOSE ABOVE, THOSE WHO HAVE AN ABILITY TO INFLUENCE DECISIONS OF THE ORGANIZATION, AND THOSE WITH ACCESS TO INFORMATION NOT AVAILABLE TO THE GENERAL PUBLIC.

(e) ANY OTHER INFORMATION DEEMED RELEVANT BY THE DIVISION OR THE COMMISSION; AND

(f) THE UNIQUE CIRCUMSTANCES OF THE DIFFERENT ENTITIES TO WHICH THIS CERTIFICATION APPLIES AS SET FORTH IN SUBSECTION (4) OF THIS SECTION.

(3) AT THE TIME OF SUBMISSION OF AN APPLICATION, AND EACH YEAR THE ENTITY IS CERTIFIED PURSUANT TO THIS SECTION, THE APPLICANT SHALL PAY THE DIVISION A FEE, AS PRESCRIBED BY THE DIVISION, TO COVER THE COSTS OF THE DIVISION AND THE COMMISSION IN ADMINISTERING THE CERTIFICATION PROGRAM FOR ENTITIES THAT HOLD CONSERVATION EASEMENTS FOR WHICH TAX CREDITS ARE CLAIMED PURSUANT TO SECTION 39-22-522. THE DIVISION SHALL HAVE THE AUTHORITY TO ACCEPT AND EXPEND GIFTS, GRANTS, AND DONATIONS COLLECTED PURSUANT TO THIS SUBSECTION (3) TO THE CONSERVATION CASH FUND CREATED IN SECTION 12-61-1107. WHETHER AN APPLICANT FOR CERTIFICATION POSSESS THE NECESSARY QUALIFICATIONS FOR CERTIFICATION REQUIRED BY THE RULES ADOPTED BY THE DIVISION. IF THE DIVISION DETERMINES THAT AN APPLICANT DOES NOT POSSESS THE APPLICABLE QUALIFICATIONS FOR CERTIFICATION OR THAT THE APPLICANT HAS VIOLATED ANY PROVISION OF THIS PART 11, THE RULES PROMULGATED BY THE DIVISION, OR ANY DIVISION ORDER, THE DIVISION MAY DENY THE APPLICANT A CERTIFICATION OR DENY THE RENEWAL OF A CERTIFICATION, AND, IN SUCH INSTANCE, THE DIVISION SHALL PROVIDE THE APPLICANT WITH A WRITING SETTING FORTH THE BASIS OF THE DIVISION'S DETERMINATION. THE APPLICANT MAY REQUEST A HEARING ON THE DETERMINATION AS PROVIDED IN SECTION 24-4-104 (9). THE DIVISION SHALL NOTIFY SUCCESSFUL APPLICANTS IN WRITING. AN APPLICANT THAT IS NOT CERTIFIED MAY REAPPLY FOR CERTIFICATION IN ACCORDANCE WITH PROCEDURES ESTABLISHED BY THE DIVISION.

(7) THE DIVISION SHALL PROMULGATE RULES TO EFFECTUATE THE DUTIES OF THE COMMISSION PURSUANT TO ARTICLE 4 OF TITLE 24. SUCH RULES SHALL SPECIFICALLY ADDRESS THE FOLLOWING:

(a) A STREAMLINED AND LOWER-COST PROCESS FOR CONSERVATION EASEMENT HOLDERS THAT DO NOT INTEND TO ACCEPT NEW DONATIONS OF CONSERVATION EASEMENTS FOR WHICH TAX CREDITS WOULD BE CLAIMED THAT FOCUSES ON THE HOLDER'S STEWARDSHIP CAPABILITIES;

(c) THE FEES CHARGED PURSUANT TO SUBSECTION (3) OF THIS SECTION OR SECTION 12-61-1106 (6), SPECIFICALLY ENSURING THAT THE FEES ARE ADEQUATE TO PAY FOR ADMINISTRATIVE COSTS BUT NOT SO HIGH AS TO ACT AS A DISINCENTIVE TO THE CREATION OF CONSERVATION EASEMENTS IN THE STATE; AND

(d) THE ADOPTION OF BEST PRACTICES, PROCESSES, AND PROCEDURES USED BY OTHER ENTITIES THAT REGULARLY REVIEW CONSERVATION EASEMENT TRANSACTIONS, INCLUDING A PRACTICE, PROCESS, OR PROCEDURE DEEMING QUALIFIED CONSERVATION EASEMENT APPRAISALS APPROVED BY THESE ENTITIES BASED ON THEIR INDEPENDENT REVIEWS AS CREDIBLE FOR PURPOSES OF THE CONSERVATION EASEMENT TAX CREDIT.

(8) A CONSERVATION EASEMENT TAX CREDIT CERTIFICATE APPLICATION MAY BE SUBMITTED PURSUANT TO SECTION 12-61-1106 ONLY IF THE ENTITY HAS BEEN CERTIFIED IN ACCORDANCE WITH THIS SECTION AT THE TIME THE DONATION OF THE EASEMENT IS MADE. THE DIVISION SHALL MAKE INFORMATION AVAILABLE TO THE PUBLIC CONCERNING THE DATE THAT IT COMMENCES ACCEPTING APPLICATIONS FOR ENTITIES THAT HOLD CONSERVATION EASEMENTS AND THE REQUIREMENTS OF THIS SUBSECTION (8).

(9) THE DIVISION SHALL MAINTAIN AND UPDATE AN ONLINE LIST, ACCESSIBLE TO THE PUBLIC, OF THE ORGANIZATIONS THAT HAVE APPLIED FOR CERTIFICATION AND WHETHER EACH HAS BEEN CERTIFIED, REJECTED FOR CERTIFICATION, OR HAD ITS CERTIFICATION REVOKED OR SUSPENDED IN ACCORDANCE WITH THIS SECTION.

(10) THE DIVISION MAY INVESTIGATE THE ACTIVITIES OF ANY ENTITY THAT IS REQUIRED TO BE CERTIFIED PURSUANT TO THIS SECTION AND TO IMPOSE DISCIPLINE FOR NONCOMPLIANCE, INCLUDING THE SUSPENSION OR REVOCAITON OF A CERTIFICATION OR THE IMPOSITION OF FINES. THE DIVISION MAY PROMULGATE RULES IN ACCORDANCE WITH ARTICLE 4 OF TITLE 24 FOR THE CERTIFICATION PROGRAM AND DISCIPLINE AUTHORIZED BY THIS SECTION.

(11) THE DIVISION MAY SUBPOENA PERSONS AND DOCUMENTS, WHICH SUBPOENAS MAY BE ENFORCED BY A COURT OF COMPETENT JURISDICTION IF NOT OBEYED, FOR PURPOSES OF CONDUCTING INVESTIGATIONS PURSUANT TO SUBSECTION (10) OF THIS SECTION.

(12) NOTHING IN THIS SECTION:

(a) AFFECTS ANY TAX CREDIT THAT WAS CLAIMED PURSUANT TO SECTION 39-22-522 BEFORE CERTIFICATION WAS REQUIRED BY THIS SECTION; OR

Pursuant to section 39-22-522.

The division shall apply claimed tax credit amounts that exceed the annual limit in any year against the limit for the next available year and issue tax credit certificates for use in the year in which the amount was applied to the annual limit.

(3) The division shall not issue tax credit certificates that in aggregate exceed the limit set forth in section 39-22-522 (2.5) during a particular calendar year.

The purpose of the
APPLICATION PROCESS IS TO DETERMINE WHETHER A CONSERVATION EASEMENT DONATION FOR WHICH A TAX CREDIT WILL BE CLAIMED:

(I) IS A CONTRIBUTION OF A QUALIFIED REAL PROPERTY INTEREST TO A QUALIFIED ORGANIZATION TO BE USED EXCLUSIVELY FOR A CONSERVATION PURPOSE;

(II) IS SUBSTANTIATED WITH A QUALIFIED APPRAISAL PREPARED BY A QUALIFIED APPRAISER IN ACCORDANCE WITH THE UNIFORM STANDARDS OF PROFESSIONAL APPRAISAL PRACTICE; AND

(c) THE DIRECTOR HAS THE AUTHORITY AND RESPONSIBILITY TO DETERMINE COMPLIANCE WITH THE REQUIREMENTS OF SECTION 12-61-1104.

(d) THE COMMISSION HAS THE AUTHORITY AND RESPONSIBILITY TO DETERMINE WHETHER A CONSERVATION EASEMENT DONATION FOR WHICH A TAX CREDIT IS CLAIMED PURSUANT TO SECTION 39-22-522 IS A QUALIFIED CONSERVATION CONTRIBUTION AS DEFINED IN SECTION 170(h) OF THE FEDERAL "INTERNAL REVENUE CODE OF 1986", AS AMENDED, AND ANY FEDERAL REGULATIONS PROMULGATED IN CONNECTION WITH SUCH SECTION.

(6) A LANDOWNER SUBMITTING AN APPLICATION FOR A TAX CREDIT CERTIFICATE PURSUANT TO THIS SECTION OR AN APPLICATION FOR AN OPTIONAL PRELIMINARY ADVISORY OPINION PURSUANT TO SUBSECTION (14) OF THIS SECTION SHALL PAY THE DIVISION A FEE AS PRESCRIBED BY THE DIVISION. THE APPLICATION FEE FOR AN OPTIONAL PRELIMINARY ADVISORY OPINION MAY BE A DIFFERENT DOLLAR AMOUNT THAN THE
application fee for a tax credit certificate. The fees must be adequate to pay for the administrative costs of the division and
the commission in administering the requirements of this section,
but not so high as to act as a disincentive to the creation of
conservation easements in the state. The state treasurer shall
credit the fees collected pursuant to this subsection (6) to the
conservation cash fund created in section 12-61-1107. On or
before January 1, 2014, and on or before each January 1

landowner by first class mail. The division shall send letters
documenting potential deficiencies to landowners in a timely
manner so that the number of days between the date a
completed application is received by the division and the mailing
date of the division’s letter to address the potential deficiencies
identified by the director and the commission and provide
additional information or documentation that the director or
the commission deems necessary to make a final determination
regarding the application.

information and documentation and make a final determination
regarding the application.

(d) The deadlines prescribed by this subsection (7) may be
extended upon mutual agreement between the director and the

a second appraisal or a review of the appraisal submitted with
the application from an appraiser who meets the requirements of
part 7 of this title 12 and is in good standing with the board
before making a final determination regarding the application.

(10) If the director and the commission do not identify any
potential deficiencies with an application, the director and the
commission shall approve the application, and the division shall
issue a tax credit certificate to the landowner pursuant to
section 12-61-1105 in a timely manner so that the number of days

the Commission for purposes of administering the process for
issuing approvals and denials of applications and for

(12) (a) The landowner may appeal to the Director either
the Director's or the Commission's denial of an application, in

In resolving disputes regarding the validity or the amount of a credit allowed pursuant to subsection (2) of this section, including the value of the conservation easement for which the credit is granted, the executive director shall have the authority, for good cause shown and in consultation with the division of real estate conservation and the conservation easement oversight commission created in section 12-61-725 (1), C.R.S., to review and accept or reject, in whole or in part, the appraisal value of the easement, the amount of the credit, and the validity of the credit based upon the internal revenue code and federal regulations in effect at the time of the donation. If the executive director reasonably believes that the appraisal represents a gross valuation misstatement, receives notice of such a valuation misstatement from the division of real estate, or receives notice from the division of real estate that an enforcement action has been taken by the board of real estate appraisers against the appraiser, the executive director shall have the authority to require the taxpayer to provide a second appraisal at the expense of the taxpayer. The second appraisal shall be conducted by a certified general appraiser in good standing and not affiliated with the first appraiser that met qualifications established by the division of real estate. WHEREAS, Colorado encourages North Korea to continue to work with South Korea and the United States in making substantial efforts to reform its record of human rights abuses, to release political prisoners, and to return property belonging to other countries; and

WHEREAS, North Korea's human rights record has been considered among the worst in the world and has been globally
condemned, with groups such as the United Nations, Amnesty International, Human Rights Watch, and the European Union all critical of the country's record. Indeed, most international human rights organizations consider North Korea to have no contemporary parallel with respect to violations of liberty; and

WHEREAS, North Korea's human rights abuses include slave labor, no freedom of expression or religion, active persecution of Christians and Buddhists, no free press, no freedom of movement, uneven distribution of food to the privileged and starvation of the poor, forced prostitution, and forced abortion; and

WHEREAS, In North Korea, political crimes are greatly varied, from border crossing to any disturbance of the political order, and they are rigorously punished. Due to the dire prison conditions with hunger and torture, a large percentage of prisoners do not survive their sentence term; and

WHEREAS, North Korea holds three United States citizens as political prisoners. The three political prisoners, Kim Hak-song, Kim Dong-chul, and Kim Sang-duk are three of an estimated 80,000 to 120,000 people in North Korea's six political prison camps, in which the U.S. State Department has found evidence of starvation, forced labor, and torture; and

WHEREAS, Kim Hak-song is a Korean-American who worked at the Pyongyang University of Science and Technology (PUST). Kim was arrested for "hostile acts" against the state; and

WHEREAS, Kim Dong-chul is a South Korea-born businessman and naturalized United States citizen. Kim had been living in China with his wife, and owns a business in a special economic zone of North Korea and is a Christian missionary. Kim was arrested for "espionage" in October 2015; and

WHEREAS, Kim Sang-duk is a Korean-American former professor teaching accounting at the Business Administration School of Yanbian University of Science and Technology (YUST) in the northeastern Chinese city of Yanji, near the Chinese border with North Korea. At the time of his arrest, Kim had completed a one-month assignment as a guest lecturer in international finance and management at the Pyongyang University of Science and Technology (PUST). Kim was arrested for "hostile criminal acts with an aim to subvert the country" in April 2017; and

WHEREAS, The release of these three Americans from North Korean labor camps would be a unique and powerful gesture of peace and reconciliation; and

WHEREAS, Another gesture to thaw relations and bring healing is to return the only U.S. ship currently under the control of a foreign county; and

WHEREAS, The U.S.S. Pueblo was originally launched as a United States Army cargo ship in 1944 and was transferred to the United States Navy and renamed the U.S.S. Pueblo in 1966 in honor of the City of Pueblo and the County of Pueblo, Home of Heros and four National Congressional Medal of Honor recipients; and

WHEREAS, The U.S.S. Pueblo was captured by North Korea on January 23, 1968, while in international waters. During the efforts to escape, one crewmember was killed in action. North Korea captured 80 crewmembers and two oceanographers as well as the U.S.S. Pueblo. The 82 prisoners were thankfully released 11 months later; and

WHEREAS, The North Korean government uses the U.S.S. Pueblo as an exhibit at the Victorious Fatherland War Museum in Pyongyang, filled with propaganda and historical inaccuracies; now, therefore,
Be it resolved by the Senate of the Seventy-first General Assembly of the State of Colorado:

That we, the Senate of the State of Colorado:

1. Demand the release of the three United States citizens, Kim Hak-song, Kim Dong-chul and Kim Sang-duk;

2. Request the release of the nearly 120,000 political prisoners from North Korea’s six political camps;

3. Encourage North Korea to engage in meaningful human rights reformations;

4. Support the recent peaceful actions of North Korea and remain hopeful that the nation will continue on a positive course for the rights of its citizens and for sake of global security;

5. Believe that the return of the U.S.S. Pueblo to the people of Colorado and the United States would be a good faith action by North Korea in furtherance of improving relations; and

6. Strongly urge Congress, the President, and the President's Administration to actively pursue the release of North Korea’s political prisoners, the return of the three United States citizens being unlawfully detained, and the restoration of the U.S.S. Pueblo to its rightful home.

Be it Further Resolved, that copies of this Memorial be sent to President Donald J Trump; Mike Pompeo, Secretary of State; Marc Knapper, Charge d’Affaires ad interim to South Korea; and Colorado's Congressional delegation.

(k) The alternative tax credit calculation set forth in this subsection (3.8) is not intended as an alternative means of valuing the donation of a conservation easement in gross for purposes of a federal charitable deduction pursuant to section 170(h) of the internal revenue code, as amended, and any federal regulations promulgated in connection with such section.

(4)(a) (I) For a conservation easement in gross created in accordance with article 30.5 of title 38 C.R.S., that is donated prior to January 1, 2007, to a governmental entity or a charitable organization described in section 38-30.5-104(2), C.R.S., the credit provided for in subsection (2) of this section shall be an amount equal to one hundred

Dear Members of the Colorado Senate:
Today, I vetoed Senate Bill 18-179, "Concerning the Extension of the Credit for Tobacco Products that a Distributor Ships or Transports to an Out-of-state Consumer" at 3:26 pm.

Senate Bill 18-179 ("SB 18-179") permanently lowers taxes on cigars and other non-cigarette tobacco products sold directly to out-of-state customers. Last year, I vetoed similar legislation, Senate Bill 17-139 ("SB 17-139") to extend a tax credit on sales for these products to out-of-state consumers for an additional three years. [1] Although SB 18-179 differs from the 2017 bill by shifting from a tax credit to an adjustment, according to the nonpartisan fiscal analysis of SB 18-179, the effect is the same. [2] Senate Bill 18-179 goes even further by making the tax reduction permanent.

In assessing the bill's economic impact, we note that the Department of Revenue is not permitted to disclose the number of taxpayers that claim this tax credit, as there are not at least three taxpayers claiming this credit or one of them represents more than 80 percent of the total credit claimed. Furthermore, the bill's proponents identified only one company benefiting from the bill. That company cited fewer than a dozen jobs created due to the existing credit.

While the bill's economic benefits appear minimal, the negative health effects of cheaper tobacco are both significant and compelling. These concerns remain from when we vetoed SB 17-139. As we wrote in our letter to the General Assembly last year:

"It is undisputed that tobacco product consumption is harmful to public health. According to the U.S. Centers for Disease Control and Prevention, 4.6 million middle and high school students use tobacco products. While only five percent of adults use cigars, over eight percent of high school students use these products. Among middle and high school students, use of cigars nearly equals the rate of cigarettes. Cheaper, candy-flavored cigars are particularly attractive to youth and have the potential to turn kids into lifelong smokers. Cigar smoking is not a safer alternative to cigarettes, and is linked to increased risk of cancer and death. In short, taxes on tobacco products have proven to be an effective public health tool. Allowing reductions for retailers and distributors, such as those reauthorized by Senate Bill 17-139, harms Colorado's ability to educate the public on risks associated with tobacco use."

Furthermore, as we noted in our letter regarding SB17-139, "tax uniformity and equity are core foundations for an efficient and fair tax code." However, SB 18-179 does not extend similar tax benefits to other products such as alcohol, marijuana, tobacco, and fuels. Once more, we reaffirm that uniformity and equity are critical principles for a sound tax code; yet are absent in this bill.

Accordingly, Senate Bill 18-179 is vetoed.

Sincerely,

2. SB 18-179 Revised Fiscal Note, Colo. Legis. Council Staff (Apr. 9, 2018) ("Changing these tax expenditures from credits to deductions is not expected to affect the tax benefit available to taxpayers. Timing of revenue impacts may shift within fiscal years, but the net revenue impact across fiscal years is expected to be minimal." (emphasis added)).
After reviewing all committee hearing records, visiting with the bill's proponents and opponents, and reviewing comments from families, coroners, and reporters, it is clear that both sides of this debate share the same goal: limiting deaths of Colorado youths and preventing further trauma to families. At its core, the issue before us is the proper balance between protecting grieving families from continued trauma due to public disclosure, and permitting such information disclosure to prevent future tragedies.

History shows that bringing tragedies to the public’s attention is the greatest catalyst for public policy change. Transparency can lead to enhanced government protections, greater public and private resources, and heightened public understanding and demand for change. We need not look far for examples in which public disclosure, media scrutiny, and good journalism led to positive changes to prevent tragedies, particularly in areas such as child neglect, abuse, and trafficking. While crafted for the very laudable goal of protecting families from additional pain caused by public knowledge of a child’s death, we cannot ignore that SB 18-223 hampers public disclosure. And we are particularly concerned by the bill's broad language limiting disclosure of not only youth suicides, but any death of a minor.

Few circumstances can ever match the trauma of losing a child, and we commend the sponsors for their desire to protect families of deceased children from continued pain. For these reasons, we do not issue this veto lightly. We remain persuaded, however, that sunshine on uncomfortable and painful topics such as youth deaths can lead to more positive outcomes for other youths, stemming from how we collectively react to the knowledge of youth deaths. An informed public has societal benefits for all at-risk children, present and future. Accordingly, Senate Bill 18-223 is vetoed.

Sincerely,

Dear Members of the Colorado Senate:

Today, I vetoed Senate Bill 18-156, "Concerning the Publication of Fiscal Information by a County" at 4:16 pm. Senate Bill 18-156 ("SB 18-156") relaxes requirements for counties to publish various financial reports in newspapers, changing the frequency and manner of how reports are published.

We always look for opportunities to streamline government and implement efficiencies. Senate Bill 18-156 is a laudable effort to do just that. The bill reduces the frequency in which county reports are published in a legal newspaper, driving residents to rely more on cost effective methods of publication such as county websites. According to the nonpartisan fiscal note for the bill, cost savings to counties would range from $100 to $500 per year per county.

The underlying law was enacted in a time when newspapers were the dominant, if not sole, form of public information in all communities. For some communities, this is still the norm. While we recognize that laws must be updated with the times, until all communities have full online access, we should not force Coloradans to the Internet to review public notices when some have no Internet access to do so. Additionally, creating a comprehensive plan to prepare the state for the change this bill seeks, including improving digital literacy, will help to avoid disenfranchising Coloradans from where they have traditionally received their information. We appreciate the bill's delayed effective date so that broadband may further reach rural communities. However, until more certainty exists when full buildout can be achieved and behavior has shifted, we cannot support legislation reducing transparency in one of the few mediums available to communities lacking broadband.

We certainly appreciate the desire of counties to find cost savings and rely more on cost effective online resources. However, SB 18-156 is premature. We continue to pursue full broadband buildout in all rural communities and recently bolstered this effort with Senate Bill 18-002 to shift major funding to support broadband deployment grants. However, the goal of full buildout has yet to be realized. We are persuaded that the sponsors' concept is sound and the bill's time is near. But that time must closely align with full broadband availability throughout the State. To that end, we encourage the sponsors to bring this bill next year with trigger language taking effect not at a date certain, but rather once full broadband buildout is achieved.

Until Colorado achieves full broadband access, we believe that SB 18-156 is ahead of its time. Accordingly, SB 18-156 is vetoed.

Sincerely,
