CONCERNING THE REAUTHORIZATION OF THE COLORADO RESILIENCY OFFICE, AND, IN CONNECTION THEREWITH, MAKING AN APPROPRIATION.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) In response to floods affecting the state in 2013, the governor's office created the Colorado resiliency and recovery office by executive order to coordinate long-term recovery efforts, connect communities with state and federal resources, and support communities to reduce the impacts of future disasters. The office was later transferred to the department of local affairs. The Colorado resiliency office is now integral to long-term

recovery in every disaster.

(b) In 2018, the general assembly created the office in statute, renaming it the Colorado resiliency office, and codified core functions related to long-term disaster recovery and rebuilding, with a focus on resilience in preparation for future disasters.

(c) The Colorado resiliency office is currently funded solely through grant funding, with no stable financial commitment to its functions in disaster recovery. Its current funding through the disaster emergency fund will expire on June 30, 2019, and will result in the closure of the office.

(d) In the absence of general fund funding, the state will lose the services the Colorado resiliency office provides in disasters, including coordinating community and economic recovery efforts across multiple agencies and supporting risk and vulnerability reduction efforts across Colorado before and after disasters occur.

(2) Therefore, it is the intent of the general assembly to reauthorize the Colorado resiliency office and to make regular funding available through the general fund.

SECTION 2. In Colorado Revised Statutes, **amend** 24-32-121 as follows:

24-32-121. Colorado resiliency office - creation - director - repeal. (1) ~~Subject to available grant funding,~~ The Colorado resiliency office is created in the division of local government within the department of local affairs. The office exercises its powers, duties, and functions under the division and the department as a **type 2** entity, as defined in section 24-1-105.

(2) THIS SECTION IS REPEALED, EFFECTIVE SEPTEMBER 1, 2022. BEFORE ITS REPEAL, THE COLORADO RESILIENCY OFFICE IS SCHEDULED FOR REVIEW IN ACCORDANCE WITH SECTION 24-34-104.

SECTION 3. In Colorado Revised Statutes, 24-32-122, **repeal** (4);

and add (6) as follows:
