CONCERNING A PROHIBITION AGAINST DISCRIMINATION BASED ON A PERSON'S TRAITS THAT ARE HISTORICALLY ASSOCIATED WITH RACE.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Short title. The short title of this act is the "Creating a Respectful and Open World for Natural Hair Act of 2020" or the "CROWN Act of 2020".

SECTION 2. Legislative declaration. (1) The general assembly finds and declares that:

Capital letters or bold & italic numbers indicate new material added to existing law; dashes through words or numbers indicate deletions from existing law and such material is not part of the act.

(a) Throughout the history of the United States, society has used hair texture, hair type, and protective hairstyles, in conjunction with skin color, to classify people on the basis of race;

(b) Like skin color, a person's hair has served as a basis of race discrimination;

(c) Racial discrimination can and does occur because of longstanding racial biases and stereotypes associated with hair texture, hair type, and protective hairstyles;

(d) For example, routinely, people of African descent are deprived of educational and employment opportunities because they are adorned with natural or protective hairstyles in which hair is tightly coiled or tightly curled or worn in locs, cornrows, twists, braids, Bantu knots, or Afros;

(e) Racial discrimination is reflected in school and workplace policies and practices that bar natural or protective hairstyles commonly worn by people of African descent, as well as people of Jewish, Latinx, or Native American descent;

(f) The state should acknowledge that people who have hair texture or wear a hairstyle that is historically and contemporarily associated with persons of African, Jewish, Latinx, or Native American descent systematically suffer harmful discrimination in schools, workplaces, and other contexts based upon longstanding race stereotypes and biases;

(g) A clear and comprehensive law should address the systematic deprivation of educational, employment, and other opportunities on the basis of hair texture, hair type, and protective hairstyles that are commonly associated with race;

(h) Clear, consistent, and enforceable legal standards must be provided to redress the widespread incidences of race discrimination based upon hair texture, hair type, and protective hairstyles in schools, workplaces, housing, places of public accommodations, and other contexts;

(i) It is necessary to prevent educational, employment, and other decisions, practices, and policies generated by or reflecting negative biases

and stereotypes related to race;

(j) The state must play a key role in enforcing state antidiscrimination laws, including the standards established under the "CROWN Act of 2020", in a way that secures equal educational, employment, and other opportunities for all people regardless of their race and protects against race discrimination based on hair texture, hair type, and protective hairstyles; and

(k) It is necessary to prohibit and provide remedies for the harms suffered as a result of race discrimination on the basis of hair texture, hair type, and protective hairstyles.
