**FOOTNOTES --** The following statements are referenced to the numbered footnotes throughout section 2.

- 67 Department of Local Affairs, Executive Director's Office, Moffat Tunnel Improvement District -- It is the General Assembly's intent that the Department continue its current practice of retaining lease payment revenues in the Moffat Tunnel Cash Fund and suspending distribution payments to Improvement District counties because this practice ensures that funds remain available to cover any potential Improvement District liabilities related to the Tunnel and any costs related to studies or other actions that need to occur prior to the expiration of the lease with Union Pacific Railroad in 2025 in order to protect the interests of the Improvement District and the State.
- 68 Department of Local Affairs, Division of Housing -- It is the General Assembly's intent that the Department target state General Fund appropriations for affordable housing to projects and clients that can be reasonably expected to reduce other State costs. It is the General Assembly's further intent that the Department prioritize State-funded rental assistance for the following populations:
- Medicaid clients who are transitioning from a nursing home or long-term care facility;
  - clients transitioning from a State Mental Health Institute or a State-funded behavioral healthcare facility; and
  - clients transitioning from the Department of Corrections, the Division of Youth Services in Department of Human Services, or a county jail.
- 69 Department of Local Affairs, Division of Housing, Community and Non-Profit Services, Community Services, Low Income Rental Subsidies; Field Services, Affordable Housing Construction Grants and Loans pursuant to Section 24-32-721, C.R.S.; and Housing Assistance for Persons Transitioning from the Criminal or Juvenile Justice System -- It is the General Assembly's intent that the Department record expenditures for rental vouchers issued by the Division of Housing within the Low Income Rental Subsidies line item.
