(2) BEFORE JULY 1, 2024, no holder of such certificate of purchase, other than the conservancy district, shall be entitled to a tax deed thereon, except upon payment of all assessments subsequent to such certificate of purchase, which are due and unpaid or unredeemed, at the time of issuance of the tax deed; and the tax deed so issued to such holder shall be subject to future unpaid assessments. Any such holder of a certificate of purchase may at any time after three years from issuance thereof present the same to the county treasurer, together with all subsequent certificates held by ~~him~~ THE HOLDER, as evidence of subsequent payment of assessments, and request the county treasurer to issue one tax deed thereon; and one tax deed shall be issued accordingly in the same manner as other tax deeds.

Such action shall be conducted in the same manner as an action to quiet title to real estate under the laws of the state; and after the final determination of such action, the validity of the taxes for which the property was sold and the legality of the proceedings taken in the sale of the property involved shall be incontestable between all persons and parties whatsoever.
