HOUSE  
2nd Reading Unamended  
January 25, 2016

allows the member to receive a full retirement benefit. Current law requires a transfer from the statewide death and disability plan to the member's normal retirement plan at the rate of 16% of the member's monthly base salary for the time that the member received temporary disability benefits, even if the contribution rate for the member's normal retirement plan was less than 16%. The bill changes the contribution rate to an amount equal to the employer and employee contribution rate being made to the member's normal retirement plan at the time of the disability, not to exceed 16% of the member's monthly base salary.

Currently, FPPA employers are required to ask prospective employees to complete a statewide standard health history form, and the prospective employees are required to complete the form before they may begin employment. The bill changes this requirement and now requires that a newly hired FPPA member complete and submit the form to the FPPA within 30 days of the newly hired member's first day of employment.

2 **SECTION 1.** In Colorado Revised Statutes, 31-31-805, **amend**  
3 (2) (i) and (2.5) as follows:

4 **31-31-805. Change in disability status - reexamination.**

5 (2) (i) When a temporary occupational disability ceases to exist and the  
6 member is restored to active service with the member's employer, a  
7 transfer will be made from the statewide death and disability plan to the  
8 member's normal retirement plan in the amount of THE MONTHLY  
9 EMPLOYER AND EMPLOYEE CONTRIBUTIONS BEING MADE TO THE MEMBER'S  
10 PENSION PLAN AT THE TIME OF DISABILITY BUT NOT MORE THAN sixteen  
11 percent of the monthly base salary that the member was being paid at the  
12 time of disability retirement, multiplied by the number of months the  
13 member received temporary occupational disability benefits. The member  
14 will receive service credit for such transfer. A restored member of a local  
15 plan which has a contribution rate in excess of sixteen percent shall have  
16 the difference between the amount transferred and the amount that would

1 have been contributed at the excess rate, made up by an additional  
2 contribution from the employer.

3 (2.5) When a member on temporary occupational disability  
4 satisfies the age and service requirements for a normal retirement,  
5 including the time the member was on temporary occupational disability,  
6 a transfer shall be made from the statewide death and disability plan to the  
7 member's normal retirement plan in the amount of THE MONTHLY

12 member received temporary occupational disability benefits. A member  
13 of a statewide or local retirement plan that has a mandatory contribution  
14 rate in excess of sixteen percent shall have the difference between the  
15 amount transferred and the amount that would have been contributed at  
16 the excess rate made up by an additional contribution from the employer.  
17 The member shall then be granted a normal retirement under the  
18 member's normal retirement plan and the temporary occupational  
19 disability benefits under the statewide death and disability plan shall  
20 terminate.

21 **SECTION 2.** In Colorado Revised Statutes, 31-31-810, **amend**

5 **SECTION 3. Applicability.** Section 1 of this act applies to  
6 members on temporary occupational disability who are restored to active  
7 service or satisfy the age and service requirements for a normal retirement  
8 on or after the effective date of this act.

9 **SECTION 4. Act subject to petition - effective date.** This act  
10 takes effect at 12:01 a.m. on the day following the expiration of the  
11 ninety-day period after final adjournment of the general assembly (August

13 referendum petition is filed pursuant to section 1 (3) of article V of the  
14 state constitution against this act or an item, section, or part of this act  
15 within such period, then the act, item, section, or part will not take effect  
16 unless approved by the people at the general election to be held in
