BILL TOPIC: MAKE REFERENCES TO ATTORNEY GENERAL GENDER NEUTRAL

Summary of Legislation

The bill makes the state statutes that govern or refer to the attorney general or to the attorney general's office gender neutral.

Assessment

The bill will not change the expenditures or revenue of any state agency or local government; it merely changes masculine gender references to the Attorney General in the Colorado Revised Statutes and makes other standard word changes to conform with current drafting practices in the Office of Legislative Legal Services. For these reasons, the bill is assessed as having no fiscal impact.

Effective Date

The bill was signed into law by the Governor on April 14, 2016, and it takes effect August 10, 2016, assuming no referendum petition is filed.
