Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov/>.)

The bill creates the office of public guardianship (office) within the judicial department to provide legal guardianship services to indigent and incapacitated adults who:

- ! Have no responsible family members or friends who are available and appropriate to serve as a guardian; and
- ! Lack adequate resources to compensate a private guardian and pay the costs and fees associated with an appointment proceeding.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
*Capital letters indicate new material to be added to existing statute.
Dashes through the words indicate deletions from existing statute.*

The office is established as a pilot program, to be evaluated and then continued, discontinued, or expanded at the discretion of the general assembly in 2021. On or before January 1, 2021, the director of the office shall submit a report to the judiciary committees of the senate and the house of representatives. The report, at a minimum, must:

- ! Quantify, to the extent possible, Colorado's unmet need for public guardianship services for indigent and incapacitated adults;
- ! Quantify, to the extent possible, the average annual cost of providing guardianship services to indigent and incapacitated adults;
- ! Quantify, to the extent possible, the net cost or benefit, if any, to the state that may result from the provision of guardianship services to each indigent and incapacitated adult in each judicial district of the state;
- ! Assess whether an independent statewide office of public guardianship is preferable and feasible;
- ! Analyze costs and off-setting savings to the state from the delivery of public guardianship services; and
- ! Provide uniform and consistent data elements regarding service delivery in an aggregate format that does not include any personal identifying information of any person.

The bill creates the public guardianship commission (commission) within the judicial department and charges the commission with appointing a director of the office. The director serves at the pleasure of the commission.

The bill creates the office of public guardianship cash fund (fund) in the state treasury. The fund consists of any money that the office receives from gifts, grants, or donations as well as any other money appropriated to the fund by the general assembly.

The office and the fund are repealed, effective June 30, 2021.
