own serious health condition.

Each employee in the state will pay a premium determined by the director of the division by rule, which premium is based on a percentage of the employee's yearly wages and must not exceed .99%. The premiums are deposited into the family and medical leave insurance fund from which family and medical leave benefits are paid to eligible individuals. The director may also impose a solvency surcharge by rule if determined necessary to ensure the soundness of the fund. The division is established as an enterprise, and premiums paid into the fund are not considered state revenues for purposes of the taxpayer's bill of rights (TABOR).

Be it enacted by the General Assembly of the State of Colorado:
