established by the national standards institute for permanent paper for printed library materials. However, that standard is outdated and no longer used in the industry. The bill updates the statutory reference to the current applicable alkaline minimum reserve requirements and acidity levels for uncoated paper as established by the American national standards institute and the national information standards organization. The change will not affect the current publications contract; however, it will apply to future contracts and extensions of contracts.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1.** In Colorado Revised Statutes, **amend** 2-5-105.5 as
3 follows:

4 **2-5-105.5. Publication - paper specification.** (1) ~~In any A~~
