Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$305,777 General Fund to the Department of Revenue for FY 2017-18. This provision also states that the appropriation is based on the assumption that the Department will require an additional 0.4 FTE.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2017-18 based on the March 2017 Legislative Council Staff revenue forecast. The budget package, as modified by the first report of the first conference committee on the Long Bill (S.B. 17-254), allocates \$11.3 million General Fund to be available to fund 2017 legislation that is not accounted for in the budget package. If the full \$11.3 million is not used to fund legislation, it will remain in the General Fund reserve.
