*General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2017-18 based on the March 2017 Legislative Council Staff revenue forecast. The budget package allocates \$11.7 million General Fund to be available to fund 2017 legislation that is not accounted for in the budget package. If the full \$11.7 million is not used to fund legislation, it will remain in the General Fund reserve.

*Related Budget Information*

The introduced, reengrossed, and rerevised versions of the FY 2017-18 Long Bill (S.B. 17-254) include \$875,000 General Fund for an independent performance assessment and evaluation of the Division of Youth Corrections' practices at its facilities. The attached Fiscal Note indicates that the provision in H.B. 17-1329 requiring the Division to obtain an independent performance assessment and evaluation of its practices at its facilities has already been funded via the FY 2017-18 Long Bill and H.B. 17-1329 does not require an increase in appropriations for this purpose [see page 3].
