Amended 2nd Reading

The bill establishes a single uniform text for swearing or affirming an oath of office and the requirements regarding how and when an oath or affirmation of office must be taken, subscribed, administered, and filed. All requirements must be completed prior to the official or employee entering upon the office.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds that:

4 (a) Almost every state and local elected or appointed public
5 official must by statute take some type of oath or affirmation of office;

6 (b) Oath or affirmation statutory provisions are not consistent;

7 (c) Most oath or affirmation statutory provisions are silent or
8 incomplete regarding the text, process, and timing of an oath or
9 affirmation;

10 (d) Many oath or affirmation requirements are anachronistic; and

11 (e) Statutory oath or affirmation inconsistencies should be
12 harmonized and the statutes regarding oaths and affirmations of public
13 office should be updated.

14 (2) Now, therefore, the general assembly determines and declares
15 that it is in the public interest to establish a single, consistent text for all
16 oaths and affirmations of office and a consistent process for oaths or
17 affirmations to be in writing, signed, administered, and filed; and to
18 repeal outdated oath and affirmation provisions.
