consists of at least 15, but not more than 20, members and is charged with implementing programs and administering funds received from the corporation for national and community service. The commission is established in the office of the lieutenant governor and receives staff and administrative support from that office. The bill authorizes the commission to receive gifts, grants, and donations to fulfill its functions.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds and declares that:

4 (a) Under the federal "National and Community Service Trust Act
5 of 1993", states must establish a commission for national and community
6 service to receive federal grants, allotments, and national service
7 positions;

8 (b) In 1993, the governor first created the governor's commission
9 on national and community service through executive order;

10 (c) The commission, now called the governor's commission on
11 community service and popularly known as "Serve Colorado",
12 administers funds received from the corporation for national and
13 community service, state funds allocated to the commission, and any
14 other funds received or donated for the purpose of fostering community
15 service, volunteerism, mentoring, and literacy in the state;

16 (d) Among its programs, the commission administers AmeriCorps
17 for the state of Colorado. At a national level, over one million people
18 have served as AmeriCorps members since 1994, providing over one
19 billion hours of service. The AmeriCorps program leverages more than
20 one billion dollars in resources from private, philanthropic, and other
21 sources each year and mobilizes or manages over two million community
22 volunteers each year. In Colorado, over thirty-one thousand residents

1 have served more than twenty-eight million hours and qualified for
2 education awards totaling more than seventy million dollars.

3 (e) The continuation of the commission on community service will
4 further the growth of a culture of civic engagement and foster
5 opportunities for public service in Colorado.

6 (2) Now, therefore, it is the intent of the general assembly to
7 create the governor's commission on community service in state law.
