following:

- ! Provide training and support to all preschool, elementary, and secondary schools and school districts in Colorado regarding school safety, including answering questions and discussing reports received by the program;
- ! Provide educational materials to all preschool, elementary, and secondary schools in Colorado aimed at preventing misuse of the program;
- ! Provide technical assistance and support to law enforcement officials and school officials when there is misuse of the program; and
- ! Analyze and follow up with law enforcement and schools to determine the outcome of a report made to the program, including actions taken on the report.

The bill requires the safe2tell program to prepare a written report analyzing data from the previous year on or before each December 1, beginning in 2018. The report must include data from the preceding fiscal year concerning the following and any recommendations concerning the following:

- ! A summary of outcomes and actions taken on reports made to the program;
- ! The number of safe2tell reports by category, broken down by month;
- ! The total number of incidents of misuse of the program, broken down into categories;
- ! The number of reports received involving a single incident;
- ! The number of times safe2tell was used by a reporting party to make a threat against or otherwise harm another person;
- ! The number of times a reporting party was in crisis and was reporting to the program to obtain assistance and the time it took to identify the reporting party and respond;
- ! The effectiveness of the safe2tell dispatch center in the department of public safety; and
- ! Recommendations regarding how to improve the program based on the available data.

1 *Be it enacted by the General Assembly of the State of Colorado:*
