An Act

SENATE BILL 18-145

BY SENATOR(S) Kefalas, Aguilar, Court, Donovan, Fields, Garcia, Guzman, Jahn, Jones, Kagan, Kerr, Martinez Humenik, Merrifield, Moreno, Neville T., Priola, Smallwood, Tate, Todd, Williams A., Zenzinger; also REPRESENTATIVE(S) Ginal, Arndt, Bridges, Hooton, Lontine, Melton, Rosenthal, Young, Duran.

CONCERNING THE IMPLEMENTATION OF EMPLOYMENT FIRST ADVISORY PARTNERSHIP RECOMMENDATIONS TO ADVANCE COMPETITIVE INTEGRATED EMPLOYMENT FOR PERSONS WITH DISABILITIES, AND, IN CONNECTION THEREWITH, MAKING AN APPROPRIATION.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) Despite having the ability and desire, eighty-five percent of adults with intellectual and developmental disabilities are either unemployed or underemployed due to barriers to competitive integrated employment;

(b) Colorado's low unemployment rate makes it difficult for many employers to fill staffing needs, and some of these needs could be met

through employing persons with disabilities;

(c) In 2016, Senate Bill 16-077 created the Employment First Advisory Partnership and charged the members of the partnership with developing a strategic plan, including relevant policy changes, to expand competitive integrated outcomes for persons with disabilities;

(d) In its November 2017 preliminary report, the Employment First Advisory Partnership made several recommendations for working through public-private partnerships, including creating a Colorado Business Leadership Network, which utilizes business-to-business engagement to drive performance outcomes through disability inclusion, and developing and implementing an outreach program to employers, educators, case managers, and persons with disabilities and their families regarding employment first;

(e) Implementing the Employment First Advisory Partnership's 2017 recommendations will benefit persons with disabilities and further the work of the public-private partnerships, employers, and the state of Colorado by:

(I) Increasing the number of people entering the workforce who contribute to Colorado's tax base;

(II) Increasing the number of persons with disabilities in competitive integrated employment, thereby reducing dependence on public assistance programs; and

(III) Increasing the effectiveness of the service systems currently serving persons with disabilities who are seeking meaningful employment;

(f) Collecting and reporting disability services and employment data is necessary to determine progress toward eliminating segregation in services and increasing the number of persons with disabilities in competitive integrated employment;

(g) Persons with disabilities and potential employers would benefit from minimal requirements for basic training or certification in best practices for supported employment services professionals; and

(h) The discovery process, which is a best-practice assessment tool

for persons with the most significant disabilities should be utilized, when appropriate, as an alternative to existing assessments provided by publicly funded employment services for persons with disabilities.

(2) Therefore, the General Assembly declares that implementing recommendations of the Employment First Advisory Partnership relating to data collection; training for supported employment professionals; appropriate use of the discovery process as an assessment for persons with disabilities; and training and outreach for employers, educators, case managers, and persons with disabilities and their families in employment first opportunities and best practices is necessary to increase opportunities for persons with disabilities and to build on the progress made through employment first initiatives.

SECTION 2. In Colorado Revised Statutes, 8-84-106, **amend** (3)(b)(IV); and **add** (3)(b)(III.5) as follows:
