Summary of Legislation

This bill creates the Health Care Legislative Review Committee (HCLRC). The HCLRC will study health care issues affecting Colorado residents and includes members of the legislative health committees. The HCLRC may recommend five bills to the General Assembly and meet up to six times in each interim, including up to two field trips in one year.

Assumptions

This fiscal note assumes that the HCLRC will meet six times in the interim with four meetings at the Capitol and conduct two field trips. At each meeting, the fiscal note assumes there will be 31 legislators and four staff members to support the HCLRC. It is assumed that each field trip will be one day. The fiscal note also assumes that the first meeting of the HCLRC will occur after July 1, 2018.
