Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$360,141 General Fund for FY 2018-19, including \$225,000 for the Department of Health Care Policy and Financing and \$135,141 for the Department of Regulatory Agencies. This provision also states that the appropriation is based on the assumption that the Department for Regulatory Agencies will require an additional 0.1 FTE to implement the act.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2018-19 based on the March 2018 Office of State Planning and Budgeting revenue forecast. The budget package leaves

HB18-1384**JBC Staff Analysis**

approximately \$40.8 million General Fund unallocated. Thus, the General Assembly could appropriate up to \$38.3 million General Fund to fund 2018 legislation and maintain a 6.5 percent General Fund reserve. This bill requires a General Fund appropriation of \$360,141 for FY 2018-19, reducing the excess General Fund reserve by \$383,550.
