Summary of Legislation

This bill creates the Enhance School Safety Incident Response Grant Program in the Division of Homeland Security and Emergency Management in the Department of Public Safety (DPS). Grant recipients are to use funding for school safety incident response:

- training programs, curricula, and seminars;
- best practices and protocols;
- research and development; and
- technology and infrastructure upgrades to provide training and education.

Grant applicants. Grant applications must be submitted on or before October 1. Applicants must be:

- A nonprofit organization;
- have experience providing school safety incident response training;
- have experience working with law enforcement agencies and first responders; and
- have experience working with school districts, school personnel, and students on issues related to school safety.

Grants are to be awarded on or before December 1 and be based on an applicant's ability to serve school districts and personnel, experience providing school incident response training, experience addressing the psychological and mental health trauma affecting victims and first responders following school safety incidents, and experience providing recommendations to support mental health recovery after school safety incidents.

Reporting. Grant recipients must submit a report to the DPS on or before December 1, 2019. The report must include documentation on the activities conducted, services or training provided, tools or protocols developed, and other information on the effectiveness of the grant.

State Expenditures

For FY 2018-19 only, this bill increases DPS expenditures by \$500,000. These impacts are shown in Table 2 and discussed below.

Table 2
Expenditures Under HB 18-1413

	FY 2018-19	FY 2019-20
Department of Public Safety		
Personal Services	\$20,377	-
Operating Expenses and Capital Outlay Costs	\$4,703	-
Enhance School Safety Incidence Response Grant	\$474,920	-
Centrally Appropriated Costs*	\$7,032	-
FTE – Personal Services	0.3 FTE	-
Total Cost	\$507,032	-
Total FTE	0.3 FTE	-

* Centrally appropriated costs are not included in the bill's appropriation.

Personal Services. For FY 2018-19 only, the DPS requires 0.3 FTE for a grants coordinator. This position will develop grant guidelines, support and assist applicants with grant applications, review submitted applications, award grants, provide grant recipient monitoring to ensure compliance, and prepare grant reports.

Grant Program. For FY 2018-19 only, DPS expenditures increase \$474,920 to provide grant funding to qualifying nonprofit organizations. The number of grant recipients is unknown.

Centrally appropriated costs. Pursuant to a Joint Budget Committee policy, certain costs associated with this bill are addressed through the annual budget process and centrally appropriated in the Long Bill or supplemental appropriations bills, rather than in this bill. These costs, which include employee insurance and supplemental employee retirement payments, are estimated to be \$7,032 in FY 2018-19 only.

Local Government Impact

For FY 2018-19 only, this bill increases workload for school districts to assist grant recipients by providing information related to school incident safety and best practices. Workload also increases to attend any training programs created by grant recipients. This impact has not been estimated, but is expected to be minimal.

Effective Date

The bill was signed into law by the Governor and took effect on May 24, 2018.

State Appropriations

For FY 2018-19, this bill includes an appropriation of \$500,000 and an allocation of 0.3 FTE from the School Safety Resource Center Cash Fund to the Department of Public Safety.
