The Senate Appropriations Committee Report (04/27/18), adopted by the Senate on Second Reading, added an appropriation clause that is consistent with the Legislative Council Staff Fiscal Note.

Consistent with the Legislative Council Staff Fiscal Note, the bill includes an appropriation of \$564,279 General Fund. Staff notes that the Child Nutrition School Lunch Protection Program is currently supported by both General Fund and cash funds from the State Education Fund. The General Assembly could therefore appropriate the increase to support this bill from the General Fund, the State Education Fund, or a combination of both funds.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2018-19 based on the March

SB18-013**JBC Staff Analysis**

2018 Office of State Planning and Budgeting revenue forecast. The budget package leaves approximately \$40.8 million General Fund unallocated. Thus, the General Assembly could appropriate up to \$38.3 million General Fund to fund 2018 legislation and maintain a 6.5 percent General Fund reserve. This bill requires a General Fund appropriation of \$564,279 for FY 2018-19, reducing the excess General Fund reserve by \$600,957.
