(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

Currently money appropriated but unspent for the community-based reentry grant program, the crime victims grant program, the justice reinvestment crime prevention grant program (programs) reverts to the general fund at the end of the fiscal year. The bill creates cash funds for each of the programs so that money for the programs is appropriated into the cash funds and unspent money is available for spending in future years. Currently, the justice reinvestment crime

prevention initiative is scheduled for repeal on September 1, 2020. The bill extends the repeal date to September 1, 2023.
