from the bill to the housing development grant fund, which the division of housing in the department of local affairs (division) uses to make grants and loans to improve, preserve, or expand the supply of affordable housing in the state. The division is required to annually award at least 1/3 of this money for affordable housing projects for households whose annual income is less than or equal to 30% of the area median income.

The increase in sales taxes attributable to the vendor fee changes that result from the bill are excluded from the definition of "state sales tax increment revenue" for purposes of the "Colorado Regional Tourism Act" so that the increase is payable to the state and not an applicable financing entity.

A retailer who collects state sales tax is currently allowed to retain 3 1/3% of the state sales taxes collected as compensation for the retailer's expenses incurred in collecting and remitting the tax (vendor fee). Beginning January 1, 2020, the bill increases the vendor fee to 4% and establishes a \$1,000 monthly cap on the vendor fee. This limit applies regardless of the number of the retailer's locations. A vendor with multiple locations is required to register all locations under one account with the department of revenue. The changes to the state vendor fee do not apply to a local government that imposes a sales tax and permits a vendor fee that is based on the state's vendor fee.

The sales and use tax revenue that is deposited in the housing development grant fund for the state fiscal year 2019-20 is reduced by a specified amount to cover the department of revenue's expenses to make the IT changes necessary to implement the bill, which results in a corresponding increase in the general fund. In turn, this amount is appropriated from the general fund to the department of revenue for this purpose.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Short title.** The short title of this act is the
3 "Affordable Housing Act of 2019".

4 **SECTION 2. Legislative declaration.** (1) The general assembly
5 hereby finds and declares that:

6 (a) According to a 2017 centennial state survey by Colorado
7 Mesa university, "Coloradans rank housing and real estate as the number
8 one problem facing their communities today.";

9 (b) Metro area rents and home prices have increased nearly fifty

1 percent since 2011 and nonmetro area home prices have increased
2 twenty-eight percent, while wages have increased only eleven percent
3 during this time;

4 (c) Fifty percent of Colorado rental households statewide are
5 cost-burdened, spending thirty percent or more of total household income
6 on housing;

7 (d) During the 2017-18 school year, the department of education
8 counted over twenty-four thousand children in Colorado's public schools
9 that at some point during the year were homeless-either unsheltered or
10 living in shelters, motels, or cars-due to economic hardship, domestic
11 violence, or other familial instability;

12 (e) In both 2017 and 2018, Colorado had at least one thousand
13 homeless veterans, according to the annual homeless assessment report
14 to congress;

15 (f) Home prices in Colorado have increased three hundred
16 sixty-six percent since 1991, which is more than any other state,
17 according to the federal housing finance agency;

18 (g) The Colorado association of REALTORS affordability index
19 reached its lowest level ever in November 2018;

20 (h) Independent analysis of Colorado demographic data projects
21 a deficit of over twenty thousand housing units until at least 2025;

22 (i) Among all states that allow retailers to retain a vendor fee,
23 Colorado is among a minority of such states that do not impose an upper
24 limit on the amount of the vendor fee allowance;

25 (j) The purpose of the state sales tax vendor fee is to assist
26 Colorado retailers in complying with the obligation to collect and remit
27 sales tax, but fewer than two percent of all retailers retain nearly

1 two-thirds of all vendor fees retained, an amount exceeding fifty million
2 dollars annually; and

3 (k) By aligning state sales tax vendor fee policy with national
4 norms, Colorado can increase funding for affordable housing without
5 raising taxes.
