## Summary of Legislation

The bill clarifies that high school students who are interested in early childhood education may participate in the teacher cadet program.

## Assessment of No Fiscal Impact

Under current law, the Department of Higher Education administers a teacher cadet program in rural schools and school districts to encourage and support high school students who are interested in pursuing teaching careers in rural Colorado. This bill clarifies that the program also supports students interested in careers in early childhood education. The program's administration, workload, and annual funding are unchanged. For this reason, the bill is assessed as having no fiscal impact.

## Effective Date

The bill was signed into law by the Governor on March 28, 2019, and takes effect August 2, 2019, assuming no referendum petition is filed.
