Page two of the attached Fiscal Note indicates that this bill will decrease General Fund obligations for TABOR refunds by \$64,200 in FY 2019-20, based on the Legislative Council Staff (LCS) December 2018 revenue forecast. However, the LCS March 2019 forecast projects that revenue earned in FY 2019-20 that is subject to the Taxpayer's Bill of Rights (TABOR) spending limit will fall short of the excess state revenues ("Referendum C") cap by \$69.5 million. Thus, based on the most recent LCS forecast, this bill will not affect a TABOR refund obligation in FY 2019-20.
