Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$574,504 General Fund to the Department of Personnel for FY 2019-20. This provision also states that the appropriation is based on the assumption that the Department will require an additional 5.6 FTE. It also reappropriates \$165,808 to the Department of Law for the provision of legal services, and states that the appropriation is based on the assumption that the Department will require 0.9 FTE.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2019-20 based on the March 2019 Legislative Council Staff revenue forecast. The budget package leaves approximately \$65.2 million General Fund unallocated. Thus, the General Assembly could appropriate up to \$60.8 million General Fund to fund 2019 legislation and maintain a 7.25 percent General Fund reserve. This bill requires a General Fund appropriation of \$574,504 for FY 2019-20, reducing the excess General Fund reserve by \$616,156.
