Under current law, local education providers may voluntarily participate in the comprehensive health education program. The bill adds age appropriate information on safe haven laws to the list of topics that are included in the definition of comprehensive health education. Safe haven laws are state laws related to the safe abandonment of a child at a fire station, hospital, or community clinic or emergency center within the first 72 hours of a child's life.

The bill takes effect August 2, 2019, if the General Assembly adjourns on May 3, 2019, as scheduled, and no referendum petition is filed.
