SECTION 8. Appropriation - adjustments to 2020 long bill. To implement this act, the general fund appropriation made in the annual general appropriation act for the 2020-21 state fiscal year to the office of the governor for use by the office of information technology for applications administration is decreased by \$74,620.

SECTION 9. Appropriation. (1) For the 2020-21 state fiscal year, \$74,620 is appropriated to the department of human services. This appropriation is from the General Fund. To implement this act, the department may use this appropriation for the purchase of legal services.

(2) For the 2020-21 state fiscal year, \$74,620 is appropriated to the department of law. This appropriation is from reappropriated funds received from the department of human services under subsection (1) of this section and is based on an assumption that the department of law will require an additional 0.4 FTE. To implement this act, the department of law may use this appropriation to provide legal services for the department of human services.

SECTION 10. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, or safety.
