1 *Be it enacted by the General Assembly of the State of Colorado:*

2           **SECTION 1. Legislative declaration.** (1) The general assembly  
3 finds and declares that:

4           (a) The protection of companion animals from cruelty and neglect  
5 is of utmost importance to the citizens of Colorado;

6           (b) The general assembly has confirmed this value by enacting  
7 some of the most robust and comprehensive animal protection laws in the  
8 country, including the creation of the bureau of animal protection;

9           (c) Bureau of animal protection agents are often the first line of  
10 defense in investigating allegations of animal cruelty and neglect in  
11 Colorado;

12           (d) Bureau of animal protection agents are highly trained officers  
13 who are skilled in responding to suspected cases of animal cruelty and  
14 neglect; and

15           (e) Many law enforcement agencies in the state rely on the  
16 expertise of bureau of animal protection agents to assist in inspecting and  
17 handling animal cruelty and neglect inquiries; however, because the  
18 statutory authority granted to the bureau of animal protection agents is  
19 unclear, not all cases of animal cruelty and neglect are being fully  
20 investigated.

21           (2) Therefore, the general assembly declares it is a necessary and  
22 important part of protecting companion animals to clarify the statutory  
23 investigative and impounding authority of bureau of animal protection  
24 agents to ensure that these agents can fully execute their duty to protect  
25 Colorado companion animals from cruelty and neglect.
