- ! Adds, as a ground for disciplining a nurse, engaging in a sexual act with a patient during the course of care or within 6 months after care is concluded (**section 4**);
- ! Requires licensees and insurance carriers to report malpractice settlements and judgments (**sections 4 and 6 through 8**);
- ! Modifies the grounds for discipline relating to alcohol or drug use or abuse to clarify that the use or abuse need not be ongoing to trigger discipline (**section 4**);
- ! Requires a nurse to report an adverse action or the surrender of a license within 30 days after the action (**section 4**);
- ! Requires a nurse to report a criminal conviction within 30, rather than 45, days after the conviction (**section 4**);

- ! Eliminates the requirement that an advanced practice nurse (APN) with prescriptive authority maintain and update an articulated plan once the APN has completed the provisional prescriptive authority period (**section 13**);
- ! Authorizes, rather than requires, the board to conduct random audits of an APN's articulated plan regarding the APN's provisional prescriptive authority (**section 13**);
