25 sites based upon specific allocations required by the grant program, the
26 specific award to the district attorney's office in each of the ~~four~~
27 designated judicial districts, other pilot program needs, and any other

1 criteria, such as case volume, geographical complexity, and density of
2 need. In addition to any other allowable expenses to be paid for by the
3 grant program, each district attorney's office participating in the pilot
4 program ~~shall~~ MUST receive fifty thousand dollars per year from the grant
