tax cash fund until the year following the year that the revenue is received by the state. Instead, the general assembly will be permitted to appropriate the money in the fund in the same year that the revenue is received, subject to the same reserve requirement. This change immediately increases the uncommitted balance in the fund for state fiscal year 2020-21, and the state treasurer is required to transfer \$136,989,750 from the fund to the general fund on October 1, 2020. The reserve is also clarified in light of this change.
