Executive Committee of the Legislative Council. The bill suspends legislative interim committee activities during the 2020 interim. Specifically, the bill:

- ! Prohibits the legislative council of the general assembly from prioritizing any requests for legislative interim committees, including task forces, for the 2020 interim; and
- ! Prohibits meetings, field trips, and legislative recommendations and reports by, and suspends for one year certain reports required to be submitted to, existing legislative interim committees, including the Colorado youth advisory council review committee; wildfire matters review committee; statewide health care review committee; Colorado health insurance exchange oversight committee; pension review commission and pension review subcommittee; early childhood and school readiness legislative commission; water resources review committee; and transportation legislation review committee.

Additionally, the bill removes the requirement that the early childhood and school readiness legislative commission meet at least 4 times each year and instead limits the commission to up to 4 meetings per year.
