1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds and declares that:

4 (a) The COVID-19 pandemic has significantly increased state
5 parks usage, against a backdrop of growth in recent years, as Colorado
6 residents seek outdoor and socially distanced activities. State parks usage
7 grew by 2.2 million visitor days from the 2014-15 state fiscal year and a
8 further thirty percent during the spring of 2020.

9 (b) Accelerating the development of Fishers Peak State Park and
10 improving amenities at eleven other state parks will relieve pressure from
11 such high usage and prepare for future demand.

12 **SECTION 2.** In Colorado Revised Statutes, 24-75-302, **amend**
13 (2)(kk) and (2)(ll); and **add** (2)(mm) as follows:

14 **24-75-302. Capital construction fund - capital assessment fees**
15 **- calculation - information technology capital account.** (2) The
16 controller shall transfer a sum as specified in this subsection (2) from the
17 general fund to the capital construction fund as money becomes available
18 in the general fund during the fiscal year beginning on July 1 of the fiscal
19 year in which the transfer is made. Transfers between funds pursuant to
20 this subsection (2) are not appropriations subject to the limitations of
21 section 24-75-201.1. The amounts transferred pursuant to this subsection
22 (2) are as follows:

23 (kk) On July 1, 2020, two million forty-three thousand seven
24 hundred sixty-eight dollars; ~~and~~

25 (ll) For the 2020-21 state fiscal year, one million dollars under
26 S.B. 20-003, enacted in 2020; AND

1 (mm) ON THE EFFECTIVE DATE OF THIS SUBSECTION (2)(mm), FOR
2 THE 2020-21 STATE FISCAL YEAR, TWENTY MILLION DOLLARS UNDER S.B.

4 **SECTION 3. Capital construction appropriation.** (1) For the
5 2020-21 state fiscal year, \$20,000,000 is appropriated to the department
6 of natural resources for use by the division of parks and wildlife. This
7 appropriation is from the capital construction fund created in section
8 24-75-302, C.R.S. To implement this act, the division of parks and
9 wildlife may use this appropriation for capital construction related to
10 infrastructure development projects at Boyd Lake State Park in Larimer
11 county, Lake Pueblo State Park in Pueblo county, Fishers Peak State Park
12 in Las Animas county, Cherry Creek State Park in Arapahoe county, the
13 Arkansas Headwaters Recreation Area in Chaffee county, Ridgway State

16 Jefferson counties, the Cameo Shooting and Education Complex in Mesa
17 county, Jackson Lake State Park in Morgan county, and Navajo State
18 Park in Archuleta county.

19 (2) The appropriations made in subsection (1) of this section are
20 available upon passage of this act, and if any appropriation project is
21 initiated within the fiscal year, the appropriation for the project remains
22 available until completion of the project or for three years, whichever
23 comes first, at which time the unexpended and unencumbered balance
24 reverts to the capital construction fund.

25 **SECTION 4. Safety clause.** The general assembly hereby finds,
26 determines, and declares that this act is necessary for the immediate
27 preservation of the public peace, health, or safety.
