1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Short title.** The short title of this act is the
3 "Behavioral Health Recovery Act of 2021".

4 **SECTION 2. Legislative declaration.** (1) The general assembly
5 finds that:

1 (a) The federal government enacted the "American Rescue Plan
2 Act of 2021" to provide support to state, local, and tribal governments in
3 responding to the impact of COVID-19 and to assist their efforts to
4 contain the effects of COVID-19 on their communities, residents, and
5 businesses. Under the federal act, the state of Colorado received over
6 three billion dollars to be used for the purposes identified in the federal
7 act.

8 (b) Regulations construing the federal act promulgated by the
9 United States treasury identify a nonexclusive list of uses that address a
10 broad range of public health needs exacerbated by the pandemic. Under
11 these regulations, funds may be used for mental health and substance
12 misuse treatment; hotlines and warmlines; crisis intervention, services, or
13 outreach to promote access to health and social services; and other
14 behavioral health services.

15 (2) Therefore, the general assembly declares that the programs and
16 services funded by the federal money transferred in this bill are
17 appropriate uses of the money transferred to Colorado under the federal
18 act. This money will be put to expeditious and efficient use in expanding
19 access to evidence-based treatment for mental health and substance use
20 disorders, especially in frontier and rural communities; supporting
21 behavioral health services for pregnant and parenting women, for families
22 of young children, and for children and youth; enhancing evidence-based
23 strategies and services to prevent drug overdose deaths; mitigating the
24 impacts of the opioid crisis; and expanding access to recovery support
