- (section 1 of the bill);
- Continuation of the Colorado floodplain map modernization program, \$500,000 (section 2);
- Continuation of the weather modification permitting program, \$350,000 (section 3); and
- Continuation of technical assistance for federal cost-share programs, \$300,000 (section 4).

Section 5 directs the state treasurer to transfer up to \$2,000,000 from the CWCB construction fund to the litigation fund on July 1, 2021.

Section 6 authorizes the CWCB to make a loan in an amount up to \$3,000,000 from the CWCB construction fund or the severance tax perpetual base fund to the Colorado Rio Grande Restoration Foundation in furtherance of the San Luis valley confined aquifer recovery project.

Section 7 reinstates severance tax funding of the water efficiency grant program by authorizing a transfer of \$550,000 in each state fiscal year commencing on or after July 1, 2021, from the grant program reserve of the severance tax operational fund, which reserve is part of the "tier 2" funding that is used only if the general assembly chooses not to spend 100% of the money in the operational fund on core departmental programs, to the water efficiency grant program cash fund. The reinstated funding is repealed on July 1, 2030, when the water efficiency grant program is scheduled to repeal.
