2 2024.

3 **SECTION 2. Appropriation.** (1) For the 2021-22 state fiscal
4 year, the general assembly anticipates that the department of labor and
5 employment will expend \$1,500,000. This amount is from the family and
6 medical leave insurance fund created in section 8-13.3-518, C.R.S., and
7 is subject to the "(I)" notation as defined in the annual general
8 appropriation act for the same fiscal year. The general assembly
9 anticipates that the department will expend this amount as follows:

10 (a) \$1,162,202 for use by the family and medical leave division
11 for program costs, which amount is based on an assumption that the
12 division will require an additional 6.0 FTE;

13 (b) \$231,920 for the purchase of information technology services;
14 and

15 (c) \$105,878 for the purchase of legal services.

16 (2) For the 2021-22 state fiscal year, \$231,920 is appropriated to
17 the office of the governor for use by the office of information technology.
18 This appropriation is from reappropriated funds received from the
19 department of labor and employment identified in subsection (1)(b) of
20 this section. To implement this act, the office may use this appropriation
21 to provide information technology services for the department of labor
22 and employment.

23 (3) For the 2021-22 state fiscal year, \$105,878 is appropriated to
24 the department of law. This appropriation is from reappropriated funds
25 received from the department of labor and employment identified in
26 subsection (1)(c) of this section, and is based on an assumption that the
27 department of law will require an additional 0.6 FTE. To implement this

1 act, the department of law may use this appropriation to provide legal
2 services for the department of labor and employment.

3 **SECTION 3. Safety clause.** The general assembly hereby finds,
4 determines, and declares that this act is necessary for the immediate
5 preservation of the public peace, health, or safety.
