4 **19-3-302. Legislative declaration.** (1) The general assembly
5 declares that the complete reporting of child abuse is a matter of public
6 concern and that, in enacting this part 3, it is the intent of the general
7 assembly to protect the best interests of children of this state and to offer
8 protective services in order to prevent any further harm to a child
9 suffering from abuse. It is also the intent of the general assembly that if
10 a county or group of counties decides to establish a child protection team,
11 that the child protection teams publicly discuss public agencies' responses
