1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) The global pandemic has caused tremendous strain on the
5 health-care system and, in particular, on frontline health-care providers;

6 (b) Mental health professionals have been especially hard hit as
7 they are the primary providers of care during a time when the pandemic
8 has resulted in a significant increase in the number of adults who report
9 symptoms of stress, anxiety, depression, and insomnia;

10 (c) One in five adults experiences a mental health condition each
11 year, but only forty percent receive services as there are not enough
12 providers to keep up with the demands for mental health services;

13 (d) The increased demands for mental health services impose
14 tremendous strains on the health-care system and on mental health
15 professionals trying to meet the demands; and

16 (e) Due to these tremendous challenges, many of these critical
17 mental health professionals are leaving the field or struggling to remain
18 in their jobs, given the stressful work environments.

19 (2) In recognition of the incredible services these critical mental
20 health professionals have delivered throughout the pandemic and of the
21 selfless sacrifices they have made, it is the intent of the general assembly
22 to provide licensure and certification fee relief for psychologists, social

1 workers, marriage and family therapists, professional counselors,
2 psychotherapists, and addiction counselors.
