**Fiscal Impact of Bill as Amended to Date**

The most recent Legislative Council Staff Revised Fiscal Note (attached) reflects the fiscal impact of the bill as of 03/16/22.

<b>XXX</b>	<b>No Change:</b> Attached LCS Fiscal Note accurately reflects the fiscal impact of the bill
	<b>Update:</b> Fiscal impact has changed due to <i>new information or technical issues</i>
	<b>Update:</b> Fiscal impact has changed due to <i>amendment adopted</i> after LCS Fiscal Note was prepared
	<b>Non-Concurrence:</b> JBC Staff and Legislative Council Staff disagree about the fiscal impact of the bill

The bill requires a \$100,000 General Fund appropriation in FY 2022-23 and states that the General Assembly may appropriate money from the General Fund in following years. The fiscal note assumes a one-time fiscal impact of \$100,000 in FY 2022-23 and no fiscal impact beginning FY 2023-24. Consistent with the most recent fiscal note, JBC Staff analysis assumes that the fiscal impact of the bill is restricted to FY 2022-23.

**Points to Consider***General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2022-23 based on the March 2022 Legislative Council Staff revenue forecast. The budget package includes two set-asides:

- \$40.0 million General Fund for bills that create ongoing obligations; and
- \$900.0 million General Fund for bills that create one-time obligations in FY 2022-23.

The \$40.0 million *appropriations* set-aside includes an additional \$6.0 million General Fund to provide a 15.0 percent General Fund reserve for those appropriations. The \$900.0 million *obligations* set-aside does not include an additional amount for a General Fund reserve and, assumes, but does not require, that obligations be addressed through statutory transfers rather than appropriations. Therefore *appropriations* from the \$900.0 million set-aside require an additional 15.0 percent to maintain the statutory General Fund reserve.

This bill creates a one-time obligation and requires a General Fund appropriation of \$100,000 million for FY 2022-23, reducing the \$900.0 million set aside by \$115,000 in order to maintain a 15.0 percent statutory General Fund reserve.
