| Other Budget Impacts | TABOR Refund | $\$ 82,561$ | $\$ 20,669$ |
|  | General Fund Reserve | $\$ 2,396$ | - |

## Summary of Legislation

This bill creates the Delta Sigma Theta special license plate. By January 1, 2023, the license plate is available to applicants who are members of the Delta Sigma Theta sorority and pay one-time special license plate fees of $\$ 50$. Applicants must provide the Department of Revenue (DOR) or an authorized agent with sufficient evidence to prove they are a member of the sorority.

## Assumptions

Expected demand for the plate is based on the actual demand for the American Indian group special license plate.

## State Revenue

The bill is anticipated to increase state cash fund revenue by $\$ 82,561$ in FY 2022-23 and $\$ 20,669$ in FY 2023-24, as shown in Table 2. This revenue is subject to TABOR.

Table 2
Revenue Under HB 22-1103

|  | FY 2022-23 | FY 2023-24 |
| :--- | ---: | ---: |
| License Plate Sets Issued | $\mathbf{1 , 4 2 2}$ | 356 |
| License Plate Cash Fund (\$8.06) | $\$ 11,461$ | $\$ 2,869$ |
| Highway Users Tax Fund (\$25) | $\$ 35,550$ | $\$ 8,900$ |
| License Services Cash Fund (\$25) | $\$ 35,550$ | $\$ 8,900$ |
|  | Total Cost | $\$ 82,561$ |

Standard license plate fees. Upon registration, all vehicle owners must pay a plate and tab production fee of $\$ 8.06$ for a digital passenger vehicle plate set, $\$ 4.73$ for an embossed passenger vehicle plate set, or $\$ 3.01$ for a motorcycle plate set. All specialty plates are manufactured as digital plates, and the fiscal note assumes motorcycle issuance will be minimal. Fees from plate and tab production are credited to the License Plate Cash Fund (LPCF).

Special license plate fees. Applicants for the Delta Sigma Theta special license plate are also required to pay an additional $\$ 50$ in fees, of which $\$ 25$ is credited to the Highway Users Tax Fund (HUTF) and $\$ 25$ is credited to the Licensing Services Cash Fund.

Colorado Department of Transportation. Of the HUTF revenue, 65 percent is credited to the State Highway Fund (SHF) for expenditure by the department, 26 percent is credited to counties, and 9 percent is credited to municipalities. Table 3 outlines the estimated HUTF revenue generated under this bill.

Table 3
Estimated HUTF Distributions Under HB 22-1103

|  | FY 2022-23 | FY 2023-24 |
| :--- | ---: | ---: |
| State Highway Fund (65 percent) | $\$ 23,107$ | $\$ 5,785$ |
| Counties (26 percent) | $\$ 9,243$ | $\$ 2,314$ |
| Municipalities (9 percent) | $\$ 3,200$ | $\$ 801$ |
| Total HUTF Distribution | $\$ 35,550$ | $\$ 8,900$ |

## State Expenditures

State expenditures in the DOR will increase by $\$ 27,437$ in FY 2022-23 and $\$ 2,869$ in FY 2023-24, as shown in Table 4 and detailed below.

## Table 4 <br> Expenditures Under HB 22-1103

FY 2022-23 FY 2023-24

| Department of Revenue |  |  |
| :--- | ---: | ---: |
| Plate and Tab Production Cost | $\$ 11,461$ | $\$ 2,869$ |
| Computer Programming | $\$ 15,976$ | - |
| Total Expenditures | $\mathbf{\$ 2 7 , 4 3 7}$ | $\mathbf{\$ 2 , 8 6 9}$ |

Department of Revenue. As discussed in the State Revenue section, plate tab and production costs for special group plates are $\$ 8.06$ per license plate set. This fiscal note assumes that 1,422 license plates will be issued in FY 2022-23 and 356 will be issued in FY 2023-24. In FY 2022-23, one-time programming costs of $\$ 12,600$ are required to update the Driver License, Record, Identification and Vehicle Enterprise Solutions (DRIVES) system. Programming costs, to be paid from the General Fund, are based on 56 hours of programming at a rate of $\$ 225$ per hour, as well as $\$ 3,376$ in other implementation costs, which include implementation support to the vendor from DOR staff and quality assurance support from the Office of Information Technology. License plate and tab production costs are expended from the LPCF.

In addition, the DOR will be required to update rules, forms, manuals, and the department's website to reflect the change in law. Additionally, the DOR will provide training to authorized agents, Title and Registration Section staff, and law enforcement. Any workload increases or costs associated with these activities can be accomplished within existing appropriations.

## Other Budget Impacts

TABOR refunds. The bill is expected to increase the amount of state revenue required to be refunded to taxpayers by the amounts shown in the State Revenue section above. This estimate assumes the December 2021 LCS revenue forecast. A forecast of state revenue subject to TABOR is not available beyond FY 2023-24. Because TABOR refunds are paid from the General Fund, increased cash fund revenue will reduce the amount of General Fund available to spend or save.

General Fund reserve. Under current law, an amount equal to 15 percent of General Fund appropriations must be set aside in the General Fund statutory reserve beginning in FY 2022-23. Based on this fiscal note, the bill is expected to increase the amount of General Fund held in reserve by $\$ 2,396$ in FY 2022-23, which will decrease the amount of General Fund available for other purposes.

## Local Government

This bill will increase local government HUTF revenue by the amounts shown in Table 3. HUTF revenue generated by license plate fees is distributed to counties (26 percent) and municipalities ( 9 percent) for transportation needs.

## Effective Date

The bill was signed into law by the Governor on May 27, 2022, and it took effect on August 9, 2022.

## State Appropriations

For FY 2022-23, the bill requires and includes appropriations of $\$ 27,437$ to the Department of Revenue. Of this total:

- $\$ 15,976$ is from the General Fund, of which, $\$ 2,129$ is reappropriated to the Office of Information Technology; and,
- $\$ 11,461$ is from the License Plate Cash Fund.
