Fiscal Note

Drafting Number:	LLS 22-0893	Date:	March 17, 2022
Prime Sponsors:	Rep. Lindsay Sen. Jaquez Lewis	Bill Status:	House HHS
		Fiscal Analyst:	Annie Scott 303-866-5851 Annie.Scott@state.co.us

Bill Topic: FLEXIBILITY IN ORAL HEALTH PROGRAM FUNDING

Summary of Fiscal Impact:

<input type="checkbox"/> State Revenue	<input type="checkbox"/> TABOR Refund
<input checked="" type="checkbox"/> State Expenditure	<input type="checkbox"/> Local Government
<input type="checkbox"/> State Transfer	<input type="checkbox"/> Statutory Public Entity

This bill renames the Dental Loan Repayment Program Fund, and expands the use of the fund to include oral health programs within the Colorado Department of Public Health and Environment. The bill may increase state workload beginning in FY 2022-23.

Appropriation Summary: No appropriation is required.

Fiscal Note Status: The fiscal note reflects the introduced bill.

Summary of Legislation

Under current law, the Dental Loan Repayment Program Fund receives 1.0 percent of Tobacco Master Settlement Agreement deposited to the Tobacco Litigation Settlement Cash Fund. This bill renames the fund as the Dental Loan Repayment and Oral Health Programs Fund and expands the use of the money in the fund to include oral health programs within the Colorado Department of Public Health and Environment.

Background

In November 1998, forty-six states, the District of Columbia and five U.S. territories (the states) entered into a settlement agreement with the four largest tobacco companies in the United States. This agreement, called the Tobacco Master Settlement Agreement, restricts tobacco companies' marketing practices and requires them to pay a projected \$206 billion over 25 years to the states.

State Expenditures

While the bill does not change the amount of funding transferred to the newly renamed Dental Loan Repayment and Oral Health Programs Fund, it may shift the use of that funding to include oral health programs. To the extent that funding normally spent under the Dental Loan Repayment Program is used for other oral health activities, the CDPHE will reallocate staff resources as necessary, and no net change in workload is expected.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.
