Summary of Legislation

Current law allows for a unit owner in a homeowners' association (HOA) to designate a proxy holder to vote at HOA meetings on the owner's behalf. The bill limits the duration of a proxy to 11 months.

State Expenditures

HOAs are regulated by the HOA Information and Resource Center in the Department of Regulatory Agencies. Workload may increase for the center to respond to questions from HOAs regarding the bill. This workload is expected to be minimal and no change in appropriations is required.

Effective Date

The bill was signed into law by the Governor on March 21, 2021, and takes effect on August 9, 2022, assuming no referendum petition is filed. It applies to meetings occurring on and after the bill's effective date.
