| <input type="checkbox"/> State Transfer | <input type="checkbox"/> Statutory Public Entity |

The bill requires that the Office of Saving People Money on Healthcare comply with the SMART Act. This bill will increase state workload on an ongoing basis.

Appropriation Summary: No appropriation is required.

Fiscal Note Status: The fiscal note reflects the introduced bill.

Summary of Legislation

The Office of Saving People Money on Healthcare (OSPMHC), was created by Executive Order B 2019 003. The bill requires that the OSPMHC to comply with the SMART Act requirements for developing and reporting on its performance plan.

State Expenditures

This bill will increase workload in the Office of the Governor in two areas. The OSPMHC will begin developing and reporting on performance plans according to the SMART Act requirements and the OSPB will incorporate the OSPMHC information into its annual performance report. The fiscal note assumes that this increased workload can be accomplished within existing resources and no change in appropriations is required.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.
