1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1.** In Colorado Revised Statutes, **add with amended**
3 **and relocated provisions** article 106 to title 22 as follows:

4 **22-106-101. [Formerly 23-77-101] Legislative declaration.**

5 (1) The general assembly finds that:

6 (a) The state is committed to increasing the number of students
7 who graduate from a Colorado high school, enroll in a Colorado
8 institution of higher education, and graduate with a postsecondary
9 credential in two to four academic years;

10 (b) Several states have implemented a summer residential
11 education program for high school students who demonstrate exceptional
12 intellectual curiosity, creativity, and maturity. While participating in the
13 summer program, students attend classes, lectures, seminars, concerts, art
14 exhibits, theatrical performances, and films and have the opportunity to
15 learn independently and from distinguished faculty, staff members, and
16 guest lecturers.

17 (c) The summer residential education programs implemented in
18 other states have:

19 (I) Successfully developed a civic voice among the states' best
20 students so that they graduate from high school as civic participants;

21 (II) Prepared motivated students to participate in a competitive
22 workforce;

23 (III) Helped to create young leaders who are energized to find
24 solutions for the pressing issues facing their states; and

25 (IV) Motivated students to remain in their home states for their
26 postsecondary education and careers; and

1 (d) A high percentage of the students who have participated in the
2 summer residential education programs have subsequently enrolled in
3 postsecondary education in their home states and earned a baccalaureate
4 degree in four years.

5 (2) The general assembly finds, therefore, that it is in the best
6 interests of the state to ~~establish~~ CONTINUE the Colorado student leaders
7 institute ~~as a pilot program~~ using the model of summer residential
8 education programs implemented in other states and to appropriate state
9 money to ensure the successful operations of the institute for the benefit
10 of Colorado high school students.

11 (3) The general assembly further finds that, for purposes of
12 section 17 of article IX of the state constitution, the Colorado student
13 leaders institute is an accountable program that assists students in meeting
14 state academic standards and may therefore receive funding from the state
15 education fund created in section 17 (4) of article IX of the state
16 constitution.
