- Selling alcohol beverages by the drink;
- Serving alcohol beverages for more than 4 hours in a 24-hour period;
- Serving alcohol beverages more than 15 days per year;
- Charging an entrance fee or a cover charge in connection with offering complimentary alcohol beverages;
- Violating the "Colorado Liquor Code"; or
- Allowing more than 250 people to be on the premises at one time when alcohol beverages are being served.

The bill broadens this permit to allow all retail establishments to obtain the permit if the establishment conducts business at a physical building in Colorado, sells goods or services to the public at the location, and derives less than 50% of the establishment's gross sales of goods and services from the sale of food. The prohibitions applicable to art gallery permit holders under current law are not changed and apply to a retail establishment that obtains a permit; except that:

- The prohibition on selling alcohol is broadened to cover the sale of alcohol beverages in any form; and
- The number of days that an establishment may serve alcohol beverages in a year is increased from 15 to 24 days.
