\$4,705,220 remains in the fund and has not been distributed. The appropriation for fiscal year 2021-22 has expired. The bill specifies that the unspent money transferred and appropriated for air quality improvement grants must not be used for air quality improvement grants and instead must be used for financial assistance as provided in the "Building Excellent Schools Today Act".

Also during the 2022 legislative session, the general assembly scheduled a transfer of \$30,000,000 from the marijuana tax cash fund to the fund for June 1, 2023. The bill repeals this scheduled transfer before it occurs.
