**Joint Budget Committee.** The bill removes the requirement that medicaid recipients pay a copayment for pharmacy and outpatient services. The bill makes an appropriation.

1 Be it enacted by the General Assembly of the State of Colorado:

2 SECTION 1. In Colorado Revised Statutes, 25.5-4-209, amend
3 (1)(b); and repeal (1)(c) and (1)(d) as follows:

4 25.5-4-209. Payments by third parties - copayments by 5 recipients - review - appeal - children's waiting list reduction fund. 6 (1) (b) Subject to any limitations imposed by Title XIX, and the 7 requirements set forth in subsection (1)(c) of this section, a recipient must 8 SHALL pay at the time of service a portion of the cost of any medical 9 benefit rendered to the recipient or to the recipient's dependents pursuant 10 to this article 4 or article 5 or 6 of this title 25.5, as determined by rules 11 of the state department.

- (c) (I) Except as otherwise provided in subsection (1)(c)(II) of this
   section, on and after January 1, 2018, for pharmacy and for hospital
   outpatient services, including urgent care centers and facilities and
   emergency services, the rules of the state department required by
   subsection (1)(b) of this section must require the recipient to pay:
- 17 (A) For pharmacy, at least double the average amount paid by
   18 recipients in state fiscal year 2015-16; or

(B) For hospital outpatient services, at least double the amount
 required to be paid as specified in the rules as of January 1, 2017.

- (II) For both pharmacy and hospital outpatient services, the
   amount required to be paid by the recipient shall not exceed any specified
   maximum dollar amount allowed by federal law or regulations as of
   January 1, 2017.
- 25 (d) The state department shall evaluate options to exempt
   26 individuals who are qualified for institutional care but are instead enrolled
   27 in home- and community-based service waivers from the increased

1 payment requirements specified in subsection (1)(c) of this section.

2 **SECTION 2.** Appropriation. (1) For the 2023-24 state fiscal 3 year, \$1,886,150 is appropriated to the department of health care policy 4 and financing. This appropriation consists of \$1,439,499 from the general 5 fund, which is subject to the "(M)" notation as defined in the annual 6 general appropriation act for the same fiscal year, and \$446,651 from the 7 healthcare affordability and sustainability fee cash fund created in section 8 25.5-4-402.4 (5)(a), C.R.S. To implement this act, the department may 9 use this appropriation for medical and long-term care services for 10 medicaid-eligible individuals.

11 (2) For the 2023-24 state fiscal year, the general assembly 12 anticipates that the department of health care policy and financing will 13 receive \$5,459,357 in federal funds for medical and long-term care 14 services for medicaid-eligible individuals to implement this act. The 15 appropriation in subsection (1) of this section is based on the assumption 16 that the department will receive this amount of federal funds.

SECTION 3. Safety clause. The general assembly hereby finds,
determines, and declares that this act is necessary for the immediate
preservation of the public peace, health, or safety.
